# DO NOT CONFUSE THE UNFOLDING PROCESS

MASTER'S PAPERS Number 21

As you have begun to enter into a process of spiritual identification and birth, so is it very - extremely - important to attend to that process of Truth unfolding as your consciousness. It is very much like a child about to be born, your inner Child. It is too late to go back. The child is already formed in your womb or subconscious. That child - your unfolding spiritual identity - must be allowed to rise as a conscious memory, a reality to you.

What we do here at the University of Melchizedek is to feed you vital energy - nourishment - so that the Child who you really are will be born. All that you have and all that you cherish is within that Wonderful Child, that fruitful Child, that Higher Self who is ready (that Jesus state) to be recognized as who you are in The Christ.

"Be fruitful and multiply," The command went forth (Genesis 1:28) thus actualizing the light of God as children of The Christ. (We would not learn this direction for many eons, yet it is so.) We are reborn into The Christ Presence or the personage of the divine Idea: the I AM. This is a vital realization that human beings are remembering on this planet.

When you visit evil upon yourself, hating, despising, condemning the Inner Child, then you confuse the reality-program, or the Jesus Program, set in motion by your acceptance. And when you cause confusion within the womb or subconscious, you then can cause a paralysis within the subconscious, stalemating the flow of divinity that is desiring to express as you, as you, as You!

"Home." Let all your thoughts and feelings celebrate the vibrant life you are as light of the world. For the Child of you is your own Being: God in man: Melchizedek.

You have begun a process. You must truly trust this process. The Master Jesus has said: "Your world is not my world." A world emerges through this process; it is the natural world of God.

Once you have made the commitment to surrender your life to the one Life I AM, then the process begins to move - much like a growing tidal wave. This spiritual direction you have taken is in the Mother. The divine birthing process has begun. Respect, and surrender into the process of Christ emerging as You. This divine process bears a Son of Itself, the divine Son of God, revelation in you. As you trigger this revelation within yourself you are born again. You found the Child of your own being, the precious GodSelf: the Christ of you as You.

Make way for the Christ! Make way by your trust and belief in the fulfilling presence of the Almighty God in you as the SON or Christ in man/woman. Live to please God by loving that Inner Child. And recognize this Child - who you are - as headquarters of the Supreme: the new consciousness on earth.

Waste no more time in battling with the ego or the "lower self." Let the Child be fed the nourishment of your love. And It will grow and dissolve all else but Itself.

Stay true to your decision to come

*Continued on page 8*

# The Time Is Now

THE UNIVERSITY PAPERS Number 167

## *Let the Power flow through you as the Creator in objectification.*

The previous *University Papers*, number 166, concluded with this statement: Be gentle with yourself as you begin this focus. Much will be revealed to you. And as you continue to practice the alignment, your world will change. You will see that you have nothing, own nothing, are nothing in the great Presence of the Solar Son. From that reality will be given the next step—one that I cannot mention, for this is enough.

## *The Next Step*

The Incoming Ray of Sananda is projecting itself as a holy city. This City of Light will be the Solar Son's headquarters on Earth. The blessings of the Light will flow through all the Earth, yet the Light will be centered in one place, *Christ Consciousness*. And therein is My Word.

Hear My Word! Places of Light are beginning to surface as they will be governance agents for the New World vibrations of Consciousness.

I have brought to you My Son's Life and you have It in your heart. God's world is the embodiment of the glorious Son who waits upon you to be born.

The New World order links all hearts together as one world. The vibrating essence of the Son rules the Earth and quiets the fears.

Rise, My sons and daughters, into a New World of My Son. The Christ is within. You wear My world within you and you have the power to come and go as a sovereign body of God's Light. Enter Me.

I AM the creation you seek. I AM the Creator in objectification. I AM the Consciousness of the Father and the Mother united in the Son's Voice. I AM completed, unified and ready to perform

My miracles on earth and to re-seed My lands.

The World Order must be established now. We are in the movement of God's Son on Earth, requalifying Himself as the Christ dimension.

