AUTHORITY

(THE MASTER'S PAPERS Number 110)

I have given you My authority that you might use it.
You have been entrusted with My Father's Light, the
Indwelling Adjuster.

The power of My Name is your power,
as you give yourself to the Father-Mother God in joyous
reunion.

My sisters and brothers, I have anointed you with My Covenant and given unto you the Golden Flame of Sananda. Use it well. Be one who is privileged to use My Sananda Light, as God's Work is to be done through this Light. As keepers of the Light be not afraid to use it and to encourage others to decree in My Name.

Your inertia body is waning. I AM betrothed in you and all that essentially is Mine is yours in My Solar Flame.

Accompany Me now into the Vibration of The Son. I would have you with Me, beside Me, as a helper within the Christ Body of Light. We now must function as one Body without hesitation.

Your authority is My authority. We are one. In this vibration of holy Grace I AM, we together will take possession of Mother Earth in the breathing of Light. I, Sananda, speak assuring you that what I say is true. I have no other hand but yours. I have dependence on you, even as you have dependence on Me. Is that not one?

Listen to the Christ within your own heart. And all shall come to pass as I speak, for My Word is not in the future, nor does it pertain to the past. My Word is NOW. Resurrection is NOW. It is critical you understand this and forget the lost world of duty-bound mortals.

Therefore, I, Sananda, give you My authority to speak in My Name for the advancement of the human race, the purification of the soul, the healing of the Earth. I AM now with you, as Planetary Resurrection begins! I shine My light to you that you might be free of burdens.

Glorify The Son as you will be witnessing Him.

Heed the message of I AM. For The Son is both God in you and the Center of Light for this planet.

Now straighten to the task. Be not wooden in your feelings. Embrace the light. I come now as full authority of The Christ. I, Sananda, bear witness to this.

Enter now the world of light. The purpose of My Visit is to show you the way into the full Body of My Word.

Sananda, Jesus,
The Planetary Prince for this Earth

The Ingathering and the Rapture

(SOLAR NEWS Volume 5, Number 3)

I, Sananda, have begun to gather up My children and My People of Light who are ready to receive Me. Once these ones are touched by Me, they are changed in a twinkling of an eye.

Those who will be touched have already been given a mark on their brow that signifies they are to be lifted. They will then return to earth and receive others for Me as the Rapture begins.

Released of the flesh, those who are touched will feel their freedom. They will know that I have touched them and they will have My power within them as I have given it.

It is by My authority that those I have touched will come and go. They will teach and they will supply. They will cover many with My vibrations and heal

In these momentous times we would like to acknowledge the amazing and wondrous work of the entire Lightworkers' network.

FIND YOUR VOICE!

(SOLAR NEWS Volume 2, Number 28)

Keep your global consciousness despite the enemy appearances.
THERE IS NO ENEMY IN ME.

Throughout the ages I have sent My Self as Teacher, Avatar, and even Son of God. I have sent My Self to you that you might be drawn up out of the maze of politics into the golden light of the true Christ.

We are not separate, you and I; we are one. Yet, that oneness looks out through a cloud of illusion. What might you do to clear this cloud? How best might you serve?

I would call you forth out of Me as a chosen light to bear witness to God's Love and His holy grace. Those who follow the masses, who drink of the polluted waters of the world, will be taught again of Me. They will not ascend, nor can they be Christed.

Let Me hear My Voice in you. Let your Voice be heard. You have been called to walk the path of peace, of divine, unconditional love. Be clothed in the power of God after the Order of Melchizedek. Walk skillfully on earth. Believe no one that speaks of war, the murder of the innocents or the mass destruction of homes and villages.

The power that Gandhi taught, the power that Martin Luther King demonstrated, is My Way. I have no other way but this. I say to you, Walk into your enemy's land with peace in your heart. Wear the armor of light. Give My love to all and change not My ways.

I have given you, My disciples, My love that you might carry it into all My lands. You are headquartered in Me. I have trusted you with My part. And Lo, I AM with you when you do this.

