THE UNIVERSITY PAPERS Volume 7, Number 18

Divine Supply

The radiation of divine supply, the I AM THAT I AM, vibrates from God, the Omnipresence. How do we reach the Consciousness and the objectifying currents of the Omnipresence? By mastering the art of surrender and the action of emptying to be filled. *It is My pleasure to give you My Kingdom, the Divine Presence tells us. You are all sons of Me and I AM the expression of you. We are One.*

Lift your thoughts to the highest mountain and there feast at the table of the I AM THAT I AM. You are called to sup (unite) with Me. We are the sacred Center of all life. Together We are One.

Abide with Me. God Consciousness as One Mind, One Power, One Life. You are created in the image and

*Now shall those who have
been covered be
uncovered,
And those who are ready
shall do their work.*

likeness of God. I AM THAT I AM. Meditate and contemplate on these words, for they will fill you with My Spirit and the solar consciousness of the Son.

Behold, I (Consciousness) have come that they might have life, and have it abundantly. (See John 10:10, George M. Lamsa Translation)

The Christ Seed, resting within your heart chakra, is My original creation, the "I AM" vibrating as the Son, the *outpicturing* (expression) of God. Hear now My Voice in you.

The Miracle Way

We are linked together as one body, one mind. We are not separate. We are One. If you were to read this statement rationally, without any awareness of the Presence of God and the Infinite Truth of Being, surely you would view what is written here as pure lunacy.

God Consciousness is One. It is not two or three; it is One. When you have made a place for Me, I AM. Then, from the I AM Presence will be the experience of that which is of the One. Jesus said, Let the eye be single and the body will be filled with light.

"Leave your nets," the Master told

his disciples, "and come follow me." "Where are we going?" "Home. I am taking you into the House of God where I AM."

Absolute Truth demonstrates the Spirit of Oneness. It is the Hour for that Spirit to come forth and deliver the people into the arms of a loving God, a God who sees only that which He-She has made and who says, It is good.

What did God see that permitted Him to say, "It is good?" God saw Himself. He made Himself into His creation. He called forth out of Himself the perfection of Being, the Image and Likeness of God. Then He saw the likeness and said, It is good. The Father-Creator-I AM joined with the Mother Spirit, who is the Reflector, and completed His journey of divine creation in one moment of time!

In the Science of the Absolute, which is the frequency and consciousness of Melchizedek, we restore ourselves, we cause manifestation of beauty and the riches of the Kingdom, by returning *consciously* to the One Presence, the "I AM."

The Lord has told us, "Seek first the kingdom of God and its righteousness and the ways of My Spirit will be known. Even the KEYS to the Kingdom will be yours in a state of Grace."

THE WORLD OF OMNIPRESENCE

continued from page 2

By emptying your mind and heart of the world, I can fill you with My Self, My Son's Life as you. I can fill you with My Be-ing where all creation is made in My image and likeness.

Go hungry that I may feed you. And life will return to you in a new way.

The closer the Spirit of God comes to you - your conscious awareness - the more intensity you feel of the Christ in you. You are the One in Its personification through you. Thus, as the Spirit Fire, Holy Spirit or kundalini, awakens and rises within you, the more you will experience the TAKING AWAY of illusion and all attraction to the material plane.

Your Decision Can Change Your Life!

For the initiate, all decisions are made by counsel with the Inner Voice. This is the course that all Melchizedek students are asked to follow, the way that Jesus taught. Jesus was the High Priest after the order of Melchizedek. (See Hebrews) Follow me. *My sheep know my voice.*

To deny the Inner Voice is to go against the Will of God and this does not bide well in your journey to the Light. Consciously seek the Will of the Father as the Master Jesus taught you to do. You will receive counsel and the direction will be shown. Always stay with your purpose as shown and designated by the Inner Voice. There is an excellent description and helpful aide to the alignment with your Inner Voice in *The GodSelf*. See pages 238-239! Live by your Inner Voice, *which is the Priesthood of Melchizedek.*

Make your decision by the guidance of your Inner Voice. Leave the world behind and all your worldly concerns when consulting this guidance. Then stand firm in your guidance and behold the wonders of God's world and His miracles! Be clothed in spiritual force and divine identity. Realize with this Voice you are the Consciousness of God on earth, a reigning Son of the Melchizedek Order.