All who are ready, please proceed to your stations. I have come to seek My channels of light and to lift them into the City of Light where I AM. The full measure of these words will be felt. He who has spoken is the Lamb of God, the Solar Son. I AM ready to begin. As I speak, mountains will be moved and days quickened. I have come.

## *The Will of My Father and the Holy Ghost*

Objectification, not manifestation, is the movement of My Spirit into form. And it is this great presence of Light and Love—of Christ Life—that will begin *forming of Itself* the Word made flesh. Many temples will be formed of Me. They will be as beacons of light summoning all to the Christ energy field.

With the objectification of My Son's Life as your life, and the Creator in readiness to vibrate His Word, the new dimension announces itself as planetary Awakening. Here is where you change "who you are" and "whom you serve," because the Voice is releasing Itself through Humanity as the Creator at large. The word "manifestation" will not apply to My laws of planetary creation. I embody now as My creation. What was is not. I come as My creation. I AM the Word.

In the place of "manifestation" is the word "objectification"—a word which tells us that *the One who*

*speaks is the One who Is: I AM THAT I AM.* The GodSelf objectifies *after the Order of Melchizedek*. Carried by the Holy Spirit or Holy Ghost, the original Idea embodies; It forms of *Itself*. It is the divine Image and Likeness, which Mother Mary carries in Her sacred Womb. There is no separation between Creator and created. No effort on the human part. No pain of birth or sweat of brow.

## *I AM That I AM*

The resettling of the unified Spirit of God, as the dominant presence and the governance on Earth, will be translating all life into higher membranes of Spirit. The Creator becomes more apparent as His Body is solidifying and realizing Itself as God the Supreme.

The Inner Voice carries the Father's Will, the Divine Intent. When you are in agreement with the Voice, you have entered the Garden of Eden. Then true creation can appear in glorious form and in perfect harmony with all life.

The Creative Power must objectify when there is agreement and soul commitment to the Divine Will. That is the perfect order of creation through Man or consciousness. It is the order of Melchizedek. Thus, you have maximum Intelligence objectifying into form as right action. The Word becomes flesh.

When all power is transferred to the Godhead, God realizes Himself as "I AM" and speaks the Word through you in vibratory accord with the Body. In this process, you move or ascend out of the material

*Continued on page 4*

# The Time Is Now

Continued from page 3

dimension and duality of that expression into the spiritual domain of the Father, Son, and Holy Spirit *where I AM*.

This connects you to the most powerful energy field on Earth where Man and God are One. The Seven Gates<sup>1</sup> open and no conflict will be able to inflict itself into the alignment. Everything is ready for the Creator to pass through His-Her creation.

Thus, on the spiritual plane or Christ Energy plane, there is no-thing between Father and Son. We are One unified Being listening and realizing our consciousness as the Son/Sun—the emanation of the GodSelf; indeed, the Light of the world. The Desire mode is set and objectification into form is the agreement with Divine Will or the Creator at Large.

This is the new way of creation. The creative circuits obey only the Divine Mind and the circuitry Intelligence of God's Will in motion. You put it in motion by your *conscious agreement* with your Source. I AM THAT I AM.

<sup>1</sup>Seven chakras.

## A New Order

Some, reading this document, may have realized that nothing appears to work as before. Learned and proven methods of manifestation have suddenly stopped for you. *The order has changed*. And you are now in a new order of creation.

The primal codes for creation become your energy fields for objectification. The realization that nothing is the same can be shocking and seemingly debilitating if the work has not been done previously in consciousness. Yet, there is nothing lost because the University is here to elevate consciousness and to decode the Intelligence masked behind words, veils of illusion.

As our planet has entered a whole new program of Creative Power, you are no longer — by the Law of Consciousness—subject to the material world and its past program of limitation

and false claims. *The Law is in God's Hands now! It is the Word*. You now create *with* the God Presence as the Word (one frequency of Power and Light), as you listen to the Inner Voice and Its guidance. Let the Heart open and listen. *Be still and know that I AM God* deep within your soul. Then create from that point of Be-ing as the bright light that is union of God and Man.