Let Me hear your Voice. Speak with the nature of the Christ. Overwhelm them with the love of Christ. I have not come to wage war, or to benefit a nation. I have come to reseed My land in Me. Thirst not for power, nor give your thought to riches. I have come to set you on your feet. I have come to light the world and to give this world a *new order* of divine love.

Therefore, be not one who believes in "man whose breath is in his nostrils." I have come to demonstrate *through you* the power of My love and the triumph of My government on earth

Stand with the enemy and be his friend.

I have spoken.

Lord Jesus Christ—I AM Sananda

STAY WITH YOUR FIRST DECISION

(THE MASTER'S PAPERS No. 53)

Creative action is determined by your stability in the idea.

Once you have made up your mind to take action, stay with it. Your determination ignites the fires of your creativity and connects the Creative Energy to the determined goal or outcome. (Once you separate yourself from the goal, it is gone, not with you any longer. Stay with the original decision!)

If there is a correction to be made, a change, make that change as creatively as the original thought/idea was conceived. Never waiver. If you suddenly find that your first action or goal must be changed to fit a new pattern, make your change without dropping your first determination. Just shift gears but stay in the car!

There will be no hesitation then, the Creative Energy will keep moving.

If doubt, confusion or negative thinking is introduced into the rhythm of creation, you may hinder the Creative Energy from its ultimate expression. You may block your goal.

Be strong in your command. Believe in your vision. And if you have to change direction in midstream, do so as powerfully and as deliberately as when your first decision was made.

AnAddedTip

If you receive your idea as "inner guidance" or from the "inner voice" and you decide to follow that guidance, then take responsibility for your acceptance and agreement with this guidance. It is yours now. You come to your own power in it.

No one is telling you what to do, what action to take. You are your own person. Let this shine through you and be powerful in what you are.

With continued blessings,

K.H. and Crystal

THE GOLDEN AGE

(THE SPECIALS Volume 5, no. 4)

What I have said, I will do. I will lighten your load considerably, I will heal you so that you can walk with me unhindered by the physical and mental bodies. I will stand with you as the crucifixion melts from your flesh. I will so give you my thought that you will know my will. I AM the Word Incarnate and as the Word, I AM fixed upon My Father's will and His declaration of release for the planet Earth.

I will cleanse you to begin your new work with me. At this time, physical and mental efforts are to no avail. I AM present as the Wayshower, as the Planetary Prince of the Earth, and through my presence is come a golden age.

If you will walk as I have walked and be as I have been, all the angels will lift you into a new embodiment—the Christ Resurrection. Let us walk together, you and I, as examples of the truth. And as ones who are willing to walk in this way, I will touch you and free you from karmic ties and broken dreams.

I have come that you might be one with the Father. I have come that you might live in joy, in peace. I have come that the Earth might be released from the turmoil of the mortal life.

There is no time left. I AM amongst you as the Second Coming of Jesus. I AM Sananda. And I AM The One.

The roll of drums can be heard throughout the universe. There is much rejoicing as neighboring planets drink in the Master's emanation of Great Light. Behold the Light within yourself! This is the Second Coming.—Crystal

I Have Come

(Excerpts from THE UNIVERSITY PAPERS Vol. 6, Number 12)

These Records, which are given through the Order of Melchizedek, are by consent of Father Melchizedek. They are breathed upon this planet now at a rate of vibration that you, as students of the Melchizedek Order, can absorb. These Records are basic units of cosmic power that are filled with information, very much like code cylinders. These units of energy act as a gateway into new life and worlds of illumination.

The "I AM presence" is the place where your consciousness meets the Christ and where heaven meets earth. If you know your self, you know the I AM. You are present with Me and you have the power to come and go. You lead, not follow. You listen to the Inner Voice and take your instructions from that Voice that is, in Truth, the Lord thy God, your Higher Mind, the Christ in you. Be still and know that I AM God and receive from this place of light intended all that you need and require to fulfill your mission on earth and in the regions of My love.

