THE FORTY DAYS

The University Papers, Number 34

The UNIVERSITY OF MELCHIZEDEK is called the "School of the Living Word". It is currently re-introducing a Program that Jesus brought to Earth. That Program (Word order of Melchizedek) is the "greater part" that was measured out by His Life nearly 2,000 years ago. Now we work with the Presence of His Person as the vibratory rhythm of the planet. You must never forsake Him for He has given unto you NEW LIFE.

THE FORTY DAYS

This lesson is taken from Mathew: 4 of New Testament. The translation I have used is by George M. Lamsa. He has translated both the Old and New Testaments from Peshitta, which is the authorized Bible of the Church of the East. We are grateful to Mr. Lamsa for his valuable contribution.

Mat. -4: 1- Then Jesus was carried away by the Holy Spirit into the wilderness to be tempted by the devil.

And in this way was He made whole by Me. His actions were My actions. He was dramatizing the way for you.

Through the study of this portion we can learn much concerning the power of God, the merging of the power within you, and the submission to that power so that you can rise with It in the glory of the Christ message.

The Holy Spirit in the person of the Christ is stabilizing and the Creative Power is rising. Remember the battle is

not yours! Here now are the warnings concerning the tests of the Spirit as this Power rises and creates out of itself the new world of unity and divine harmony. So, watch and pray - all the way. Now we have the Holy Spirit in the person of the Christ stabilizing and the Creative Power rising in unity and in glory.

This scripture tells us that Jesus was led into the wilderness where He fasted and prayed for forty days and forty nights. Days without thought other than God-Thought. The scripture tells us that Jesus became empty. Surrendered, He was in the position to receive. And a new glory came upon Him as we are later to discover.

In this text we learn that we are to go empty to receive the holy (whole) energy of supreme fire and light as the Holy Intelligence descends upon us. This scripture does not necessarily tell us to go without food, but rather to go empty that we might be filled by the light of Christ! That is what it is really telling us here. We must "wait upon the Lord" or the Word. That is why we seek that emptiness that we might be filled.

*THE OMNIPRESENCE OF GOD
FILLS ME
AND I KNOW I AM*

The esoteric meaning, or the mystical meaning, of forty or four is God's Word. It is the number of perfect consciousness. It is the powerful unity of God and Man. This joining of the two in One allows the

translation of perfect units of energy into rhythmical and mathematical forms of light and love. It is the translation of energy into completion: God's Word in you. These energy units when they are functioning and are put in motion bear fruit. The units themselves vibrate as cubes of light. The Order of Melchizedek carries these cubes of light into perfect manifestation. The origin of the Word is from the First or Original Son, the Eternal Son. These units cannot fall because they are perfect in their origin, blessed of My Being.

Now we know that there is an erupting that takes place, as Spirit of Light and Life moves in to command, to bring into manifestation God's Word or Ultimate Power.

Mat. 4: 2 So he fasted forty days and forty nights; but at last he was hungry.

The scripture here tells us that "he was hungry". There is a saying: A chain is only as strong as its weakest link. The Holy Spirit is testing and trying Its vessel. A preparation is taking place for greater light. But is this the process you want to go through for the Light? How much will you release? How surrendered are you in My Life? The translation into Creative Power is taking place. Remember that.

In these moments of testing and

THE FORTY DAYS

continued from page 2

trying, as the Spirit is testing Itself, you have one person to rely upon, and that is your Inner Christ. That is where you go in these moments of Initiation. It is God's divinity in you that is rising. And you must never fear for your life, FOR GOD'S LIFE IS YOUR LIFE. And He has you well in hand as His Son. If you will remember that, that will get you through any gateway.

Mat. 4:3 - And the tempter drew near and said to him, If you are the Son of God, command these stones to become bread.

Jesus was hungry. And so, the tempter cores to Him and says, "If you are who you say you are, Lord of all creation, then you can command these stones to become bread." Why don't you do something for yourself, he is saying. What are you waiting for?

Here we have the lower self-signalling it is hungry; it wants food. We see the self-desire of our own being as the tempter within us says, If this Power is yours, if you have this God within you, then you can command the stones to turn to bread. You can live abundantly! You can use this - now this is important - you can use this Power for yourself. You can forget the Inner Voice, the Voice of God within you. You can forget your desired obedience to God's Word and His Way. Because you are uncomfortable you can command these stones to become bread, and you will have a good meal.