The Melchizedek Center now materializing at Glorieta, New Mexico, will be a place where instant alignment with the Inner Voice can be felt and the ways of the Creator Son can be understand and furthered into all countries and nations. You are creating a new World of Light through this Center and its vibrant focus of Melchizedek. The door is open.

Give the authority to Christ within your heart and raise your consciousness to the Voice within that you may hear also the High Priest of Melchizedek, the Solar Son.

And your decisions will be in accord with My Spirit and the decisions of the Council.

Align with Me

You are at a crossroads. Which world will you choose? The World of unification and triumphant living or that world which you have been part of - believing in it - the world of illusion? There is a world waiting; the doors to this World are open.

Many are passing through now and are being greeted by their angel counterparts.

To go through the door into a World of the Presence, there is only one thing that you must do. *Relinquish the past.* No more is asked of you.

And you do not have to enter the New World alone, for an angelic counterpart will meet you and walk with you through the door you choose into a solar frequency, a solar light, a solar life.

Letting go is not difficult because *Greater are the gifts I have than any gift you have been holding onto. And the greatest gift of all is Love, a Presence of Love throughout all of My creation. Let go, child. I AM ready to take you into My Kingdom of Creative Power and present you to The Christ today. Will you come? So many have said yes, and then been enticed into their old world, a world not of My making.*

This coming World of Light is racing towards Earth. It is voluminous in content. The passage of Earth through this Light intensity removes any darkness and returns her to the Presence of God in all life. In this way is Earth reprogrammed and given new life in the Son.

All movement is towards light. All consciousness moves in that direction. The solar

A Little Background About My Own Quest

(You may want to write about *your* search for an abundant and successful life.)

Years ago, when I (Patricia Jepsen/Crystal) began in full commitment my spiritual journey, I stated quite firmly, as I recall, that I wanted to prove that God was my source for everything, including my financial security. I wanted to know that God was my supply - not a job, a person or a trust fund! And, to be sure, there were days when I wished I

could have swallowed those words, taken them all back! For I set my path at that time towards total freedom and release from a world I did not believe in.

This path has guided me through various metaphysical, spiritual disciplines that have most certainly increased my capacity to challenge the illusion and persevere in my quest for the Abundant Truth. I had wonderful inspirational guides such as Dr. Joseph Murphy, Emmet Fox, Mary Baker Eddy, Joel Goldsmith, the Master Saint Germain, Lillian De Waters, and always behind it all, ever pushing and prodding, was Lord Jesus, Sananda.

During these years, I have found and applied very successfully the principles that many of us are most familiar with. I also have discovered that when you focus - and your subconscious is cleansed and able to carry out your positive intent - manifestation takes place. There is no argument about that! It is essential in the process that you believe in the result. As the Master Saint Germain has said many times, *You must believe!*

Almost all of the creative circuits that have previously been available to us are derived from the male interpretation of direct manifestation. I am speaking of commanding, demanding, decreeing, even affirming. I am not saying this is wrong, only that we are in a New World frequency where the Laws of direct manifestation and alchemy have changed.

Suddenly, I could no longer create and vibrate the needs, necessities and visions I had for this University and its out-picturing!

I am going to insert a thought - an important one - before continuing. Here it is. *You must get beyond your fears before this New World Frequency can and will operate for you.* You must cleanse your subconscious of fear and replace fear with divine love, the FULFILLER.

Here is the LAW of CONSCIOUSNESS: *Meet all fear with UNCONDITIONAL LOVE.* Don't even try to bypass or overcome your fears because that won't work. *Go immediately to LOVE.* Practice - and as you do this, you strengthen the Heart Chakra, bringing it into the vibratory rhythm and ATTUNEMENT with your divine Christ Self! Hey, you don't have to go anywhere to find that Self, *you already are.* Letting go gets you there.