Live triumphantly as Saint Germain has taught with the gift of I AM. You have the power to be all that you wish to be, to align with heaven and greet the earth with My Presence. You have the power to bestow upon others the radiance of your Christ Self, your Christ Light.

Decree from you own Higher self, the God within. You are the sacred center of your own being and you know your part.

Leave the mortal. Vibrate into the Christ Consciousness I AM. From that God Center let the words of the I AM Presence form. Then decree and your light will shine. All decrees begin with the I AM, statement of the Presence. The Devas of Form will respond and they will form that which is spoken and decreed.

them by My love.

He who is given My authority and walks in My Will will stabilize others in the Christ dimension. That is My promise.

My hand now reaches forth and I will touch you as you are willing. For this time has been created for My entrance and decree. I have come to bring light to My darkened planet

and I shall not leave until she is a bright sun.

This is My word.

LISTEN TO MY VOICE

(THE SPECIALS Volume 4, no. 34)

The inner voice carries My Spirit. And the sound of your voice in Me is creation.

When I speak in you, I AM and My voice will be heard. In the Priesthood of Melchizedek, voices are of Me. They intone My words. Learn to think with My thoughts, to speak with My voice, to join forces with Me in every way so that you might rhythmically proclaim the Order of Melchizedek.

There is misuse of sound; now correct that. Let the sound of My voice be heard. All things patterned in one way can be changed to another by sound, and in this way do I change My universe and so clothe you in the new world.

The minute the sound of My voice proclaims itself, it is heard and all matter is subject to it.

In the sound of My voice, you alter frequencies, change the patterns of life now existing on this earth. Every particle, molecule, atom can return to the God Center by the sound.

As you listen to the sound of your own voice speaking My words, divine thinking, listen to the pattern of the sound. Keep in mind the positive and negative. The poles within must be in perfect harmony to speak the word of God as spiritual sound. This is the voice of a master revealing itself to you as you learn to speak to the particles and atoms, rearrange them, the molecular structure, by the sound of your voice, by the perfect agreement of the poles within as they play upon My creative power and redistribute energy.

What have you done with My sound, oh My people? Bring it forth from the temple of God after the Order of Melchizedek. Sound makes of itself stones and bricks and mortar. Sound is God building and realizing perfect perfection in every particle of energy.

Seek My inner counsel. Look to Me as your heart-mind. Then speak My words through you as the God would speak them in perfect harmony as sound, and realize the force is met with agreement and delight as angels build with you a new world order of My Son.

Sacred sound is now your task, so be about the Father's business of vibrating out of yourself harmony, peace and joy in the God Center of your being. Keep the sound in perfect harmony with Me as it floats out of you to change the earth and heavens too.

Try now to be aware of the sound of your voice and the

rhythm of your soul, as you contribute as an energy builder to the creation of a new circuit of energy that is of this order.

You must guard this energy, precious as it is, sacred as it is, and never speak one word lest it be of Me in the holy sounds of the Mother.

Important Notes on Sound

- ✓ The ascended masters speak only in the coordinated sound of the Creator. That's what we expect from you now.
- ✓ You can alter creation by the sound of your words.
- ✓ And if necessary you can dissolve the world entirely by the sound.
- ✓ No hiding behind hair ribbons and tricycles now.
- ✓ You emit solar energy that will heal the earth and golden spheres can be recreated by your voice.
- ✓ Stand in balance, in harmony as two poles in One. Then let the creative power rise to meet the Word. Build of the light.

Hear the Divine Voice of Be-ing within you, and create out of yourself the light world by your Voice. Your Voice is the creative energy vocalized. God voices His-Her Will through your throat chakra (center). It is when you are in positive ascendance at one with My Will that My creation is formed.

All the training before is in preparation for this. God's world is to be built by you. Take up the command post I have set you upon.

Place My sound as you would seed the earth and know that that which is given will come forth.

Now I'm giving back to you what was taken from you. Guard it well. And know that these words are for initiates only. You are not bound, but free. My Spirit hovers to be known.

God created by sound. And so will you.

