The Sacred Death

You are brought to the Cross only to merge with this order. As Jesus merged with this order, so must you. It is the power of Creative Force. As you learn to live with this order and respond to it, it functions as your being.

To eliminate the Cross from your adventures in Spirit is to eliminate the sacred death of the initiate. To let My sacred death overcome you and draw you into My Breath, the I AM, is to be raised into My Life Energy.

Therefore, watch carefully that you heed the message of My threshold. My death is in the Spirit where you must go to find life.

The power is there - in the death. It is in this magnificent overcoming and reversal that the holy rising power of your consciousness into My Own registers as My Higher Self, I AM.

There are those who speak of life everlasting without this death. But they are not the immortals. The immortals are those who have given themselves to Me, the Consciousness Ascending, the Beingness of unification. It is only through death that you will know life. And this life is the Creator or the Son risen as My Life, translucent and pure. - I AM that.

The death that I speak of is a dying into life. It is the submission of the soul into Spirit. Life's spark is everlasting. No need for death as you have known it on this planet if you live in me.

The Creator emerges through the heart of man and woman. That cannot be stopped. It is with you, just as Jesus - who is your Creator - is with you, and cannot be undone.

Rise, now, into My Son's life. I have no other.

(The University Papers No. 47)

The Order of Melchizedek is the BODY OF CHRIST forming in areas of the Unknown. It is the Creator emerging.

Through this emergence is the divine order of Being.

That is Melchizedek.

The Third Day

It is written that in the third day Jesus rose from the tomb. If this is so, where was He on the first and the second day?

On the first day He submitted Himself into the Spirit of Holy Consciousness where He rested into the next day, which was called the second day.

On the second day He prepared Himself for the burial rites. He prepared Himself, for there was no other who could do this. If He was in the tomb, why the preparation for burial? Would it not seem He was buried already?

He was in a state of change. His consciousness was going through a transformation. He was giving Himself to the Woman of Himself - to the Creative Daughter or the Holy Spirit. He became that Spirit in His Mind and Heart. He radiated It as divine flow of Himself.

What are you most attached to? Is it family? Personal possession? Your job? When you know what it is, give it to God. You are caught until you do this; you are caught in the density of mass consciousness - a prison of your own making.

Jesus told his disciples, "Leave your nets and follow me." If you could but do this, you would be free.

He became the Feminine Ray on the Third Day. Thus He could return as this Energy through humanity as one. He rose on the Third Day as Light. What rose then was the SPIRIT OF GRACE in the form of Jesus' consciousness.

Meditation of the Month

There is no greater Light than the Light within your heart.

The Sacred Death

Continued from page 2

*Rise and wake the Woman in you.
She shakes and trembles with anticipation.
She is the very life force that calls you
home in me.
She is the circuit of My hand. Let her lead.*

At His ascension, it was the Mother Light that shone forth into all the realms of My Earth. It is this Mother Light and LIFE that creates new forms now. It is the glory of this CREATIVE POWER, released through Jesus on His Third Day that rings this planet with abundance, healing and Christ Grace.

If you could but heed the Mother Light within yourself - really hear Her - you would move mountains: yea, live in light forevermore.

Now come upon Her. She greets you- and with Her great Elohim, She opens the seed, that of consciousness divine.

Behold I AM the Mother speaking.
Dwell not on past mistakes. You are called to deliver up My people. Think upon these things I bring you now. For the curtain will raise unto another Land, a land of Light: eternal light forever - where there is abundance, where there is much fruit to be gathered. I have come to release you from poverty.

WORDS ON ASCENSION

Look carefully into your lives. Look carefully. When you try

to control another, you only imprison yourself - for in truth there is no other!

To man I must say this: if you cannot loose the woman in your life - let her experience her freedom without your domination, you will not be able to ascend. This is because the woman you seek to control and dominate is the life force within yourself. IF YOU CANNOT LOOSE THE WOMAN IN YOUR LIFE, YOU WILL NOT BE ABLE TO UNITE WITH THE FEMININE POLE NOR CAPTURE THE NEW LIGHT OF SANANDA (Jesus).