I will get back to the last paragraph in a few minutes. To continue my story: As I fumbled and stumbled in the new dimension, I made a discovery. What I am about to pass on to you is what I discovered in the vibrant energy field of the New World. And we will be studying this

continued on page 5

MAKING ABUNDANCE WORK FOR YOU I

discovery, picking it apart, looking at the "hows" and "whys," and putting it back together in all its simplicity. All right...Let's go!

You no longer need to command, demand or will your desire into fruition, or (oh, dear!) beseech the Creator to supply you with your needs. The MOTHER aspect of the Creator or the Creative Force has moved into the supreme expression and will govern all aspects of creation in the divine New World. If you don't believe this, try LETTING. Letting is a MOVEMENT and a RELEASE from the Heart Chakra. And this is what we will concentrate on - USING the Heart Chakra as the door to absolute healing, Letting the Heart Chakra display its powers through you! You are in the Garden of Eden. Wake up!

KNOW AND THAT YOU TRUST YOURSELF IN THOUGHTS AND DEEDS. (Reminder: Stop wrestling with yourself. Your subconscious mind and its indwelling Creative Power or Creative Spirit can't do a thing for you when you are tangled up in doubt!)

Feeling and Expressing Gratitude
RENEWS THE VISION AND SOLIDIFIES THE INTENT. "THANK YOU" IS HEART LANGUAGE, AND GRATITUDE OPENS THE HEART CHAKRA DOOR!

These four principles form the foundation for the New World Abundance Program. Please keep these in constant awareness as you derive your mastery from these four principles. *In other words, the Door won't open into the New World Principles if you are not living in unconditional love, gratitude, instant forgiveness and clarity of intent.*

Take Inventory

Are you ready for the next step! Of course you are or you wouldn't have joined me in this workshop. Nevertheless, take a look at how you practice these primary steps and have made the four principles a part of your life.

Check yourself here and give yourself a grade. Excellent? Good? Fair? Pay attention now. You are headed into a whole new dimension of releasing, letting and receiving through the Heart.

Unconditional Forgiveness

Unconditional Love
Clarity of Mind and Heart
Feeling and Expressing Gratitude

You are travelling to a place where you have it all - the Garden of Eden. The connection will be achieved by the union with the Heart Chakra and the Crown Chakra (Divine Substance). We will develop this process in the next few lessons. For now, please visualize your Heart and your Crown Chakra aligned in the World of Light to vibrate your needs and visions fulfilled.

As we continue - and you may experience this right away - you may FEEL the chakras connecting and the Spirit released that forms the need fulfilled. This is a real experience that you will become accustomed to as we proceed.

Exercise

- Look to the Heart and focus there.
- Then as your alignment is with the Heart Chakra - the Command Center of the Universe - be also aware of the pulsating Crown Chakra. They are companions in the New World of divine and infinite supply.
- Realize the Love that resides in your Heart

Center. God is Love. The Universe is filled with Unconditional Love as Divine Substance, the Manna of Life.

- Consciously KNOW in harmony with the Divine Intent that your need is being fulfilled. FEEL this action as it is taking place. Then rest in gratitude for it is done.

Suggestion: Start with the small stuff. A bill that needs to be paid, a job interview, the repair of a relationship. You will become more confident as you continue to practice and to release your abundant consciousness in this manner.

This is only a beginning. There is much more to be learned and shared in the Christ dimension of the New World.

Review

- Take inventory of the four primary metaphysical principles for living the abundant life.
- Clear and cleanse your subconscious mind of fear by practicing unconditional love.
- Release your abundance through the Heart Chakra. As you focus there in the Heart, Divine Substance located in the Crown Chakra flows into

and through the Heart into manifestation.

- Take pleasure in this New Life. It is yours!
- LET the treasures of heaven appear on earth through your conscious awareness of the Divine Feminine, Headmistress of the New World!

That's it for now.

Be abundant.