When the divine Trinity of Realization has occurred, your thought and the God Thought are in harmony. *They are the same*. And this critical point of Vibration seals the Cup (the Chalice) and the return of Jesus is imminent.<sup>2</sup>

There are no walls or blocks against the creation because the Word has become your Consciousness. The Solar Level has been reached and the Sacred Son-Sun emerges "another and the same."<sup>3</sup>

Therefore, be focused on I AM That I AM as the great Power of all creation. Settle there. Listen well. And you will have the powerful Consciousness Jesus had on earth.

<sup>2</sup> You will want to meditate on this message as it carries force fields of yourself and degrees of divine Intelligence waiting to open and be expressed. *I AM you*.

<sup>3</sup> This is in reference to Dryden's famous poem "The Phoenix."

**On May 30, 2004 I received this announcement:**

***The Creative Power has emerged and That will shake up the planet. It is the Power of the Creator moving through the Earth.***

***It is like an extension of the Universe Creator.***

## Behold a New Man

The return of the Creator into His-Her creation reclothes all humanity and

the Voice of Truth will speak through many in declaration of the New Day.

All creation on planet Earth is experiencing, or about to experience, a dynamic and dramatic Visitation of the Christ embodiment. All will be moved and all will be teary-eyed in the face of Truth and Deliverance.

And the shell will drop away from Earth. Her light will shine and the purity of her being will vibrate into the solar systems and galaxies. Divine Mind will welcome her back into Itself.

The spiritual surges of the Incoming Light now shake creation and peel off layers of density that have been lingering for thousands of years. Nothing is the same. The central focus is on the Eternal Flame and the cylindrical dance of the Divine Mother seeking to find Her Self and know Her Self as circles and spirals of divine love and light.

The Mighty Force of creation begins Its movement to embody Itself as circles of God's living presence—the Christ Body. To live on this planet one now must be *conscious* of and *ever alert* to the spiraling movement of God as Spirit seeking to establish Itself through Its creation as God the Supreme. Meet these waves of creative intensity in your service, work, and meditation. You will be carried like the Great Wave of Judgement into a whole new era of planetary Intelligence and Christ government on earth.

***Because I AM, you are. We are One.***

# Alchemical Changes

THE SPECIALS Volume 5, no. 25

On April sixth, the eternal combustion of *GodMan, the GodSelf. We will* the Creative Power will take place letting *demonstrate in harmony with one* loose the forces of light that will create a *another the plane of light that has* new world. This is the beginning of *descended into Earth's body and her* Sananda's Ingathering and His prophecies *consciousness. Will you be one of* of enlightenment and creative ascensions. *these who will walk with Me and*

*I AM coming.*

A solid energy Plan has been released to those who can minister to it and who are open to the understanding of the New Age.

What will be occurring—what has already begun to occur—is the emergence of the great new body of light. There are certain field workers who have demonstrated an ability to release old forms of attachment and who have been tested on the Inner Voice alignment. These ones have been schooled carefully on the inner planes and in the colleges of Melchizedek so that at a moment's Call, they will actually become their body of light. They will demonstrate the appearance of light consciousness and will become visible as this demonstration. Few at first they will be. But it is the plan and the great hope that there will be more who will fulfill their missions as members of the Christ community of Light.

*Bearers of the Light come forward.*

*It is already planned who the first ones will be, the ones who will complete the alchemical change into higher chakras and into the radiation belt that I, Sananda, have prepared for them as fulfillers of My Word.*

*I want a thousand workers to fulfill My Word. I have come to stand with them in nature and in divine energy of My Second Coming. I will cleanse and reestablish the World of Light by My Coming. He who is in Me is realized as IAM.<sup>1</sup>*

*The house of Light is coming.*

*Dressed in the waves of My Spirit we move together as one body in the vibration of*

*these who will walk with Me and demonstrate the body of light? It is this body that is the rising Power of God, kundalini in you, which can raise this Earth to a higher pitch and bless her in the rhythm of Sananda.*

## Demonstrating the Light Focus

The Light is continuing to build. It will be building through the Easter season in preparation for the May shift.