—Crystal

The Emergence of the Christ Within

(THE UNIVERSITY PAPERS Vol. 7, Number 3)

Now shadows fall upon the earth as the Creator Son emerges and begins His walk.

And now from the Mouth of the Creator is the Sound, the immaculate Sound of all creation as One.

Be not fearful of the events to come. You are protected and given Life through the Magisterial Son and Office of the Christ. Will you accept this Life of the Christ within you? Will you take up your divine Sonship and begin your journey as a full initiate in the Order of Melchizedek? You have come to do a great work upon this earth and have been given a sacred embodiment to fulfill your destiny. But you are to work with others as one body, a unit of Creator Potential. Once you have grasped this and are willing to become a Solar Son in partnership with Michael Sananda, the way will open and you will find your path with others much like yourself.

The Light is blazing within your heart chakra. That Light is your own Being as the God Center you are. Behold this Light! Let the Christ come through and express as your Solar Self—the Son/Sun. Begin!

Rise and Be Counted

Those who I have commissioned to be with Me are feeling the Christ within as the creation of the circuit of New Life. This Christ Within is struggling to be known. It is this that can cause discomfort and even fear. Those who have been experiencing this fear know of what I am speaking. This is the fear lodged within the reptilian brain. When you are governed by animal fear, the heart-mind and the frontal lobes of the brain will not be active. This is a pitiful sight to see—when God's beautiful creation, Man, subjugates himself to a lower, tribal feeling that masks his radiance and confuses his fire. Do not succumb to this fear. I bestow upon your Self—the Christ Within—the divine powers of the gods.

There is no place for fear in divine love. Rise to the secrets of Divine Love, the mighty power of the gods. When Earth was shaped, she was shaped in Love. And those who have come to Earth to serve in this Christed Hour should remember to love without condition and radiate this love, as I did when upon this earth. Be the embodiment of Love. That will change the earth. She will graduate to the spheres of Christ dominion. Awaken, My children, to love!

If you will embody this Love for Me, you will be the Christ and all the heavens will obey you.

Take no enemy. Your present governments teach hatred and seek to make you afraid. They declare who is an enemy and who is not. When you love in the manner that Jesus did, you are in complete harmony with nature and you will not take an enemy. There are no enemies in the Father-Mother's love for creation. To embody this kind of love takes courage. There are few who will agree with you at this present time. Be strong and I will send others to you of the same liking.

Be conditioned no longer by those who seek wars to resolve conflicts. Take no land for your own. Listen to the Christ Within, and you will find positive energy to guide you.

God's restoration of this planet depends on you, as well as others like yourself. Messengers of Light, return to the Center where God is Love, a Mighty Sun, a Creator Son, who is now moving toward the earth even as you read.

Demonstrate the Love of God as Easter comes.

The Eternal Flame and Solar Light

The Christ Within you is connected to the Eternal Flame. It is this connection which is to be ignited and brought forth as a Solar Unit. We are in a time period of collective unity. The Master divinely inspired this when He called on all to follow Him. This was the centering process for the Crystal Flame of All-Being. He, Jesus, as the Creator Son, was calling into manifestation the Christ Light of the Solar Son.

The spiritual fire, or energy within your heart chakra, contains an element of the Eternal Flame, the Christ Flame of the Universe. And it is here in your heart that you must go to reclaim your destiny. Anchored within your heart is the Solar Universe—Its Christ Light so bright that even the angels must shade their eyes. Go there.

I have suns who have not been lit.

I have hearts that do not know love.

These are likened to empty universes waiting to be filled.

The heart center is the passageway into the Kingdom of God.

And Unconditional Love is the merkabah that carries

you to the field of My original Intent.

Be ye restored, My creation!

I have joined you that this might be.

Reclaim Your Birthright

The following was first written in a recent Solar Chart and then included in the book *Changing Form and Living in the Light*. I feel it is so important and vital to our understanding as conscious beings of Light that I add it here.