The Holy Spirit is moving woman out into the world. She is the Comforter, this woman. She must play her part. Loose her that she might be. Let the power of the Christ illuminate her. For you will feel her inside yourself when you do this. You will feel her stirring and her grace. And you will know yourself as free in the woman you have loosed.

There is no ascension until the holy fires of both man and woman burn brightly. Each must stand in their own light. Each must be free to hear the Voice of their God, to respond to the Voice.

There is no ascension without this freedom - no ascension.

You will find, O man, that as you relax your controls on the woman in your life, you will

feel the feminine pole within you. A consummation will take place in My Spirit far greater than any consummation you have experienced in the world. Relax and let go. Desire to dominate hinders My Spirit. My government is lasting. Yours is not. I will free My Woman if you will not.

Woman, take your freedom in me. Lean not here nor there. Lean into the Christ, the center of Being, in your heart. Take your strength from this place. Lean on Me.

Jesus, the Master Plane of Life, has risen with His Woman. She is founded in Him and He in Her. You know not what this means - nor can you yet. Only that it is.

Take your strength from the Christ center, from the Spirit within you. That Spirit, as you depend on It, will rise into CREATIVE POWER serving the will of God. Depend on Me.

LAST WORDS

For woman to be free, she must free man. It is necessary for her to understand that abundance comes from within herself, her Christ Center. Security is there and wholeness. The Spirit will take you to this place, where no dependency is left. When this happens, you are risen. It is the Third Day.

- Crystal

THE IMMEDIACY OF THE LIGHT BODY

(from The University Papers No. 59)

When there are initiations, thresholds to be crossed, there will always be a Mystery School containing the secrets of that initiation and the rites thereof.

If you will now bring your awareness to the light body. Feel its context around you. Get to know that body as your own: robes of light. It is not an alien body; it is the body of your Christ-self, and this body is yours in this dimension of Light and Love.

It is by your acceptance that you can actually begin to feel the determination of this body of light around you and in through your heart membranes. Its activity is light. It knows no darkness whatsoever. This body, given as a result of the Christ Action on Earth, is now yours in preparation for the GREAT CHANGE for this planet.

Now visit this body in your consciousness. Become accustomed to it as you would a beautiful new home. Take up residence in it. The power of this body will become known to you as you enter it. It has immediate healing powers that you

know not of.

With this body, become a light that is set upon a hill: a lighthouse for all to see and share. You are called to be this light now as you enter an entirely new dimension of joy.

The Master Jesus, who is known as Sananda by many, speaks to us saying these words unto all His people: Come follow Me. I AM the resurrection and the light. I cancel out death, for I AM recorded as light. I AM come that all might know LIFE and have this Life in an abundant way.

So saith the Lord to you: Even as He has spoken these words, so does He put into motion a new world of Light.

The Light Program

(The University Papers No. 61)

The "New Kingdom" is the Creative Power emerged and It will subject Itself to no one.

The light and joy of God is in you and bubbling up through you into celebration and song. The body of light is apparent now. Qualified in motion, you move as the body of light. With such majesty you move, with what dignity. You have your being in Me.

The Breath is your motion, the divine Breath of the Mother. As you breathe with Me we are One. I give to you, you give to Me. We are One.

Anticipate this Oneness. It is universality as all my creation remembers and becomes alive in Me. Remember, O My creations. Remember.

Even as the trees shall remember, so shall their leaves twinkle in qualified light. All My creation shall come alive in a new way. And I shall remember also. I, the Father within, shall also recall what I have given as my Son's life in you and so give it breath in Me.

Love yourself, even as I have loved you; for we are together now radiating Self-love into all dimensions of My Being. I give My Self that I might be. I AM qualified light in you. I AM the Light Body. I AM the Sun now externalized as your living reality. I AM that which is given unto you as light.

Let My household be glorified. Let My Sons be brought forth as light. Intensify My union with all life, for I have come.

On the Mountaintop...

Translated in form, you generate great light for everyone to see and know. You are now on the mountaintop. Stand freely on this mountaintop. Let your light shine forth as I AM. Lift your heads in resurrection and behold the light of God (Intelligence) manifest unto all His-Her kingdoms. I WOULD KNOW MYSELF: My Son's life in Me. And from My mountaintop I shall know this and I shall proclaim this through all My creation. I AM alive again through My creation! I AM alive again! I AM alive!

