The Body Change

THE UNIVERSITY PAPERS Vol.6, Number 1

The Light now penetrates your body and your Creative Center is emerging as the golden light body. The world is no longer in charge of your physical appearance. Christ Consciousness rules and this awareness produces the new body. The I AM Consciousness is the Consciousness of Christ; It will fulfill its mission as the Creator emerged.

The picture that you have created out of belief in the world—be it your present body form or your present life experience—gradually disappears. In its place, the Christ body of immortality, carrying the Divine Presence, is objectifying. It is time. *We have come together in a new way*, saith the Lord.

The Creator file is open and the Solar Son Consciousness will vibrate through your cells and cause frequency changes in your body.

Creative circuits are being extended through you as you read this. Be assured your way of life is coming to an end and the real, true life reflecting the oneness of your consciousness in God (Christ Truth) is being revealed.

As the curtain rises, many will be glorified and many will be forgiven. Harmony will be restored to Earth and her body. All will return home by the mandate of the Creator, who is the Creator Son and Universe Father.

With the release of the flesh to the Creative Power (Holy Spirit), the new body can be fed with light; the resurrected body leaves this worldly plane of density and separation and returns to the original blueprint and code of Melchizedek. Operate like Light now. You are the Light.

What Happens When

The University of Melchizedek has presented much in the way of preparation in order to ready your consciousness for this transformation. The body *will* become light.

You are *in the process* now. You may be experiencing resistances in your body—aches and pains and discomfort caused by the resistance of the physical body code to the new body energy field. However, if you have surrendered and *accepted* the new life already, your body code has already altered and the path of light will be one of joy and celebration as you welcome in the new field.

University and Order of Melchizedek has been that of the Christ Within. You have learned or remembered your original code of Melchizedek and have no difficulty in accepting it through your system. The ego or personal sense must be released so that the Higher Mind and Creative Circuit of God's Will can vibrate as I AM Positive, the Christ Consciousness in you.

You are one with God in Truth. You are the *intended*. Yet you are here on Earth to consciously realize this and to vibrate the I AM presence as your Self.

Even as the Identity circuit (Christ blueprint) is open to you, so must your awareness form of Itself a brilliant new body. This body, then, can take physical form and become adapted to the circuitry of the planet and the physical laws of planetary life and expression. You must now come to your post. It is time to live in your Christ dimension as the I AM circuit is extended to you and death is no more.

Just as Mother Earth, Gaia, is changing her body and rising into a whole new field of Christed power and Light, so are you to rise also into a new body. *The changes come rapidly now. My Spirit is upon the land.*

Your alignment through the

Specific Directions

Once you have accepted your true Self—the Christ Light and Life within you—as your original identity and have released the fear-based ego, your new Self or original blueprint (after the Order of Melchizedek) must produce a body form as a walking energy field of the Christ Within.

Thus, if you have been actively aligning with the Christ Within, you will have no difficulty in this transition. *Keep your eye single and your body will be filled with light.*

Keep your focus on the Christ Son (Sun) within your Heart Chakra. That is your identity circuit. Let It tell you about Itself and Its great oneness with all life. Remain positive in this center and rely on God as your Source for all and everything. Remember the Law of abundance: Father-Mother God gives to the Son-Daughter. *Once you claim and experience that Son center within you, you activate that Law.* Do not look to the world for your supply but rather receive and accept your divine inheritance. *I and the Father are one* is the Christ Code of Melchizedek. That is *your code of Being* or expression as you live in Me and I in you as the Sun.

Once you are stabilized in this electrical field of God in you as I AM, the world as it has seemed will disappear. Your point of awareness will be with Me as the Solar Son (Sun) emerged.

The Christ Body Emergence

Just as you have aligned and continue to align with your Christ identification through the Heart Chakra, please visualize now the *projection* of the Christ body (“the Image and Likeness”) as a body of form replacing what you now

continued from page 2

experience as your dense, material body. Remember that if you are to remain with the resurrected Earth serving as an immortal, you will have to make the transition from the dense form to the newly created body of the solar dimension: *the Christed body.*

Be conscious of your Guardian Angel and the way will be shown. You are the example of *Living Light* on this planet Earth. You have come to shake off the dense tube of the present earth body and to reassimilate the Light Intelligence that is yours in the living Christ identity frequency.