Note: This alignment process may be tiring at first. That is quite natural as you are exercising New World spiritual muscles. You are learning to USE your chakras and to break the mesmerism of the mortal world. God is blessing you with Herself!

“Be fruitful and multiply.”

frequency coming from the sun and the radiation of the sun upon your heart chakra enable you to receive the purity of Being.

Live prosperously. This means to live consciously aware of the Creative Spirit and the Will of the Father. To live prosperously means to be awakened by the Spirit to the fullness of the heart. Prosperity is not the outer show of goods and things, but the joyous and productive heart a-glow with life immortal. To live prosperously is to live with God as one.

You are the declared LIGHT of God. You are the radiance of the Creator Son. There is but one Life in Truth and the New World is that Life. Enter in and become a solar citizen. You are called. The desert is no more.

The Four Principles You Already Know

“Be fruitful and multiply”

These words in the Christian Bible, Old Testament, have often been taken to mean that women must have babies and lots of them! Of course, this was never the meaning as given in coded language of ancient scripture. To “*be fruitful and multiply*” pertains to men and women alike and the Creative Power that indwells both.

God's command to man and woman is to be fruitful and multiply. Multiply what? The God Presence! God appearing as! The solar level of Consciousness, which is “I and the Father are One.”

What does this have to do with letting?

To let is to release, to allow, to give birth. It is through the Christ Feminine that God's command will objectify *for the good of all*. The very base of your freedom and release from bondage to the material plane is in the realization that *you have it already*. All you have to do is *consciously realize* and then

release all that you need to fulfill your divine service on earth.

Conscious realization equals letting.

Every conscious realization you have is a birthing and act of manifestation. And unless you block or stop your realization once it has been made, that which you have realized is concreting itself and taking form!

To be fruitful and multiply is a summons to realize in your own consciousness *that which already is*.

All good, all beauty, divine peace and perfect love is waiting to be realized and accepted in conscious awareness. You have it but you don't know it. When you *realize* truth, you *allow* it to vibrate into your world. You *let* it take form.

Stay in the rhythm of Being.

To be fruitful and multiply is a call for you to realize God, the I AM Presence, in your consciousness *and let God appear*. This is the only way God can appear in Being.

God, the Creator, needs you to fulfill His-Her mission to know Him-Herself in all that is. You, man or consciousness, have been made (created or realized by God) to enable God the Creator to Self-actualize in His-Her Life as *God*. This is the meaning of I AM That I AM... *There is no other*.

God, Being, the I AM Presence, desires *and is impelled* to Self-create as beauty, wisdom, laughter, joy, abundance in all ways. *For AM I not Truth Itself?* And if *there is no other*, as the Code of Melchizedek tells us, then who are you?

Step into the World of Light or Conscious Realization by stepping into the Divine Presence and then *letting* the Presence, as your conscious need or goal, manifest. You are that I AM within the I AM THAT I AM. From this comes all else.

Stop trying to get money when you already have It!

- Now that you know and can consciously accept the Ultimate goal of God as Being, you can feel GOOD about letting your intuitive and purposeful desires and visions take form.
- God the Creator is with you, closer than breathing and nearer than hands and feet. You are TOGETHER in your act of manifestation, of God (Good) taking form through your consciousness as you LET and AGREE with the divine thought.
- Remember the Code of Jesus: *I and the Father are one*. You have become that Code by letting the will of the Father be manifest as your will.

The Exercise, What Happened and Why

The goal was achieved, as focused on, by the evening of the 1st. Exactly on time...We were to LET the abundant expression of our God Consciousness objectify the assignment. And it was stressed that each one participating needed to *realize* the all-inclusiveness of the abundance as consciousness, so that all would feel and experience that abundance!

Yes, donations came from some of you and were the result of *everyone* in this workshop realizing *at the same time* God's infinite storehouse of the "golden wheat."

What we are learning from this exercise is to *impersonalize* divine supply. In Truth, or God Consciousness, there is one Mind Universal. **This is the Key to Be-ing.** And when the world in all its illusionary effects is washed clean from mind and heart, then what you realize in consciousness is heaven

on earth. This is what real spiritual healing teaches us.