*He who commands in Me lives in Me.
He who lives in Me is My Own Son.
He who bears My Light is My Breath, My
Divine Consciousness.*

In other words, you can misuse the power and lose your place in Me.

Now here is the first law of the universe. He gives the first law of the universe here:

Mat. 4:4 - But he answered, saying....

And in truth, Jesus here is facing the race mind: He is facing the whole magnetic pulse of energies. And He is bringing it back home under His authority, His command. He is rooting Himself in Creative Power and is the Christ Word. He is returning Creative Power home to the Father's House. And so He speaks the words into creation:

It is written (and He says this with the full authority of God) It is written that it is not by bread alone that man can live, but by every word which proceeds from the mouth of God.

I am living in Christ, drawing from the Comforter. I am obedient to God's Word. My manna is God's Word. I shall not be tempted. Therefore, I wait upon the Lord. This is one of the major tests for the rising of the Creative Power. When you turn within, even though you are "hungry", even though you think: "I need this, I need that," you wait on the Lord (the Word). It is the stabilization of Power. You wait. And that Power comes under the command of the Higher Self, the Living Truth.

This first law of the universe was spoken as Creator. It is stamped in the record. It cannot be disobeyed. It is written that it is not by bread alone that man can live, but by every Word which proceeds from the mouth of God. And I didn't say from the mouth of books, but from the mouth of God! Right in the moment where you are!

So, what we are releasing here is our concern for ourselves. We are

stabilizing in the GREAT SELF, I AM. We are stepping further into the Light so we will not misuse this energy! It is the divine law of creation.

We are moving into God Be-ing, recognizing ourselves in the "I". The full precipice is seen. The first law of the universe is given. Power for one's own comfort or security, this is rejected. We will stand in God's Word.

As we continue in this text, we will see the word "adversary". The adversary is within us. It is that sense of self; it is that mind separate from God or Christ rule. It is that pollution that we call "ego", or mortal sense. The Apostle Paul often refers to it as "the old man".

Jesus, as I have said, was meeting the collective consciousness, the race mind. Everywhere that Jesus went, He programmed universal consciousness. He was establishing a kingdom of Creative Power and Divine Love after the order of Melchizedek.

Consciousness is the Cross of Manifestation when it gives way to the Father's Will.

(excerpt from MELCHIZEDEK GLOSSARY OF TERMS)

He is not facing His lower self, although you must. He is restabilising into His divine etheric field - into His position - of Universe Creator. He realizes here that He is in a position to speak, but will not lest the Office of the Christ speak through Him as the Universal Will of cosmos or the Cosmic Christ. He rejects the offer of the

continued on page 4

THE FORTY DAYS

adversary to misuse the Power He is endowed with. Where are you in this test?

continued from page 3

Jesus was here facing the devil incarnate or satanic forces on Earth. But this is also a mystical message of what we must face within ourselves as we take on the Power of the Lord, and leave the mortal behind. And what I am giving unto you now is likened unto initiations in the Creative Power.

Mat. 4: 5 — Then the adversary took him to the holy city, and he made him to stand on the pinnacle of the temple.

Mat. 4: 6 — And he said to him, If you are the Son of God, throw yourself down; for it is written that he will command his angels concerning you, and they will bear you up on their hands so that even your foot may not strike a stone.

Here is the test of power in its full force now. DO NOT MOCK GOD! The second law the of universe is firmly established on Earth. Man rises as a temple of God into spiritual realization; yet he must use his spiritual force for the good of all. He cannot allow his energy, his Creative Power to drop. He must not play games with his power.

Mat. 4: 7 - Jesus said to him, (now here he is stating the law) Again it is written that you shall not tempt the Lord your God.

You move in the Breath, you move in the Spirit. You do not have to prove God. God is. Only those who thirst for power in the mortal sense would answer such a challenge. One must not use this Power for self-gain. Do not mock God.

These temptations do come as your Creative Power rises to meet the Son of Life. These things we must face within ourselves and emerge victorious for the Creative Power to live and serve the human need, the cosmic challenges and the Will of the Father. The Creative Power seems to play on the "ego", sense of self,

until "it is finished and it is done". You must stand in the spiritual energy as One. Whole, complete in Me.

Living in the Presence is living in the Creative Power.

You are tested as to right-use of this Power. If you can pass the test you are given the name of Jesus on your brow. In this way, Man passes into the next corridor — by His Name.