Be aware of your Higher Self as It is entering your system and realizing Itself on earth. Keep the focus on the Christ within. You are that one. You complete yourself in that light and you honor the Father-Mother through this transition and your acceptance of His-Her divine plan as “I AM.”

Leave the world and accept within yourself the Presence of the Kingdom, the I AM Consciousness after the Order of Melchizedek.

Living as Light: the Paradigm Shift

Let your consciousness realize itself in the new body. This is a vehicle for the Christ projection. It is equipped to ascend and descend at will, to vibrate the Creative Power (the Creative Daughter) and to receive the Father-Mother God as given

through the Christ dimension.

Please be aware of this: your present material body is programmed out of your consciousness as you claim your Christ body. Thus, attention should be on the emerging, out-picturing Christ body as your body. When suggestion comes concerning your physical body, its appearance, health, etc., realign your consciousness swiftly to that of your emerging body of light or Christ body. *You must take your place in that body to establish it as your own.* The lighter you become, the less you will feel identified with or attached to a third dimensional body. Your Inner Voice will be giving you instructions as to how to cooperate with the body change and to stabilize from this point on. Keep yourself alert and aware!

Practice This:

Be still. Focus on your Heart Center (chakra).

Receive the Christ Within as God conscious of Him-Herself *in you*. Be totally conscious of this and experience the overwhelming joy that comes from your acceptance of this place of union.

Actively and permanently let go of the false world and the lower, ego-based self. Realize that your Heart Center, where you are experiencing the presence of God as your Christ Within, is the Kingdom of God. You live here now and your heart is

continued on page 4

expanding with this thought.

Overwhelming joy fills you as you return home to the Creator's position in you as I AM, as it was in the beginning.

Acknowledging the Christ Within as your true identity, your place in the Divine Plan or Son, let the Christ Within embody as your nature, as your Self and as your material body. See this happening. Be consciously present in this emergence as every cell opens to receive the new dispensation. You are the Christ! Reseeded on Earth!

Let this exercise be with you throughout your day. It will come naturally to practice it and to reaffirm this process of Christ emerging.

Listen to the words within that direct you in all ways. *I have come.*

*Open to your reality. Give back to Me your flesh.
So that I can lift it as My own and finish it
through Me.*

Let God (Spirit) act through your body. Feel the peace and contentment of this. Every morning upon waking, give your physical body to God (or GodSelf) that I AM (God) can move about in and through His/Her creation. Return your physical body to God!

Then go into your mind. Let God flow through your mind activating it, inspiring it, radiating His/Her supply. Return your mind to God (Divine Intelligence) that God can govern the body and live through His/Her creation.

And lastly, and foremost perhaps, joy in the expression of being one with God. Enjoy this experience. Your joy, is in fact, God's joy. The joy of the GodSelf in be-ing.

Here is a new dimension for you to ponder. A new life.

THE EMBRACE OF TRUTH

The living truth is the circuit of Energy that is God. It is the Presence. When truth is present there is no other. Only life I AM.

The GodSelf manifests as the living truth in your system - You are *empowered by* this truth and conceived by It.

See the living truth - God - flowing and expressing through your system or being. Then say to It: I give you the power to express and have your being Be-ing through me. You give me life.

I AM abundance. I cannot conceive of limitation. It is not a part of Me, of My life. I AM the well that never runs dry. I AM consciousness unbroken.

I AM the body and the mind.

For these are my words,

Alchemical Changes

THE SPECIALS Vol.5, Number 25

On April sixth, the eternal combustion of the Creative Power will take place letting loose the forces of light that will create a new world. This is the beginning of Sananda's Ingathering and His prophecies of enlightenment and creative ascensions.

I AM coming.

A solid energy Plan has been released to those who can minister to it and who are open to the understanding of the New Age.

What will be occurring—what has already begun to occur—is the emergence of the great new body of light. There are certain field workers who have demonstrated an ability to release old forms of attachment and who have been tested on the Inner Voice alignment. These ones have been schooled carefully on the inner planes and in the colleges of Melchizedek so that at a moment's Call, they will actually become their body of light. They will demonstrate the appearance of light consciousness and will become visible as this demonstration.

