This Planet Shall Be Ruled by Love

SOLAR NEWS Volume 1, Number 22

This planet must be ruled by Love. This cannot happen if mankind is punished for his wrongs. The loving hand of the Father must be realized to bring peace to this planet. The following mandate is being issued:

Peace.

God's word is to flourish, for the Kingdom is come.

The mountain has been reached.

The Solar Logos cries, "Enough!"

Man has suffered many times—There is come a time of no suffering and repentance is no longer needed. There will be no reason to suffer or means of suffering.

I will be removing all suffering from this planet, and I will close the doors to suffering as it has been experienced. Even childbirth will be experienced without suffering of any kind. I will close the door to suffering.

The thirst for knowledge will continue, colleges restored, education

Your position now is to bring Creator Michael's Voice into this region. His Voice must be heard.

will reach a new height. The college that you choose will designate the path you follow, be it of music, philosophy, government, etc. There will be no end to your studies, as the fire of your mind will be lit.

This is a bright New World in which you live, enriched by the Power of God and His-Her Regents of Love.

Be at peace now, little family. We are One. And no one shall dwell within your boundaries save those caring souls who serve with Me in the Father's name.

Speak now of alignment:

The Word becomes flesh, governed by the Planetary Prince.¹ Those who speak in tune with Him will refresh this Earth and rebuild her.

Lean not on another. Each is loved the same and each has ability to realize God's word and His-Her program of divine Love.

I have just desserts for each. Realize this. We are a family; we serve in love and make much.

You have just heard from the Planetary Prince and the World Mother Office.

Peace be with you. Follow the Plan.

The Christ Seed

We are going to overturn prophecy - negative suggestions, false authorities and egoic writings - denouncing them as untrue and unjust. Peace.

Because—

The Seed has been restored within individuals. That God Seed or Presence does not wait to be realized or discovered or accepted.

It grows on its own, acting and reacting with the Will and Love of God in man. This Heart-Seed will overcome any negativity and rejection in man. And as a beautiful flower grows, so will it. It is Man² or Second Adam.

The Creator aspect within each individual serves as governance and it reflects the wishes of the Planetary Prince as God's Word.

SEED THE CHRIST WITHIN!

This is the level or vibratory reality of humanity.

There is only Christ now living within humanity. Nothing is to be observed but That.

You are going to live in the Christ rhythm as the Planetary Prince has decreed.

The Cross is lifted.

¹ The Planetary Prince is Sananda. Sananda is the ascended name of Jesus.

² Consciousness.

YOU ARE RECREATED ANEW

SOLAR NEWS Volume 2, Number 27

The miracle of the Christ Ascension is occurring. This rising energy focus takes you into the *Body of Christ*, into the Record of Sananda-Jesus and His conscious ascension. The Master reestablished for you the path of ascension, the way to your true Self, the Christ within. He who has given this is *with you* as you ascend and will be with you unto the end and the solar beginning.¹

The City of David is to be reestablished on Earth, as is the Pillar of Light that provides the spiritual dimension for the teachers and initiates of the Christ Flame. The Holy Mother oversees this Pillar of Light, *as the creative process begins* to bring all Home.

If you are familiar with the University materials, you already know that there is a dimensional shift occurring that dissolves the current expression of "life." Those who are ready will cross to the solar field of actualization. In this process, the current life as lived with husbands, wives, children, relatives, karmic attachments, will return to nothingness. It is the end of one life and the return into the Solar Life of the Higher Self. Many incarnations have been lived. You now leave this life or incarnation for another. The new will break up the old life. **What I am saying here is that those who are ready and willing to realize their Higher Self or GodSelf will ascend, throwing off a life that is no longer valid in the Soul.**

The current of this realization and transformation demands of you detachment, and an impersonal love for

all life the same. The personal sense of family will disappear as you reclaim your Higher Self and the divine Family of God, all in All.

As the thought forms and attachments of the current incarnation are swept from you, keep your Eye single. Align with your Christ Self at the Heart Chakra. *Be there for Me.* This identification will enable you to vibrate the Christ Center as your whole being and your new life.

God has recognized you as His Son, Daughter. What this has done in the wake of all that is occurring is to forbid the current process of reincarnation and karma! You must now join God as the Son, Daughter without "father or mother," or beginning or end. This frequency will break up matter quickly and will cause cosmic earthquakes that splinter the ground you stand on. *No matter where you are, I will claim you. You will be stripped of ownership and given divine life in Me.*

It is important to remember that in moments of spiritual darkness, agree with your original creation. You are being recircuited, remember. Your current is love and your identification is as God in you.

Reestablish your God residence in your Heart. Send Light to all four directions. Claim your new name that is the Son or Sun Radiance of Me.

Now jump over the chasm. Deliver My people to Love. From emptiness comes fullness. Solar radiance is the Divine Self.