Mat. 4: 8 - Again the adversary took him to a very high mountain, and he showed him all the kingdoms of the world and their glory. (kingdoms of the world)

Mat. 4: 9 - And he said to him, All of these I will give to you, if you will fall down and worship me.

Man once again is tested as a vehicle for God's glory: the Son. He is able to see what he can have, what can be achieved by this Power. All He must do is think of himself, serve himself. The devil is the ego, or sense of self. So you see as you rise in the Power, you have to let go of self, mortal self, the self that cannot rise with you, to be at one with God. God is really transmuting your system into the Son. But everyone meets these tests; in one way or the other, they are subject to these tests. These tests stabilize the Holy Spirit in you. And the markings of the Lord will be upon your brow then, as He ascends with you into the Light. The Melchizedek Power cannot be controlled. It is driven through the Son as Light. It is God only Who manifests this Power. IT IS STABILIZED IN HIM.

Mat. 4: 10 — Then Jesus said to him, (And here it is: victory) Get away, Satan, (dissolved!) for it is written, You shall worship the Lord your God, and him only shall you serve.

That is the law of creation. That is the law of the cosmos. It is the Word Incarnate. Once you are stabilized in this Power you become The Word. All the angels and Elohim sing this law. It is the focus unity, the position of the order of Oneness. It coordinates your being with God Being.

And now the victory is met in the sacred command of the Master Jesus. The third law is spoken: *You shall worship the Lord your God, and him only shall you serve.*

Mat. 4: 11 - Then the adversary left him alone; and behold, angels drew near and ministered to him.

God is in command within the human vehicle. Power is rising into higher Consciousness: that revealed Lord is the spoken Word. That is Lord - Word, Word, Word, Lord. And so, it shall be for all who take upon this, all glory and power to He who is given from the beginning!

And when we read: *behold, angels drew near and ministered to him*, AS THE WORD, the angels do indeed draw near. For they eagerly wait to accept the Word, the driven force from God, as It is given to create form. And do they love to hear the Word! the full Creative Power moving as the Word eventualizing as perfect form on earth.

The Creative Power rises out of the undercurrents of the subconscious mind; it rises into abundance of light and love, overwhelming Power in the creative state. And it is through this Power that God ministers to His people, through the angels of His creation. And you and

continued on page 5

THE FORTY DAYS

continued from page 4

He are one. God's Son has emerged. Heaven and earth are one. You are perfect in His sight. He has found His Son once again in you. (Here Jesus took command for all humanity. He cleared the way for you to rise and be one with this Power in service to All.)

DIVINE MIND IS CARING FOR ALL MY NEEDS.

UNIVERSAL SUBSTANCE SUPPLIES ME

AND ALL IS WELL.

And this is the story of stabilization of the Creative Power. It comes as an urgent message to all people that you receive His Spoken Word, His given Consciousness as Order of Melchizedek — Christ in motion in you.

SUMMING UP

When the decision has been made to openly serve God's Word only, to be obedient to His Will, at that moment, the angels minister to you. And every word that is spoken in this God Consciousness is clearly manifested in true form on earth. The angels of form are with you. They subject themselves to the Word and manifest through the Creative Power as given through Man from God. When you speak in the God Consciousness, you are Son of God then. Only God speaks the Word. As you agree with the Light within and speak at one with the Christ Being, you accept God Consciousness as your consciousness. You are a Son of God. He has brought into manifestation Himself.

There is a dispensation now that is moving upon this earth and that is the Spoken Word. The vocal cords shall carry the Presence of God. The Creative Power is restored to humanity.

In the glorious Word you no longer speak for yourself. You speak from the God Consciousness you are. *Forsaking all others, follow Me.* He that speaketh is the Lord. The one that rebels is always the lower self.

In every heart lies a Master, and this is your Higher Self. But you must live in the Presence of God to be with that Master. There is only one Master in Truth, isn't there? That is the God-Self, the I AM Presence.

Your responsibility is to the now, which is eternal and God-given. That is the function of the Enlightened Mind to live in that Presence and to live in the now. Without that position you will not hear My Voice and understand My Word.

As you expand in dimensions of light, you become one with the Word; you become the Voice. You become the Mind of Christ. But not with mind clutter can you stand like this. You must be willing to go empty to be filled that My Voice might be heard.