This summation of My Promise will bring great benefits to Mankind.

My direction shall be translated into doing. I AM That I AM. And darkness shall know Me not.

Giving light is your joy and your service now, as you walk with the glorious day you are in. My habitat is you. And I know no other. Programmed in light (All-Intelligence God) you are the Song of the Creator; and it is done. Finished and done.

I have clearly defined you in Me and that Song must be sung. It is the Creator Be-ing. On the Breath of Life It sings, qualifying Itself through all creation. It is the Son measuring Himself as the I AM Principle of all life in Me. So come to the Place of Creative Power and learn to live with It. Behold I AM!

Rest in the security of your own Be-ing: God in expression right now. The abundant life is now. Quiet yourself and reveal. Then will atomic life know itself. I say, Come!

My eternal supply flows naturally through your hands and feet. I AM your supply AM I not? Hear Me this, for it is true. You declare your supply at one with Me in the Creative Spirit. You then can say: It is done. Finished and done.

With Love...

Lovingly embrace all creation in My Breath. Keep that love as you declare the universe complete in Me. With authority speak in My name. As you speak, always speak in love. Love is the fulfiller. If you cannot love in an impersonal and universal way, then that which I have named My Daughter in you or the Creative Power, the very substance of My existence, of My Word, cannot hear nor obey you. The full declaration of God must be made and harvested in love. Then is the form complete, undivided from Me. If you cannot speak in the Name of Jesus, or love for all, then you shall not have the Power. God cannot create without love, universal love. My idea is to love all creation the same.

Have you learned the lessons of Love, the universal power of IOne? (I AM?) Love does not declare itself void.

If -- children of the Earth -- you are still seeking love for your own satisfactions, love to fulfill your desires, then the Power that is creative and spiraling forth now under the authority of Michael, Sananda shall not be with you. I know no other love but My own. And I serve the whole. Thus My Creative Daughter or the Creative Power serves My Word in divine Oneness. She is the Creator emerged.

The testing ground is in you. As you return to the Creator, or the divine One, who commands through you? Who is He that worlds are made of? Behold I AM.

Thus the Power works with you only as you return to "the Father's House." Here in this House of God, House of Truth, the Holy Breath knows the Creator as Herself and breathes on creation new life.

Now, Come...

Lift yourselves, O My people, heart, mind and soul unto My light. Every particle of your being must be lifted now to the vital extension of My Being. I give much unto you that you might come Home to Me. Therefore I carry the greater burden as I seek you out of Myself. I come!

Manifesting as light all over the Earth, I bring tidings of great joy. Many a

The Light Program

Continued from page 4

broken heart shall be mended, many a bird's wing. I come to give you great peace. I AM the nectar of the rose.

I build great universities now. I resurrect the hills and the valleys. My Son shall come alive.

Great universities shall be built that will teach, illumine, My bride of light. I shall know that each day shall be greater than the last. I shall harvest the universities that all may know of Me.

These universities which I will form will carry within their records secrets of lasting circumference. These universities that I return to you are as places that will remind you of My ways. These places of great light will teach you of My radiations and they will embody as places of great knowledge and light.

The GodSelf...

The plan is to reveal the GodSelf now. Thus I say to you: Live in Me as I would live Me in you. We are one. Let shadow be no more. Vibrate the true Self, the decreed Self, the GodSelf. Programmed in light as the Universe Creator's Mind and Heart, rebel not under this unaccustomed Light. For you will get used to it! Come forth and be baptized.

Let the vitality of your new form register in your heart and mind. Become accustomed to this new energy vocalized in expression as I AM. Live to move in the light.

Live to light the world. Live to glorify the Father-Mother God in you. Hear the beat of My drum summoning you Home. I AM THAT I AM. Such a power I create through you, such a light. A light so brilliant and so intense that it does gather up all into itself as SON.

Give yourself to Me that I might give Myself to all. In this way service can be rendered. Learn to serve more deeply and richly, performing of Me the works of light. You are essential to My new day. I AM in need of you as My expression now registered in Me as light. I AM the One who is come in you to be. The original creation as I AM. I bloom like a rose now in the desert of your experience. Go empty that I may fill you and perceive My creation as good.