Let God become your Be-ing. Spend moments in

Continued on page 7

The Emergence of the Christ Within

becoming fully aware of God expression through you as Be-ing. You may not at first feel the flow of divine energy within, but as you acknowledge that energy program it will actualize for you as immortal life in expression now. This program, entering the planet as the New Reality, will become far more familiar to you as you practice letting the divine energy move through you as the Blood of Jesus, the Vital force of the Master.

Within these few sentences is a creation of a new circuit of energy, a field of divinity, which you are entitled to claim. Meditate on these words. As you do so, you will experience remembrance. Reclaim your position in Me and light the Earth with your God presence. I have need of you. And if you are willing, we are One.

Angels at Your Side

The higher frequencies offer angelic companions and partners in direct manifestation and healing work. Much of the environmental degradation can be corrected as you align with the higher energies of the Angelic and Deva communities. Those who are unfamiliar with the immense possibilities and potential of a union and communion with the invisible workers can find much information through the University (see *Angels in Waiting**).

Include the angels in your thoughts and in consideration, for angels like harmony, beautiful music and joy. Most of all, the angels are here on Earth to assist in the new creation and the transition for our planet. Lift your thoughts and your feelings of praise and gratitude to the angelic frequency where all are one. This is the place where miracles can happen and often do!

Earth cannot be saved or rebuilt unless the angelic kingdom and the "little people" work with you on this assignment. Remember that you are in partnership with all life on this planet. There is a degree of partnership you are learning as you begin your walk in solar fields of divine life.

Give your thoughts back to God, so that God can think divine life and behold His creation as His own Be-ing: the total Son. Let the past be gone. It has no part in Me. I AM That I AM after the order of Melchizedek.

* Written by the angels themselves, *Angels in Waiting* is available from the University. Cost: US\$35 plus postage for spiral-bound book, 88 pages, 8-1/2" x 11" with some color photos. See <http://www.melchizedeklearning.com/coange.html> for additional information and a selection from the book.

A TESTIMONIAL

I was selling my house in Maleny, Queensland, Australia and preparing to relocate to Nambour, a small but pretty hinterland town about 18 klms from the

Hear My Voice

(SOLAR NEWS Volume 3, Number 32)

Perhaps the strongest and clearest voice we have heard in the past week and months is the voice of Nelson Mandela. Listen to this voice for it is My own. It is the voice of Truth that dares to speak among men.

Nelson Mandela has been tested for this moment. He is speaking in alignment with the Christ Self and has the courage to permit that Self to cry out "Enough!"

Note that as I began to write this edition of The Solar News, I was surprised at what came forth. Because I have had over thirty-five years of training, some most taxing and trying, I know the Inner Voice and my alignment with Christ Sananda. And so I give you this message now. Truth is often uncomfortable. Words can hurt; they can split the atom, but in doing so, a new world may vibrate forth and a new humanity born of love.

The grand model for me and for many is Lord Jesus. And he was very specific in his instructions. Blessed are the peacemakers... Turn the other cheek... Fear not, it is I... Take no enemy... Love your neighbor as yourself... Forgive and ask forgiveness of others... The Father within does the work... Seek and you shall find... Resolve your argument before going to court...

The greater discipline of unconditional, nonjudgmental love is the Master's call. Who will follow My call, he asks. The call is not always comfortable to bear but it is the way to freedom. Freedom is not won nor is it preserved by conflict, by taking up the sword, or by bombs and the killing of precious lives.

Govern with compassion and love and hurt not another.

Therefore there can be no bombing in the Law of One.

The full power of My Being rests in Divine Love. I AM ready.

beach. It was quite beautifully treed and had a lovely creek running through the northern part of the town. One late afternoon I arrived from Maleny to find that the residents of the hostel where my mother lived, in Nambour, were all at the evening meal, so I decided I would just drive around to see if I might find likely houses with "for sale" signs while I waited for her to return to her room.

Not knowing where I was going, but following my intuition I travelled up and down quite a few streets until I passed by the local hospital above the town. Following on from there I turned into a terraced street and thence into Webster Road. As I began my descent, from within Inner Voice sounded clear. "Look for the white house." I looked up and there in front of my eyes was the white house with a for sale sign outside. The whole exercise took about 15 minutes. And I knew, whatever its condition, that this was the house allotted to me for this time. It has been a perfect choice. Thankyou Father/Mother. Nancy, Australia.