What you are feeling—some of you—is the tearing away of old rhythms, crystallization and the release of much density. As you are ready and it is safe to do so, you will release the physical concept of a body and go directly into the light body already prepared for you as a consciousness of the Christ. We want that very much to happen in the next few weeks. There are leaders among you who can make the change quickly; those are the ones who have been selected to demonstrate for the masses.

There is a steady flow of Christ energy entering your body. The Christ body will be built. This is a new plane of life. The initiation for this alchemical change is taking place even as I write.

*Let the light now be your world. The nature of humanity is changing rapidly. I AM on fire with love for you. Go quickly to the light and so be with Me as My disciples of Light and Love, in the world but not of it, speaking My word in divine union with others, in brotherhood for all.*

March 21, 2000  
—Crystal

<sup>1</sup> The words "in Me" refer to consciousness aligned with the GodSelf or Divine Man.

## Meditation of the Month

How many days have followed you until this day? Without this day, how many days would be with you? And what mastery have you learned? What bigger and much greater thought can you carry than the one you do now? Think about these things for a moment. Much will come from **t h i s - y o u r** Contemplation. For seeds will grow and blossom. How many trips have you made to Earth that this trip means the most? You are a triumphant leader, a glorious Light. The power now is yours to make and to discover new lands to put in motion against the shores of Heaven.

This I say, Come forth!

# The New City Of Light and The Madonna Program

THE SPECIALS Volume 4, no. 15

January 24, 1998

The Solar Logos salutes you in His energy field of Creative Power. That magnificent energy field that you feel when lying in the sunshine of My own Being.

You have been caught in the material field rotating about, dizzy from its magnification and thought forms. This is the time to call upon the Madonna Ray of the original creation. You are there with Her and She adjusts Her frequency to the I AM principle of your life. All may dissolve under Her magnificence but do not fear, for from this nothingness, neutral zone, will come forth a whole new creation: the passing of one into another and the trinity of life restored.

Heed not the words of the material field but heed the words of the Master. Original creation will be restored and is restored. It's all in how you understand truth principles in the sacred order of Melchizedek. This vast University presented to you now carries with it a challenge of new creation and the perspective of unending service as life intended.

May the Sun shine through your heart into your soul. May your life be extended, expanded so that you are truly the sunlight of the solar level of conscious awareness. Be now that which was intended. Let the old life go into the Priesthood of Melchizedek and the presence of unified oneness. This is the order personified now, the greatness of the order, the center of it, the Plan.

Heed now the message of the Solar Logos waiting, waiting as the moment in time is expanded to say to you I AM. And then from this point of awareness, be that which you are in the sacred intent of the soul, the rhythm of Christ consciousness.

The Madonna Ray expands you ever brightly. And all that I AM is now: there is

no future nor is there a past. But only this second into the next into the one. And all that I AM is yours in Me as the circuits are extended for you to know this, to concrete this and anchor this idea, thought form. Truth now passes to the earth and delivers all into the unification of Melchizedek and the Sun of My hand.

Behold that which you are in truth and never leave this point of awareness. It is the degree you have passed now and much will be known by this and by that which is to come is already forever a reality to you.

Peace be amongst you. And yearn not, I already AM in the center of your being, in the regions of your soul awareness. Let the Madonna Ray bless us and cover us and join with our hearts and minds in the sacred revelation of the Son of God on earth I AM after the order of Melchizedek. Peace be amongst you and the way be shown throughout your career on earth. And in the mind let there always be alertness and all will be well. Heed now these words I have given.

Now shall they who have covered their heads uncover their heads. May that be known.

## **The Sacred City**

And the words come to me: These are troubled times but we have places for you to go. We have brought cities to earth for you with loving vibrations. But you must be Christ-like in your nature. Your intent must be of the purest. And the sound of your voice must be sweet and gentle upon all life. And there must be no disturbance whatsoever in the lands

of the new community. You will work harder than you've ever worked to maintain this energy field of light and love for all humanity and many shall benefit. But it's not to be easy. You cannot heed your lower self at all. It is to be stricken from your thoughts. You are examples of true life and that you must be.