It is a new generation that I proclaim of Me. Born through that which was and shall not be again. Born through.

Come Home to the vital energy you are. I offer Myself as the perfect creation I AM. I have tongues that would sweep you up and break the mortal shell.

Moving as Light...

I have a Consciousness that I would give you ... once that mortal shell is broken.

To travel in light is to robe yourself with My Being. My Breath becomes your breath. We are the Breath. And together we move and have our Being as one consciousness. In truth, we do not "move" but are. We can go and come as we are all space and all time. We are hindered not. Breath fills all space. Time is eternal as the Word is vital now. Nothing is without. All is within. In Being you are anywhere you need to Be in the perfect God-Mind. No one is locked into dimension. No one is contained in a box unable to climb the highest mountain or sit with the King.

Therefore come to the light where all things are made possible by Me. I enter the caverns of unrequited time. I loose the time-consciousness. I come as one.

Wake up, O My creation. Wake up in every part of you. Rejoice in the coming of the Lord. Joy is in the heavens once more -- your risen consciousness, for that is what the heavens truly are. Take your place in Me.

You will walk in light. Watch for the unexpected.

Travel by My light sound, the energy transmission of My own Being. Walk in the Christed body. Travel in this energy field. Go as light. I want you ever-conscious now of the light around your being. Draw from that. Take your healing from that light. It mends body, mind and soul. You have but to ask.

Move in the Creator. The body of light is your active vehicle now. It is registered as your body as the new creation is vitalized.

After the Order of Melchizedek...

Melchizedek did not enter this system for naught. He knew from whence He came and He brought that vibration with Him. He came as oneness with God. He taught this oneness, this unity of soul and mind, while He was on Earth. This Melchizedek Son prepared the way for the Creator Himself to embody, or the Word of God. (John 1:1)

Remember the words of Melchizedek in you. The

order of Melchizedek is the living fire of your remembrance. You stand now as the risen Christ frequency blessing all you survey. Let the manifest light that you truly are shine upon all life in a loving manner. You are light.

You are founded in Me after the order of Melchizedek. Listen to your Thought Adjuster, the Father within. Heal the waters of your own transgressions by confessing to the Father. Give the passageway up that I might enter you after the order of Melchizedek, bearing My Priesthood with Me. I AM the One sent. And My harvest is great.

Walk without death. Decree that there is no such thing in your consciousness. You are not founded on death but on life. My life in you is your life as you turn inward now, turn inward to Me, that I might Be the Self radiation you truly are. I AM the life of you. I AM the life.

Come alive in Me. You are stationed not in death but in life. Where you have held death, now substitute life. Have you prepared yourself for death so well that there is no turning back? Have you summoned up your coffin? Claimed your burial plot? I say to you now that would you ask Me about life eternal I would tell you this: I AM the Life of you, the undying life. I have no death in Me. Once My Son restored you and returned you to the principle of life, so I have taken you at your word-command (for I know only My Son in Me). The vital energy I give you now I extend as My Body of Light. This is the immortality of your being as both physical and etheric embodiment. Come to the place where there is no death. I say unto you that there is no death in Me. I AM conscious of My Son's body as life.

Let the body take on increased light or Melchizedek. Let the body know that it is ageless, that matter now obeys the inner voice of Christ in you. There is only One. I created matter: My atomic zones of influence. I formed it. I call it back to Me. Even as your bodies -- the forms that you would take -- are called back to be reactivated as divine and holy light bodies

The Light Program

of My radiation and My stellar light.

Light Is My Glory...

As your feet are pressed against the ground, they now must anticipate the radiations of this Earth. The very ground you walk on is reflecting My light. Light is the very path you walk, the ground beneath your feet. Hear the nature of your song!

It is a world of light. Everywhere you go there are vibrations of light as I AM. Let go of old patterns and forms. Vibrating now is the new law that I Am with you always. Closer than breathing, in you and of you. We are one. You are My Son of God and I AM pleased. My Word made flesh.

More on Traveling in Light...