Truth is the Consciousness of Christ in manifestation. When that Consciousness is alive in the Word, as the Word, you are alive with it dwelling with My Comforter. Your brain cells open to revelation and illumination. A chill may pass through your body when you have received My Word. My glory will be upon you. For this day *I* have appointed that *I* might be. *I* the Word of the Lord.

THE LOVE OF GOD SURMOUNTS ALL OBSTACLES.

IN THE LOVE OF GOD THERE IS NOTHING ELSE.

BE YE PLACED IN LOVE

Listen to the Creator within you, for He speaks the words into creation. He is the

pulse of your energy. He is the vibration of your heart. He forms your words as love divine which calls angels into His creation.

In the center of your being lies the Creator - that which is called "Creator", the Heart of good. He that creates through you is God. His visible creation is God also. The test of Be-ing is in His Word.

Forgive and let go that the tentacles of past lives may drop away. For you must be born into a new creation of Life Divine. As the Creative Power rises as never before words are spoken on the Breath and called forth into expression in My love.

Always you must love. Your very tone of voice must carry the great love of the Creator, the Christ; for you must love beyond endurance, beyond your capacity to love. As you love I AM fulfilled. Gratified. And complete.

Ask for divine love; you will receive it. It is the power of My creation fulfilling itself. It is the projection of My Being.

You must give love through your voice, through the spoken word. It must come from you as it would My Son. Only in this way can you manifest a perfect creation. If you could but learn that the very expression and the tone of love in the Creative Power moves miracles into your existence. Even though you cannot love, you must draw that love forth by your desire and need for love from within your very soul. You cannot find the love you seek outside yourself. Draw it forth

DROPPING THE GRAVECLOTHES

The University Papers, Number 35

In the higher realms of our universe, the great Melchizedek University is a vast assemblage of Energy vortexes, releasing vibrations of Oneness and unification to be absorbed by all in the Light of Christ.

Dropping the Graveclothes

Opening the world to a new energy, signaling a new Creative Power entering this Earth. My children shall be fed!

Good FRIDAY - NOON - APRIL, 17, 1987
Easter causes us to be concerned with the Great Initiation and the releasing of the physical body to the Spirit. Jesus has said, "You must give up your life to find it." This is the Path of Initiation.

Jesus showed us the Way. He called us into His placement; He walked in the manifestation of the Christ Spirit. To know Jesus is to know *new life*. And even as He walked the Path of Initiation into new realms of Be-ing, God expression, so He beckoned us to follow. He called us into this Path. He called out to us, "Follow Me!" And He told us, "I AM the Way the Truth and the Life." He said these things and He meant them. He bulldozed the Path for us!

As you step upon this Path of Initiation and come face to face with your fears, lower desires and negative patterns, He Who has walked *before* you as Omnipresence is the Shepherd. Many times, on this holy journey you may feel discouraged and even hopeless, that is until you remember Jesus The Christ! With the remembrance comes new hope and faith in the promise of Christ in His field of glory and redemption. *I opened that Path that you might walk upon it.* So saith this one who has been there before you and who walks with you in the I AM Presence.

But you each must decide, in the loving light of the Christ, if you really and truly

want to enter The Light, the all-consuming Light of Jesus The Christ.

In the Absolute, in the Truth, all is One already. But the unfoldment of the Absolute is the path of the Christ or the return of the Son to the Father.

And because we have free will, each one of us has that opportunity to accept or reject divine Oneness. So each divides or responds.

Easter is a time of rejoicing. It reminds us that we are born in love and light. Regeneration flows into our body, our minds, our very spirit. We are vitalized in the new frequency and uplifted.

But if this is all you seek, where *AM I*? If you but knew how many times I have carried you - many, many times over. And I continue to carry you by My love, by My resurrection, by the field of energy that you receive when you think of Me or *My Word*.

You are blessed now with a new dimension of Thought and Feeling. It is the Continuance of My Being in, through you. As I say this, it is so. And all is blessed in Me.

The rhythm has been changed upon this Earth. Can you not feel it? Yet if you seek to feel only for yourself, then where *AM I*? Come, go into the Light where I AM. And know the peace of My resurrection and the blessings of My love. Open and Be. For you shall live in the Light, in the Lord Jesus Christ, Who has come to claim His own. I say, I AM the resurrection and the life. I AM brought into mind that I might raise your light.