TESTIMONIALS

I received a frantic phone call from my ex-wife yesterday. She was overly distressed. She told me I had to get into my car and drive the hour to her house, pick up our daughter who was “making trouble” amongst her friends and their parents in the neighborhood, and bring her to live with me for a while until we could figure out what was going on. Immediately I aligned with the Inner Voice while listening to her crying on the other end of the phone. I was clear I had to make the trip, but not to get my daughter. . . .there was something else.

Within 10 minutes I was in the car asking why I was going and what I should do. The thought came, “You are on assignment” and that was all. As I drove the hour I stayed aligned and alternated between asking again and again, being still and listening.

Ten minutes from their house I found myself pulling the car over into an empty parking lot and reaching for my notebook as the energy increased. Then I wrote the following. “You will mediate a community building session and negotiate a cease fire. You will begin by setting the guidelines including: only the person holding the eagle feather could speak; no interrupting, no blame, no leaving the circle. First gather all the people involved, get their opening statements, outcomes and common ground. Then, pass the feather around the circle and each one will respond. Next you will mediate the responses, looking for the common ground, negotiate, reach compromise, set and get agreements.” I pulled back onto the road and continued the short distance to the house.

Upon arrival my ex ran out, scurried me off and we sat out in the yard as she explained what she saw was going on. I asked a lot of questions, we talked and explored ideas, strategies and options. It was clear to me something more was going on, that it was emotional, fear based and not in recognition of the Light. I held the space and kept checking in.

The next 7 hours passed very quickly, in slow motion as I watched time stand still. The thought kept coming, ”Just be with whatever shows up.” As I bore witness to God In Action, all the involved parties, about 10 in all, came and went, in and out of the informal backyard circle all afternoon and into the evening. Unlike how I had thought it would happen, they just kept appearing and returning to their homes, chatting with one another along their ways, talking on their cell phones, returning in different pairs and groups, nothing I could have orchestrated. It was perfect.

For 7 hours I sat as they came and went. There were conversations, breakthroughs, understandings, emotional healings, tears, a couple of freak outs and finally hugs and agreements. Someone brought me a plate of food and I sat eating, talking with my ex-wife and my beloved daughter. We laughed. It was not like my ex had thought it was, it was nothing. My daughter stayed at home. She played one last game with her friends in the street as it got cold. . . .and slept comfortably in her own bed. It was nothing.

Hi Crystal,

I have 2 very recent experiences I would like to share:

1st: Just 2 days ago I was feeling very flat. Tried to think of things I could do to change this feeling, but nothing, absolutely nothing, appealed. As I began to feel even lower I sat and tried to meditate, but nothing happened. Feeling even worse I just began to cry and said to myself 'What is this all about?' Then I heard the Inner Voice: 'Go empty to be filled'. At this the tears flowed even more, but this time in gratitude. I was then aware of a strong, loving energy flowing through me. It was definitely divine! I felt so uplifted, so connected. Nothing else mattered any more.

I didn't need to 'do' anything. This energy stayed throughout the day and the night.

2nd: The following morning, feeling so full of Light, I was aware of the Inner Voice but this time in a different way. I was aware of a few bars of a song which I had to play over several times in my mind until I became aware of the title - 'Lady Madonna'. The Mother Energy. I sat in meditation and was filled again by such a beautiful energy and this, too, has lasted. Later that day I was prompted to read a book, but not sure which one. Went through several of them until I came to The one. The title? It was the University's publication 'Entrance of the Mother Spirit and the Creative Power!' Such synchronicity, such guidance. I felt so happy, so grateful. I could only manage a few pages at a time as the energy was almost overwhelming at times but I am still persisting. I pray that these few lines may help and/or encourage others on their Journey.

With much love, abundance and gratitude to you and all the Masters and the University of Melchizedek.