Few at first they will be. But it is the plan and the great hope that there will be more who will fulfill their missions as members of the Christ community of Light.

Bearers of the Light come forward.

It is already planned who the first ones will be, the ones who will complete the alchemical change into higher chakras and into the radiation belt that I, Sananda, have prepared for them as fulfillers of My Word.

I want a thousand workers to fulfill My Word. I have come to stand with them in nature and in divine energy of My Second Coming. I will cleanse and reestablish the World of Light by My Coming. He who is in Me is realized as I AM.¹

The house of Light is coming.

Dressed in the waves of My Spirit we move together as one body in the vibration of GodMan, the GodSelf. We will demonstrate in harmony with one another the plane of light that has descended into Earth's body and her consciousness. Will you be one of these who will walk with Me and demonstrate the body of light? It is this body that is the rising Power of God, kundalini in you, which can raise this Earth to a higher pitch and bless her in the rhythm of Sananda.

Demonstrating the Light Focus

The Light is continuing to build. It will be building through the Easter season in preparation for the May shift.

What you are feeling—some of you—is the tearing away of old rhythms, crystallization and the release of much density. As you are ready and it is safe to do so, you will release the physical concept of a body and go directly into the light body already prepared for you as a consciousness of the Christ. We

want that very much to happen in the next few weeks. There are leaders among you who can make the change quickly; those are the ones who have been selected to demonstrate for the masses.

There is a steady flow of Christ energy entering your body. The Christ body will be built. This is a new plane of life. The initiation for this alchemical change is taking place even as I write.

Let the light now be your world. The nature of humanity is changing rapidly. I AM on fire with love for you. Go quickly to the light and so be with Me as My disciples of Light and Love, in the world but not of it, speaking My word in divine union with others, in brotherhood for all.

SOLAR NEWS Vol.1, Number 23

A Meditation Message at the Full Moon

April 26, 2002, Ojai, California

Now the curtain parts and the World Savior emerges as the Solar Son and the Planetary Prince. He who has given Himself to this Earth and to her resurrection process will be speaking more fluently to you now, as you begin to understand that the planet is changing her orb and she is aligning with the higher consciousness herself.

We are in a changing evolutionary pattern that will loose the fleshly part of humanity, the resistance that has caused so much suffering to this Golden Race. Peace will settle upon this planet once again. We will all begin to understand what peace truly is and we will observe the peace within ourselves and keep the peace among ourselves and among our nations. We will refuse to fight when we are asked to fight and defend ourselves. We will not step into battle. We will stand as light.

And the Creator will be with you and with all intended, and you will thirst not nor will you wander from the hills.

The world as you have known it will pass away. It will die and disappear as though it has never been. It will become a lost memory, remembered not in the records of this Earth. Intoning now with the Higher Self, release the fleshly part and reclaim your holy Self¹, your Christ within and remember the light.

This is the time for great suffering, yet in this suffering will occur the overturning of evil². You who have suffered enough will suffer no more.

Be not impatient, for the day is coming when there will be no suffering on planet Earth, from the greatest to the smallest. We will have love.

Now let peace come into your hearts and through your minds. Speak only peaceful words and keep your suns alive in your hearts.

Help those who do not understand yet that we are in a new age and in a new place of Christ emergence. You *are* the Sons of God, you are the Creator's children born of Him and given the light of Himself.

Bring harm to no living thing. Walk the harmless way and so give thought to love.

You have the gifts in your hearts to overcome all obstacles. When you turn inward to the God of your Self, to the Creator within, you will understand the holy power that you have as you draw on the Light and release this Light selflessly.

Feed on My Word. I AM a generous Creator.

You reach to the world for answers, but there are no answers there. What causes the suffering, My dear ones, is your attachment to the world. Leave that world, which is fast dissolving of itself, and come home to the Creator within.

The pearl without price rests within your heart and those who find it are Lords of Light.

You are on voluntary assignment

to this Earth. Pick up your bed and walk as a Melchizedek.