If you gather unto Me, you will know My Word and the responsibilities will grow greater in My Voice. And louder It will become in the perfect rhythms of My Father God, so that all might hear the Son arisen and the full measure of His Priesthood. Gather unto Me now. Let the mysteries unfold. Come, stand with Me. I have a mission for you in the Light.

GOOD FRIDAY - 8:00 PM
Receive My Word as the Creator within you. Know that every Word I speak reclothes you and you vibrate one with Me in the tune of Resurrection. It is My Word that creates. Open the consciousness records of this planet now- that all might understand the universal Word of God in Its Christ Manifestation on earth! You must know that the Word is not apart from you. It is within you as alive as the Christ. It is referred to as the "the Kingdom". It is what you must find within yourself. Centered in the Light you will know the Truth. The Omnipresent God is the Light and ever shall Be. And the Truth shall make you free!

Your Breath carries the Life of God. All tension is released in the Breath of My Being. And there is nothing but the Light that is All – Consciousness God. The Mother reveals the Son. Let My crucifixion pass away. Let the Sons of God emerge as the Voice of Christ

continued on page 7

DROPPING THE GRAVECLOTHES

reveals them and reveals their ministry, their shining forth!

Desire-lessness does not mean without Thought. It is the Place from which I rise as I AM.

God empties us that we might be filled with the glory of His Son. When we look to God for His Word, His Desire comes upon us. When we know His wish, we are satisfied.

Speak My Word in Truth - for I AM the government on Earth. I ever shall Be! I AM not subject to any lower forces; I AM subject only to My Father. I AM He Who comes forth out of the Father. As you release My Word - I AM the One sent - you feed and restore My earth and all upon her. Thus, I call you unto Me that you might do this at this time. A restoration is needed! All false patterns can be broken and dissolved by My Word. And those things which are not of the Father-Mother God will no longer stand.

Remember that within you I speak as one with you; We are One in the Word. For I have been given the authority over the heavens and this earth. As you speak it is My Voice and the Word of God moves out to translate all that is not of Me into light.

Power of God rise, to the heart where you must love as I, to the throat where I must speak. Keepers of the Flame now walk in the splendor of the Christ. Divide Me not. Send out flames of My Being. Carry My Sound! Precious little time is left to heed My Call. I AM mobilizing My forces. I Would have you speak in My dimension, noting the sacredness of sound. My World is thrust upon you and the place that I have prepared for you is now receiving its citizens. That which is given cannot be undone. There is a new dimensional lift taking place.

We live in the resurrection flame. That is our dwelling place now, in the heavenly rhythms of Being. When you remember

continued from page 6

who I AM, you will know who you are. And even as you remember so cometh I.

The Beloved seeks His body in new dimensions of light and all Sons will merge as one Consciousness I AM (Home). The frequency of Power demands your attendance. The Master's Voice is your voice in the Creator Son. Through your power centers you will speak the Word and declare It. And the Father shall be well pleased with the Son.

The foolishness must end. Now full attention must be given to The Christ within your heart. Let the Voice proclaim Itself the Master of all. *For have I not been given authority by My Father over the heavens and the earth? I AM the LAW unto all things. I AM called upon to deliver My Word and It shall not be broken!* I will walk in you and speak through you as Truth, and the lie shall be no more. I will come forth as energy, divine Life, through your throat and I will thus command the heavens and the earth. And there shall be no more war. For there shall come upon this planet peace.

My World has come upon the waiting planet. It is My World vibrating in, through, all her centers as the new Earth, calling new laws into manifestation, quieting the pulse of her terrified heart, ministering to the kingdoms - My precious animals and such. Peace now shall reign BY COMMAND OF MY SPIRIT. I, the Lord thy God, have entered into the Creative Power and made it alive in Me. And it is from this power that all things are made.

The Lord God as Jesus Sananda, the Word made flesh, has become attuned to the power manifesting as our supply. We will find the dimensions of creation responding much more quickly in this new vibration. He has taken command in a new and different way.

If your body shakes, it is but stabilizing in the power of My Word and will shake no more when it becomes accustomed to the rhythm of My Voice and My sound upon your sound. I have come that you might have life and have it more abundantly unfettered by mortal existence. Now throw off the graveclothes even as I threw them off. Lazarus come forth! I will call upon you a new world and a body of Light. For you must have this body to rightly declare My Word in harmony with My nature.