You embody the Christ Principle. Remember that. Thus the will of the Father is made known to you. In you is the declared will of the Father who is ever present as your "Thought Adjuster" or the indwelling spirit of the Father.

The embodiment of greater light as vibrating form gives a deeper awareness of unification with All. Light, as it is qualified and rendered functional, will be much more apparent in your daily life. You will have a sense of really walking with the Creator, a deepening awareness, a keen sense of His-Her unity with all life. Such an embodiment brings great joy.

And you travel by light. This will become more and more apparent. The idea of space will leave. As an example: If you are to be in Australia -- one of the first things that this consciousness (light body consciousness) will provide for you is that there isn't any space between this moment when you are conceiving your destination and the destination itself! Australia is right here, this moment. There is no space in the moment of conception. This facilitates your plane ride. You arrive less tired. Supply draws itself together to produce what you have conceived. Therefore, your airline ticket will be there for you. Or you may not need a ticket! You may appear in Australia without any need for an airline. This vast "new" science is revealing itself as Man "conquers space" and becomes whole again (in conscious awareness) in me.

I AM the Resurrection...

Live in joy. Return to the Power of God that is within you. Let Me live in you as I AM. Lift your body into the resurrection process: the decreed flame of light. Release the old programs of death, disease and decay.

Let the body rise. It wants to rise into form complete. It will be translated into -the light of Me. New forms celebrate the Christ on earth. New forms are activated in joyous celebration of My decree: Let there be light!

This celebration returns Me to My creation. I shall vibrate through all My life, and there shall be no darkness, no darkness at all. I decree light ascending. Every cell and every atom shall celebrate the God Presence. Every leaf, every blade of grass. I shall not leave anything untouched. My hand will be upon all My creation and even the tiniest flower shall feel My radiance and know Me.

Have I astounded you? I think not. For I have planned this long before you entered Earth. Even as I have planned it, so have you ... as I.

Be kings of your own creation now. Holy is your walk upon this Earth.

Return now to the original creation from whence you came.

THE IMMEDIACY OF THE LIGHT BODY

Continued from page 3

IT WOULD PLEASE MY FATHER

Many cling to death. They wish it, they want it. They persuade themselves there is a death. Yet, in My Hour on Earth I tell you this: It would please My Father to have you well in Me. I carry the light jackets for all of you, if you would just enter Me. I AM the Light of the World, AM I not? The supreme master of Resurrection. Therefore enter Me and wear the body of light. As supreme master of this Universe, I call you unto Me to sanctify the Father-Mother in you as the I AM.

Hear the words of the Master, as He dictates to you the Jesus Program for the new age. Come to Him and hear His words, for He will speak unto you what I have given. Even as it (this Program) was placed on record - stored - within the plates of the Great Pyramid, so now I tell you the record is officially open and registered by the order of Melchizedek for you to read and register within your own consciousness. For, you see, this magnificent Program was not lost. It was stored in the Pyramid of Giza, the Great Pyramid of Egypt. (The entire record of the Resurrection Plan was stored in what is known as the Pyramid of Giza. However, areas throughout this Earth considered "sacred," thus well-guarded, have stored segments of this vital record: the Melchizedek record of the Deathless Race,

of which Jesus was a Member. One of these places (a Marae at Bora Bora) was visited recently by a group from this school. (For those of you aware of the Hierarchy: I, Crystal, have worked very closely with the Manu in the preparation and the release of these records.) The light body is yours to wear as you take upon yourself the consciousness of real life. Triumphant and Supreme, wear this LIGHT as your body, and move into the regions of Light and Love qualifying as the Radiant Sun Manifest.

NO DEATH

The light body has been given to you as your body. Resume your position in that body. Realize it is yours. DO NOT COOPERATE OR IN ANY WAY SUPPORT THE CONCEPT OF DEATH UPON THIS PLANET. It is the body of light that you stand in, yea, you walk in. Every time you have a thought of decay or disease, mortality in any of its expressions, extend your thoughts out -- sensing the light body as your body. Let all thoughts be there in that body of light. Practice this until you are at home in this exercise of supreme being. Qualify your body of light by your acceptance of it!