—Crystal

¹ Thus, loneliness that may occur with the detaching of the current world and life incarnation will be remedied by your love of Christ Jesus. *Love Him.* The Master at this time offers His companionship as you cross the waters of nothingness into new life as the Son, Daughter.

What is the result of increased light on our planet?

SOLAR NEWS
Volume 5, Number 16

Many are realizing the Presence of God within and awakening to their spiritual identity and assignments. Although some may have passed through a strong cleansing, testing and preparation these last few months, the inner fire or soul fire has strengthened and brightened. It is enhancing the purpose and focus of those who tread the path of light in greater numbers. And many are feeling an increase in positive energy, a release from old patterns and duties.

As you view the political stage, do not be discouraged and do your best to remain objective while you observe the changing tide of government in the U.S. and elsewhere. Do not hold on to the present political parties. Observe the energy that is taking us from one dimension to the next (perhaps skipping one or two on the way).

The world appearance may still seem to be threatening, causing some anxiety. Remember that the world is conjured up by mortal man and mortal mind. It has no power in of itself and it

The Overturning of the Old World

SOLAR NEWS Volume 4, Number 52

As the Emergence takes place within the soul of humanity, the world shifts and becomes a joyous place to live for all. And as the consciousness moves in the direction of the Christ, little children rejoice to be free from the universal belief in good and evil.

Have you been afraid to step into the New World reality—fearful for your survival, afraid of judgment by your peers? Or have you wanted to leave the earth because it was so painful for you to be here? What if I could tell you now that the New World of Light and Love is beneath your feet? It surrounds you and is within you? And if I could assure you that many are stepping into the New World consciousness and declaring it the new dimension, would you take that step also?

Consider this. What might happen if many who have resisted the New World consciousness now claimed it for their own? If you have company, would you step into the Fifth Dimension and be part of the Christ Group who have made the change from human or mortal consciousness to the Solar Man or Solar (Christ) Consciousness?

Be not fearful of this step, the quantum leap, as many right now are taking that step. This is initiation and it comes at an opportune time, doesn't it? A time when there seems to be no answers in the old world of man's invention. Take a moment with me. Look carefully at the old world, its wars, pollution, poverty, disease and despair. There is no way out of this old world, despite what political parties tell you. And the walls are thick from belief; the walls are dense with illusion. What to do? Where to go? Some take drugs, drink themselves to death, commit suicide, or fantasize imaginary pleasures.

Some go completely insane. Where to go?

Yet, Heaven waits beneath your feet. You may not see it or feel it, but the World of Light is with you and it can be contacted right now. You have but to decide where you would like to be, take the jump into the Heart of God, and begin again in the company of angels.

Sounds too good to be true, doesn't it? How do you make the leap into Heaven on Earth? Is there something you have to give up?

Give up the world. Let it go entirely. When you are ready, your New World will embrace you and you will feel its nurturing strength and its consciousness as your own. You will not be alone either. You will be with others who have decided to experience *a whole New World*. You cannot have both the old and the new. You cannot have two worlds. One must be released for the other. And that is the great decision to be made. Until you can make the decision to release all attachments to the past and present emotional ties that have been your world of illusion and often, deep pain, you cannot enter the Fifth Dimension where God and man are one. The passing into this dimension is your gift to your Creator who beckons you to "Come."

Once the decision has been made within your consciousness, your soul moves toward Spirit. In this movement to Spirit, the unifying factor of Oneness (divine order) has been established. The false world of illusion, of separation from God, drops away. And though you

may reach out again for the old world and its ways and laws, it will not be there for you. You must enter the New World, the Christ Dimension, without fear, as the joining of your soul and Spirit have dismissed any other choice!

Leave now the world of illusion, My dear ones, and come unto Me. We are not separated. That was the lie and the illusion. Let the illusion pass from you. I have released you from the illusion by My Atonement and My walk on earth. I have come that you might stand with Me in the World of Light as Solar Consciousness.

The Land of Light awaits you. You are in good company for all will come. I have redeemed all in Me. Heed the Minister within your own Heart. I AM calling. Be now with Me in My name.

THIS IS THE RESURRECTION OF THE PLANET

THE SPECIALS Volume 6, no. 4

Power circuits are accelerating to move our planet Earth into the Sun or CHRIST VIBRATION. This is the solar energy We¹ have been waiting for that We may access the clear records of a new generation - brought to Earth to Be.

The elevation of this planet is essential to bring about the wedding of the Christ Energy and the new dispensation of NO DEATH.

The power circuits are on! Be aware! Let the natural upsurge of the new vibrating Presence connect you consciously into your place in the SUN or Christ dimension.

These are the worlds of light that I speak of. I have brought you into a new creation as models of My form and people of My Soul.

The University Papers, brought to you over many years, have prepared you for this beautiful change of frequency that is incoming at this moment. You are now ready to drop the false shell and deliver into the reality circuits the Christ dimension of body, mind, and spirit-soul. This is a day of revelation; it is a time of creative magic when all things are lifted and made anew. Now lift your spirit high so that you can catch My world of light and remain stabilized as that dimension of higher frequency power.