Harvest the New World as Consciousness

Message given April 30, 2002

I AM a state of Being. My Breath empowers you to Be. You are trapped no longer, for I AM amongst you as freedom itself.

Be now in the new creation. Walk through the door that I have provided for you and enter the New World of Creator Michael.³ The first will be last and the last first. I have created you equal. All are parts of Me as I seek to unite with your cells and create new life.

Step into the World of Light. *Live* that World. *Be* that World. Link with others who are inhabitants of this World of Light and Love. Be Suns in true form and thrust from your reasoning mind a world that has no existence in Me. For I have come amongst you to vibrate this New World of My Second Coming. Released of the flesh, be clothed with the Spirit. Come join with Me, as you call forth the New World from within yourself. Fasten to this new dimension and remain with Me in the Solar Light of The Son.

¹I AM.

IN THE CENTER OF TIME

THE MASTER'S PAPERS Number 94

The Book of The Lord (LAW) gives no time for events. There is no such thing as a time for the Apocalypse nor for any other biblical reference to consciousness ascension. There is no end of time nor is there a beginning. We are all in the nature of expanding revelation where time becomes a unit of command, a governed place where vision manifests in immediate agreement.

Let go of time in its present form for it can only inhibit you in your glory field of love and light. Be time-less with no mark of time on your brow nor in your heart. We who serve in the present invisible spheres of light and love move and have our being in the moment. We are not servants of time nor can we be caught in time concepts of other fellow human beings. We are our own revelation unto ourselves, created out of the center of time where all thought and idea is timeless.

Enter now the glory field of being where the presence of God or Truth is. And in Its immediacy that is Being, governed only by the thought revelation, the presence of this Being I AM lives in a program of timelessness where *now* is the only future and the only livable path.

Now be that which you have come to be with all the faith and trust of your high self! Live in the center of time where rivulets of My Being breathe out into revelation all that I AM. Come to Me. I AM all and everything. I AM the one and the all. I AM created from the creator and I AM the one being that constitutes all time and all space as MY SON. My spirit governs all.

Meet the Universe Creator in your heart *first* then return to the Christ light of your heart with the authority

program for the new age. This is the first and the last, the beginning and the end all at one -- one single obedient ever - present unit of molecular substance as I AM.

Peace be unto you and timelessness.

THE PASSAGEWAY INTO INFINITY

Delphi, a Golden Retriever resident here at the center, was teaching a class last night on "Animal Communication" As has happened before, her steerage guided us all attending into a new place in our consciousness. I want to share that place with you now.

It was made clear by Delphi that in order to understand the language of the animal-nature kingdoms we, as human beings, had to put aside our egos, our sense of separateness and domination. Further, it was implied by Delphi that we must not only respect and listen to our animal partners but we must be able to *hear them* from our hearts! This would mean, of course, that we must connect with the animal kingdom (as well as all other expressions of life) through our *feeling* nature. To be able to actually communicate with these kingdoms the state of awareness must be focused through the intuitive-feeling-heart Way. Because -- as Delphi made clear to us -- in the beginning all life understood one another and listened respectfully to one another in the spirit of one. It was only as human beings became more and more rational and intellectual that they lost the ability to hear all other expressions of the

Spirit life in correspondence with one another.

Now this tells me that as human beings relearn the heart-intuitive Way, the way of humility, compassion and partnership with all life, they will be admitted once again into the Kingdom of the All. The very basis of peace rests in this revelation.' And the passageway into the Spirit Life or the Kingdom of God is through the heart by means of earth compassion. The Mayan peoples speak of the end of the Fifth World and the possibility of entering and abiding in the Sixth World or *the Consciousness World of Oneness*. The passageway into this world of light is open to any and all who would leave the rational, intellectual mind as the dominant factor of mind and come as a little child through the heart into the world of unity. "We welcome you," Delphi says, "as you become one with us in the life stream of the Mother. Peace." And peace it shall be as the rational mind relaxes back into the Spirit.

† The book, "Angels In Waiting" makes this clear. Please try to study these magnificent lessons from the Angelic Kingdom if you have not already! They will help you with the understanding of the Sixth World or the World of Light which is incoming at this time.