SATURDAY - 2:00 PM
Divine Mind is my mind. Say that to yourself. Feel the Mind of God as your Mind now, answering all the questions. Answering the questions as the Mind of God. There is no other Mind in Truth. As you seek the Voice within, the Holy Voice of Christed Mind, hear Me as the Voice, the Beloved. As you listen to this Voice, letting It answer your questions, and vibrating attunement with It, you are aligning yourself to the Holy Mind of God *as original creation*.

The discipline of hearing the Voice of Oneness elevates your consciousness into Divine Mind. Peace and quiet is there. All-Consciousness God. In this Mind, you know all. The stimulation of the Mother brings humanity into a

continued on page 8

DROPPING THE GRAVECLOTHES

continued from page 7

higher elevation of consciousness and reveals greater light. (The Mother is the Truth Circuit of this planet. She is the Coordinator of all energy fields. She positions Herself in the Son as your Christed energy rises in vibrational flow.)

Turn inward for your answers now. Let this be your discipline. And wait upon the Word. But in this discipline, you must surrender yourself to Me, the I AM of your own being, which is the Christed Mind Intelligence. You will not tell Me what I will say.

SATURDAY - 8:00 PM

Beloved children of this Earth, arise now. Forsake your shackles. Be cleansed of all that has gone before. Be cleansed of that which has held you and bound you and given you pain. I AM with you now as Jesus of Nazareth. The One Who is sent. I have never forsaken you. I will always be with you. And I will never leave your side. I AM the Voice of God within the heart of humanity. I rise up as Divine Intelligence now (the Mother Ray) and glorify My Father in you. Enter into the vibrant energy of My spoken Word. Conduct yourselves well in this energy, for it is all of Me. You are My examples. I fathered you unto this Hour. I AM beckoning you to come forth. I vibrate the unity of all lands. I celebrate My radiation of love and light. And I call you into this celebration, this Initiation. As I speak, so it is. I call you forth to begin a new cycle on Earth of *divine oneness* in the Christ Body of love. I will not weaken until all are returned to the Father. I will call and I will call. And My strength shall not give out. I shall never stop calling you to the throne of God.

Alignment with the Inner Voice is that supreme corridor that draws Intelligence forth. It is mandatory to understand that you cannot look to a guide or "master" for the Christ Intelligence to vibrate through you as you.

Living in this powerful radiance may cause you discomfort for a short time. Leave the old records behind you. And live now with Me in the glorious resurrected body of My love for all humanity and all creation. I AM given unto you that you might rise into a new place. I AM rising with you, AM I not? In through you I rise. I bleed that you might love. And I receive you back unto the throne of God. The consistency of this energy will remain.

I return to Earth in a new way. Raise up your heads and feel My Holy Light. Concentrate on the holy rite of Resurrection. Feel the Holy Spirit, the Omnipresence through you as the joyous celebration begins and grows stronger and ever present, beaming out new life to all this planet. Feel My resurrection upon you - the lifting of My Spirit in you and the power of renewal pulsing through your veins, your heart, your mind. Peace be everywhere in the divine radiance of the Son as We stand together in the resurrected body - all one.

Let the Truth Circuit begin to open. Let the Christ reign as the vibration increases. of the Holy Mother descending to Earth, bearing Her Son (realized humanity) as a blazing light.

Remove the veil of illusion that you may see one another through My eyes. Let Me see through you who you truly are. Honor each other as you would honor Me, for I AM in the face of each one of you. Ye are in Me and I AM in you. I AM the body of light. You are the body of light. We are resurrected *together* as one Word.

You and I are One. In this new vibration, as I shower My Earth with the diamonds of My Consciousness, there be with Me. Take on the solar body, the body that I have created. It is That which is given from the Father to the Son. Wear it well, for it is My power of resurrection and ascension. Lighter and lighter, you will become, as you rise in the divinity of yourself who I AM.

The Son is risen. My solar body is proclaimed. Here upon this land all life is ascending. All life is feeling His Breath and His tremendous glory of Resurrection. Stand in the resurrection now, lovingly and with grace. Remember it is pulsing through your being as *I AM*, raising every particle into the place that I have prepared for you.

I AM resurrected; live out of Me. The body is rising to bear this light of My Consciousness, solar radiance. You are resurrected if you believe. In the name of Jesus, come forth! Build My Church out of resurrected power and glory. You are children of My Light, of My Life.