(I, Crystal, have been shown that humanity, itself, would not be the same in development yet would not carry the rebellion and the resistance that has been part of earth's history. In other words what I saw were like growing energy fields, growing children sweet in their growth. And animals too. So that there would be a responsibility for those who had further knowledge of the light to the light to bestow that light on others.

That's the way we live on other planets and that's the way you will live now.)

## **Group Transformation**

The "Dark Moment of the Soul" isn't when we lose material things. The Dark Moment is when we cannot find our self. The Dark Moment is the gestation period. And out of that emerges that Christ-like being that you truly are, rinsed and made over for a new creation.

This Dark Moment is the transformation from self to Self. You lose your life to find it. It is not a matter of losing things but of losing "self" or identity. You know not who you are until the sacred Christ identity vibrates as your truth of being. Here we have the

*Continued on page 8*

# The Overturning of the Old World

SOLAR NEWS Volume 4, Number 52

As the Emergence takes place within the soul of humanity, the world shifts and becomes a joyous place to live for all. And as the consciousness moves in the direction of the Christ, little children rejoice to be free from the universal belief in good and evil.

Have you been afraid to step into the New World reality—fearful for your survival, afraid of judgment by your peers? Or have you wanted to leave the earth because it was so painful for you to be here? What if I could tell you now that the New World of Light and Love is beneath your feet? It surrounds you and is within you? And if I could assure you that many are stepping into the New World consciousness and declaring it the new dimension, would you take that step also?

Consider this. What might happen if many who have resisted the New World consciousness now claimed it for their own? If you have company, would you step into the Fifth Dimension and be part of the Christ Group who have made the change from human or mortal consciousness to the Solar Man or Solar (Christ) Consciousness?

Be not fearful of this step, the quantum leap, as many right now are taking that step. This is initiation and it comes at an opportune time, doesn't it? A time when there seems to be no answers in the old world of man's invention. Take a moment with me. Look carefully at the old world, its wars, pollution, poverty, disease and despair. There is no way out of this old world, despite what political parties tell you. And the walls are thick from belief; the walls are dense with illusion. What to do? Where to go? Some take drugs, drink themselves to death, commit suicide, or fantasize imaginary pleasures. Some go completely insane. Where to go?

Yet, Heaven waits beneath your feet. You may not see it or feel it, but the World of Light is with you and it can be contacted

right now. You have but to decide where you would like to be, take the jump into the Heart of God, and begin again in the company of angels.

Sounds too good to be true, doesn't it? How do you make the leap into Heaven on Earth? Is there something you have to give up?

Give up the world. Let it go entirely. When you are ready, your New World will embrace you and you will feel its nurturing strength and its consciousness as your own. You will not be alone either. You will be with others who have decided to experience a whole New World. You cannot have both the old and the new. You cannot have two worlds. One must be released for the other. And that is the great decision to be made. Until you can make the decision to release all attachments to the past and present emotional ties that have been your world of illusion and often, deep pain, you cannot enter the Fifth Dimension where God and man are one. The passing into this dimension is your gift to your Creator who beckons you to "Come."

Once the decision has been made within your consciousness, your soul moves toward Spirit. In this movement to Spirit, the unifying factor of Oneness (divine order) has been established. The false world of illusion, of separation from God, drops away. And though you may reach out again for the old world and its ways and laws, it will not be there for you. You must enter the New World, the Christ Dimension, without fear, as the joining of your soul and Spirit have dismissed any other choice!