The Master told His disciples, "Physician heal thyself." (I wonder what would result if our doctors today would practice this?) Jesus also taught us to take the beam (of wood) out of our own eye before we tried to see and remove the splinter in someone else's eye! In other words, as we practice the spiritual discipline of abundant consciousness and spiritual healing, keep in mind the words of the Master. *CLEANSE YOUR MIND AND HEART BEFORE YOUR DEMONSTRATION AND I WILL BE THERE.* You see, when the world with all its illusionary forces is no longer a part of your consciousness, then there is only God in His-Her state of Grace as infinite supply.

Claim Your God Consciousness

There is one World and that World is the *solar union* of all life in oneness with God or Being. Unite with that Life—God in expression—and you have it all. You own nothing, yet you are everything. And this makes you a Son of God, who is entitled to all the riches of the Kingdom. The parable that Jesus told of the Prodigal Son is the story of consciousness reuniting with God. It is the story of the GodSelf and the relationship we all have to that infinite One who is God in Man (consciousness).

Send no thought of lack to your system or it will produce lack. Let the divine supply of infinite Love and Life declare itself through you.

How to Release God in You as Continuing Abundance and Instantaneous Healing

See the waterfall of divine supply *as your consciousness.* Hold this picture in your mind and heart. Continually SEE this opulent outpouring of God Be-ing: Infinite Supply without beginning or end. Demonstrate!

§ You are the receptacle and the recipient of this continual supply loosed into expression *because you see it, agree with it and LET flow.* No resistance here. It is for the blessings and the benefit of everyone.

§ You are here on earth to release this supply of Christ Be-ing and to demonstrate the restorative light of the Creator, as She flows through you into

continued on page 9

MAKING ABUNDANCE WORK FOR YOU III

continued from page 8

expression answering prayer and generously supplying those in need with heaven on earth.

§ God and you are one, remember this. You are everything and have everything in the light of this moment—this moment of your realization of Good.

Practice the above awareness for a week. Make notes of the results of your putting into practice these studies.

Peace and Love be with you. Rise out of the world now into Light where I AM.

Prosper and be wealthy in the Plan of God. Then you will bless many because I AM One.

Your assignment is to spend this entire week in prosperous and abundant consciousness. The treasure house is full, divine substance waiting to be objectified.

Open the door - Let it pour!

- Now you are living with God and God is with you. “Divide Me not” is the eternal command as you “take up your bed and walk” in divine union with your Creator I AM.
- *Let* the creative process emerge and “Be fruitful and multiply.” This will produce a beautiful Life for all with whom you come in contact.
- You are the bearer of His Light and His glory.
- *Those who understand My Message will begin to act. Let Me show Myself now in purity and goodness.*

Note: A number of years ago Jesus told me, “All this path is about is a change of attitude.”

“Be fruitful and multiply”

What does it mean to “be fruitful and multiply”?

To be a vessel of God Consciousness which *lets* the wonders, miracles and everlasting opulence of God Be-ing express.

This is your calling, the reason you are here on earth. It is to reveal God's Grace and omnipresence as abundant Life right now.

God *wants* you to vibrate the Kingdom of God Consciousness and allow the perfection, beauty and glory of God to be your world and your life.

Can you do this? It just takes a change of attitude, that's all!

WHAT READERS ARE SAYING...

"People are having such profound experiences through this course. It makes this new reality more palatable. Thank one and all for these rich experiences."

"Got a few calls from someone who needed counseling. I used the four principles from *Living the Abundant Life* to assist the person with what they were looking at. It was a wonderful foundation for a very good session. They are very practical and can be used in a variety of ways. For example, I recommended that this person write down every negative experience she has had in relationships and use the first principle, unconditional forgiveness, to release the past. I was able to interweave the other principles throughout the conversation. Can you imagine if therapists could grasp these, they would get incredible results."

"...And yes, I have enjoyed, and will continue enjoying, the Abundance course."