CELEBRATE THE NEW BODY

As you allow your consciousness to rest in the light body, the supreme body of creation, be aware that every cell, tiny molecule, atom of

Continued on page 7

THE IMMEDIACY OF THE LIGHT BODY

Continued from page 6

your body is as light, stars of your body-universe, lighted in expression, glorifying the Father-Mother God in the Son (who you are in My Word).

Know that these cells, molecules, atoms are programed in light. They are part of the light program of the Order of Melchizedek, which Jesus brought to Earth with His birth. He -- the One called "Jesus" -- was actually chosen from the very beginning of planet-time to reintroduce and personify the resurrection and the life program of My Order. Never for one moment were you lost, My children. I have founded you in Me as Life I AM. Thus Jesus was connected to this Program from the Beginning when I dropped My Seed of Consciousness into the Planetary Logos Who is now remembering the Bright Star of God Expression as All in all.

Permit the cells of your physical body (which is simply thought and can disconnect itself very efficiently from dense mortal vibration), permit every cell and molecule of your body to celebrate the new era. Allow the light to flow through AS THE RESURRECTION, the very Blood of your being. Let the Melchizedek radiation of Supreme deity celebrate the externalization of The Christ, the celebration of the Jesus Program.

I have given you as much as I can for this time. It is sufficient for you to digest and to comprehend. More will follow as the Great Emancipation begins: as we enter a new gateway of Supreme Expression, of triumphant Being.

This is the new dispensation. The Supreme Being on earth, qualifying Its own life-blood in you, as the power of God-centeredness calls all home in the body of light.

STAR CONSCIOUSNESS

Standing in the light body, you are as a star: radiant beingness. Thus you have entered STAR CONSCIOUSNESS where light is manifest and you are LIGHT.

In this star consciousness, can you see that there is no death? As you have widened the horizon of your consciousness, as you have stabilized in the light body (which is your body in the Creator), you have passed from "mortal" to immortality. This body of light, the body of resurrection, has been passed to you by the Master Jesus' presence. He manifested this body so that you, as Creator-children, might resume your place in the Son or Sun. This is the inherited body of the Christ Presence, otherwise know in Christian prophecy as the "kingdom."

Let me call your attention to this fact: Having increased your vibration and having permitted your awareness to expand into the body of light, where is that mortal body that you have referred to as your "physical body"? Is it not in the body of light? Then, if this be so, there is no mortal left in this body of light. There is only light manifesting through you as your form. Thus you require no "life-insurance." You are the LIFE of your self, the very Be-ing in expression I AM!

You have -- in yourself -- REQUALIFIED form and are radiant expression as I AM.

Iridescent, star-like form is activated. And you, My child, delight Me in this activation of the star-consciousness.

LEAVE THE OLD

You are the master of your own creation. The cloud has lifted, children of the light. Be quickened by The Supreme. Walk intelligently and with great love; even as Jesus did, so must you in My rhythm of glorious, Supreme Be-ing.

You, My dear ones, take control of every atom and every molecule of your being in preparation for the New Day upon this planet. You take command through the light center you are. I AM the Light of the World in Supreme command of this planet now through you.

OPEN TO THE MELCHIZEDEK RECORDS

The Melchizedek School takes you into the light body now, where supreme command is issued through the order of Melchizedek. The records, stored for centuries, are open. Completely open to you as you are ready and prepared. Death has lost its sting through Jesus The Lord.

This is a declaration of Oneness: that you have passed into a new dimension where new laws and new ways shall be perceived.

Your star-consciousness, which is on the field now, is your light body. You are a star, bright in the heavens of Creative Energy. A shell no longer, you have LIFE. Be creative with this life. Walk with compassion. Listen to the Christ within

you -- often called "the inner voice." Listen and Be. Realize this Consciousness as yourself. Listen well, My children, for you are the guardian of many who have come to be "saved."

Let it be advised here that this School has many books and pamphlets that tell you of the new program and the realms of light. We hope that you will take advantage of this wealth of material so carefully prepared for you this hour. Also, CDs with instruction and information on the light body can be ordered through the University store at <http://shop.melchizedeklearning.com/main.sc>. Watch for new selections coming soon!