*Leave now the world of illusion, My*

*dear ones, and come unto Me. We are not separated. That was the lie and the illusion. Let the illusion pass from you. I have released you from the illusion by My Atonement and My walk on earth. I have come that you might stand with Me in the World of Light as Solar Consciousness.*

*The Land of Light awaits you. You are in good company for all will come. I have redeemed all in Me. Heed the Minister within your own Heart. I AM calling. Be now with Me in My name. Sananda*

From the Temple of Sananda  
Vol. 1: 70

You are preparing for a great change to alignment with the Creator Son. The Solar Union that will be permitted now has long been anticipated. Your Christ energy within you rises into Light that will blaze forth and give benefit to all who ask and are ready. Seek not the world, but seek the Kingdom within your own heart. You are the Light and in this way will you be the Immortal One.

## The New City Of Light and The Madonna Program

*Continued from page 6*

transformation of one, now we are ready to see the transformation of many into the Christ or Soul dimension.

The major jump now is a leap from a sense of humanhood or personal sense into soul consciousness. And it's not just one person that will be doing this! We are shifting a whole group, a compatible energy field, into a whole new rhythm and a whole new dimension of identity awareness.

So there is a dark night in that transformation because we as identities move into group awareness and primary group responsibility.

Frequently, the individual on the spiritual journey may still be concerned with the personal self (or ego). How am I going to make it? How am I going to live? Am I spiritual enough? Have I passed initiation? It won't matter at the level of the soul, the solar level of divine love. At this level of awareness you are reunited with those of like soul vibration. All personal concerns are dissolved in the awareness of unity within the group or service to the Plan of God. (More in The Master's Papers, number , on group consciousness and the disciple's alignment with the Master.)

In group consciousness you create a soul body that serves the Ashram of the Master and the power exuded from that body is many times more effective than that which can be done as a single unit or person.

### **A New Awareness**

In soul consciousness you are integrated and a part of the Hierarchy. The cares of the material world are diminished. You are absolutely one with Hierarchy.

We are looking at a shift into soul consciousness. Humanity - all over the earth - is preparing as a body. We are being alerted. Perhaps a deeper meaning will come to us of the landing of the Hierarchy and the dedication to the reappearance of the Christ. The Christ being that soul consciousness, that soul level of the group experience, which is coming to earth.

(Often the name "Hierarchy" is confused with phenomena. The Hierarchy of Great Ones, of World Servers, are those who have reached God Consciousness and have chosen to come back to us to assist us in our rising awareness of the Truth of Being. Hierarchy, then, must be God's government in the many dimensions of Being who serve as light, life, law and love. - Crystal)

## DO NOT CONFUSE THE UNFOLDING PROCESS

*Continued from page 2*

Peace within is the Child. Radiant and Supreme. The "golden Child." The Christ.

Wherever you are, in whatever capacity you serve: Remember that Child. For the Child in you will be born. Such a birth could liberate the planet and bless the fold.

What a day it is when you discover who you are in Truth. Let the Child be born in you ... come into fruitful expression... God's SUN in you as I.

Keep your eye on the Child. Watch and pray that all may receive what is written here in the given name of the Jesus Program, after the order of Melchizedek.

Come Home, children, come Home. This is the second coming as the Child in you rises out of who you thought you were: divinely decreeing unto you who you truly are, as Life of God: Son Manifest.

Blessings,  
Crystal

## The Time Is Now

*Continued from page 4*

### **From *The GodSelf***

The New Testament Bible (John, Chapter 1) states "In the beginning was the Word..." We are informed at the beginning of that chapter that God is in the midst of us. If this be so, then Law has descended from Above and it will stabilize the land we walk on, this earth. It will create new circuits of energy and permit new creation as heaven descends to earth.

The descending and emerging heaven is the *world of light*, that which is bestowed by the Son of God. This frequency is maintained by the Order of Melchizedek and the Priesthood of Melchizedek....

From the Great Sun to the Sun in your heart is the divine Breath breathed. And the Breath is the Light of the world.

(Chapter 63, verses 2-4)

(Note *Entering the New Dimension*, is available through the University store as a spiral-bound book or as an Elective Course. Much guidance and helpful insights will be given in the lessons that will help to initiate you into the **N e w W o r l d o f L i g h t**. Go to <http://melchizedeklearning.com/cofifth.html>)