TESTIMONIALS

For the last 40 years I have been conscious of the unseen protectors (angels) and how they have guided my life. When I moved into my home eight years ago, Archangel Michael's picture (drawn by hand) was nestled in the corner of the cottage closet (2nd building on the property). This was an affirmation to me that Michael was the angel that brought forth the purchase of my very first house. At the time I saw my house it was in escrow but I said I wanted to be on the list in case it fell through. It did, and since then the property has been my easel as I have landscaped and returned it to its original beauty. The town Paradise is at the foothills of 2000 ft and has many wild forest animals that entertain my day.

All through my life by staying daily in an attitude of gratitude my needs have always been met and then some. Recently I found winter boots on sale at 70% off...these are things I am thankful for as I am led daily to the perfect place for all my various needs.

I have also used personal astrology to give a forecast on things to come and in earlier days to show my weakness and strong points. Staying aware of yourself and your surroundings can be magical and exciting. When my mate moved on, the "touch lamp" in the living room would come on at odd hours of the night and still does. This is comforting as I know Michael is with me and I feel the warmth of Love.

This is an important time to be headlining and featuring as our theme the Inner Voice. The new president of the United States has been quoted that he listens to his inner voice in this selection from this article about -

The Spiritual Dimensions of Obama's Leadership
by Gordon Davidson and Corinne McLaughlin
(November 2008)

Spiritually advanced leaders like Obama follow an inner, spiritual compass and they lead from the inside out. Obama has been very open about his inner spiritual life, as quoted in a remarkable 2004 interview with the Chicago Sun-Times before he was elected Senator. He told the interviewer, "The biggest challenge, I think, is always maintaining your moral compass. Those are the conversations I'm having internally. I'm measuring my actions against that inner voice that for me is audible, is active. It tells me where I think I'm on track and where I'm off track." He continually asks himself, "How does this connect with a larger sense of purpose?"

He also said in the interview, "The most powerful political moments for me come when I feel like my actions are aligned with a certain truth. I can feel it. When I'm talking to a group and I'm saying something truthful, I can feel a power that comes out of those statements that is different than when I'm just being glib or clever."

World Mother Scripts (Vol. 3: 74)

Listen to the still small voice. You will hear the voice of your own higher self speaking and guiding you. Listen. For there is much to learn and much to remember. You have knowledge that will help the Earth in her transition and help the human beings as they ascend. Your power to listen could save lives as well as your own. Hear the Voice within for it will guide you swiftly to your mark.

A Message from Sananda (Vol. 3:45)

I have been asked to reprint the following message given when I first moved to Mt. Shasta. After reading it, the new message follows. —Crystal

Star Children, Come (Vol. 2: 45)

This time you will find the Light, not only in your heart, but within the whole planet. She is to become a star of Supreme radiance that will echo far and near the Truth of Being—that all is of God and Harmony of Spirit. We will transfer you into a higher realm of Light where you and the Planet will serve as one. Believe on this. It is true, my brothers and sisters. This IS the Second Coming and IAM the One sent.

Sever all connections to the old world. It is fastly disappearing. Behold the Light! And join with others like yourself to form a New World Community. For now is the Time of Transformation.

Focus on the NOW, not on what will be. In living in the Light World now you will actualize it and bring it into alignment with the Earth and her people. The following is a command that may be said many times a day for the next few months: Be at peace My creation. All is well.

I stand in the new World of Light.

I stand with Christ as the fullness of my being.

I breathe the breath of the New World.

IAM covered with greatness, empowered by the Holy Spirit, and blessed with radiant health and abundance.

IAM the Sun awakening the planet.

IAM the Light within my heart.

IAM that IAM!

In peace and power I reign supreme, the Christ returned to Earth..

The Temple of Sananda (Vol. 1: 1)

A Proclamation

The Holy Spheres of Light are officially turned on. My Temple has been fixed on Earth, and Earth is now in My hands. IAM The Solar Son and your Planetary Prince. We are not separate, you and I. We are officially One, a City of Light has been restored living as one body within the Christos System of governance.