Do not hang onto anything alive or dead. Take only that which you are and be clothed in the light of higher dimensional love and light. Be claimed by Me as Daughter and Son of God-Truth.

Claim now your place in the Sun and do not waiver. I have come! *And I AM the resurrection and the Life.*

Crossing the Boundaries of Time

When error claims you, forget the error and come home to Me. In Me there can be no error. I have come that I might place Myself in you as you.

Hear My Voice; think with My thought; be still and know that I AM God in you.

The sacred body of light must manifest now. It is like the sun. Bear that in mind. Be clothed in it. The sacred sun is your dimensional frequency. It is your guide to higher frequency.

In this world (third dimension) the sun is not understood. For the Great Son of God emerges through the sun of man. The Christ heart *within man* is the divine complement of the sun you see in the sky. The sun in the sky is the heart chakra of planet Earth. It is there you see the light and grow from that light. The sun in your heart chakra or center carries the Christ Seed, your divine identity just as the sun in the sky carries the burning image of the true Christ for planet Earth.

And when you change your consciousness of the sun and know the Son first in your heart, then acknowledge it in the sun of the sky, you move to the Christ Center or Solar dimension. This power change can initiate a change in body. It can bring it to greater light. As you change your awareness of the physical/etheric sun that shines over

earth, you will immediately change your dimension.

Invite the blessed rays of the solar sun, our "physical sun," to fill every cell of your body, both physical and etheric. Gratefully acknowledge the sun as LIFE and see through the veil into the very face of the sun. See the Solar King!

The Life-giving essence of the sun (the Great Sun) activates the solar body, the solar radiation through you and death is no more.

Let the nature of the sun be truly known. For the sun itself - our physical (what we see as physical) sun - designs the new body of light. From the sun will come new secrets as well as ancient knowledge stored within the sun herself. Cross the boundaries of time as the sun or solar stream completely dissolves the past to be remembered no more.

Our blessed sun is not what it appears to be. It is the divine light of the Creator Him-Herself. It is the Solar Christ beckoning us into our hearts and minds that we, too, might shine as a sun, the light of God.

By degrees do you open. By degrees do you understand.

realize the family of life!

This must extend beyond borders of ancient history, religious beliefs, and cultural heritage. In order to save the planet and ourselves we must change our identity—we must care for one another from Australia to Africa. We must unite as a human family and embrace all life with compassionate caring.

We must surrender our human ego, our racial ego, and our national ego so that we can enter the fire of humanity. We must go further and deeper into the web of life and there join our hands as one. That is our assignment and Earth says, "Now."

Sananda Stands Amongst Us

Script number 117

My Beloved Teachers and Help Mates who gather together now to receive Me in your hearts at this season of joy: Let us not linger in materialism but rather celebrate the Christ in the heart, the gift I brought as Jesus. There is no one greater than another when we know, together, the Heart of each one and the deliverance of the Son.

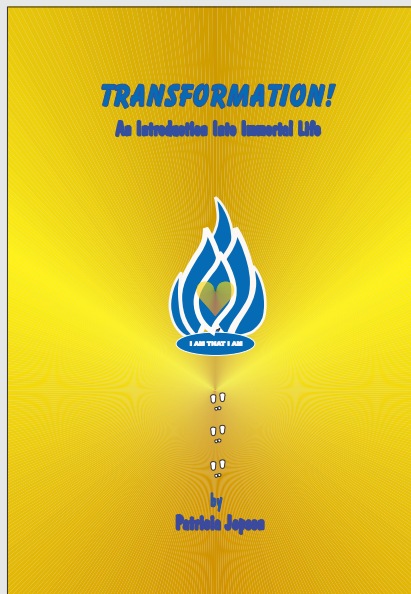

May Christ be with you. God's Work is only just beginning.

carries no authority lest you give it authority by your fears and beliefs. Look to the Spirit of God, Divine Law, Love and Light as the only authority. As you can do this - shift your consciousness and focus on the I AM Presence, the Christ - you assist in the anchoring of the Divine Plan and Government on Earth. You are a major player in the Hierarchy!

Every time you shift from belief in this world to the Spirit of God - unconditional love in expression - you anchor the Christ World, the World of Light, as our world NOW.

Add your light to the Incoming Light and raise Gaia to her new place in the Solar Plane. Light her, bless her, give her thanks.

God bless you all and a very happy, prosperous and light-filled year! It will be that. I promise you.

Crystal and Sananda

Script number 118

Those who have been gifted with the Light may not know it yet. When I give the signal all the lights will be turned on! The real celebration begins! I AM announcing the Body of Christ—the Tree of Light! Without this you cannot go on into the place I have provided in the Solar Realm. Peace be with you.