CHRIST LIVES, NOT I! LET YOUR CONSCIOUSNESS BECOME ACCUSTOMED TO HEARING THIS SOUND. CHRIST LIVES, NOT I! JOIN ME IN MY REALMS OF COSMIC POWER TO FEAST WITH ME OF THE LIGHT. YOUR FATHER JOINS ME IN INTRODUCING YOU TO A NEW WORLD.

The perfect unity of All-Consciousness

continued on page 9

DROPPING THE GRAVECLOTHES

divinely distributes Its energy to all parts of the whole.

In this way all things are fed by Me.

EASTER SUNRISE SERVICE

The life of The Son this Easter morning now rises as vibration through Man. Once stabilized, It cannot go away. A better life emerges than before. The Sons of God shall walk now. It is My time on Earth. I have gathered together those who are receptive. I AM ready to stand with them. The total Emergence has occurred in the etheric. And now the march of the *lighted vehicles* takes on a new meaning as I walk with you. The glorious Consciousness of My Word is with you, ever present, always present as the Creator Mind. The body and soul must live together in union. For the fleshly part must take on a new light of the Soul, emanating its happiness to be with Me. My I AM Consciousness permeates all the Earth. Rivers shall not be blocked and the life streams of humans shall know My Word.

I bless you in the name (rhythm) of Christ Jesus who is always present as the glorious Light within. He blesses you in His name, or rhythm, in His holy nature. And His body is gloriously connected to your body, and your body is with Him.

Now you see Him differently for He emerges as the Creator. *I send My light first and then I come.* And I will form Myself of that light (high-intensity actuality). And My radiance shall be Supreme God. And I shall belong with this Earth, and to this Earth I have come. I created it, did I not? I take up My Christ Universe Headquarters upon this Earth as the glorious flame of My Resurrection grows deeper into the Earth and brighter into the hearts of humanity and all creation. Let them be blessed with My love and by My radiance, Divine Fire on earth. The Star of David recedes. Another chapter begins.

continued from page 8

The Mother and I are One, perfectly attuned.

You are blessed by My radiance. I AM blessing all My disciples, those who have been with Me and with patience. I now pour out My glory upon them. Witness the resurrection! I will never leave you for My radiance shall remain. I will never call back that which I have given. The Son has risen. And He lives.

The lands were broken and they were brought to Me. And I have given them new life. Bodies that have crumpled for lack of hope can now be given new life in Me, My radiance Supreme. And I glorify My body in the Lord.

Drop your graveclothes and receive My Son Who is established in your system now. What He has given to you is permanent. He that is transmuting all life in His wake is in your heart and has risen this day. You glorify Me when you take up the Son's life, for you partake of Me do you not? The Holy Spirit rises as She is one with My Son in reflection of Herself, and goes forth with Him. He and She are One unified Be-ing. In Love and Light. So Be It.

You are resurrected in the body, mind and spirit through the Light of My Son's Life in you, through the Light of Jesus The Christ.

He that came was the One who was sent. I claimed you back through Him and there is a NEW ORDER now. Such is the Proclamation of Spirit unto Man.

You thirst for your identity. You pay man to establish your identity for you. When I have it in Me to give to you. Had you but sought Me you would find your identity and it would be

pleasing to us both. You thirst for your new name. I give you My Son's life in Me. *Thirst not.* For I have brought upon you a great Light.

The life circuits have been changed on your planet. Let that be known.

Radiance has descended and is bound to this Earth in the glory of the King! You embody radiance as you accept Me. Let your consciousness soar! Raise up your souls to Light and welcome this new radiance into your heart. Let the Celestial Heavens be a part of your being. Open to the Light! And God's garment of Creative Power is yours.

There is no death. I have abolished it BY MY WORD. And My kingdom is at hand.

Think upon this word: R A D I A N C E. Let it become a part of you; and you will find it in radiance with Me.

Go now and tell them. I have made you fishers of men.

Now there will be more life in nature, more divine Intelligence coming forth. And all things shall agree with My Light in the Mother of this Earth. And so, shall they who have called be answered. The trapped elementals shall go free. I bless you all in My name. The mountains will be returned to God and holy places celebrated once more. *Mountains arise and take your place with Me!*

The radiance and glory of our Father - Mother as the Son is lifting Itself through the trees and the flowers,

through the roots of all life, through the blessed animals, the angelic kingdom. All life is vibrating to this Sananda who is Divine Radiance in your system and in your life as you!

Blessed are they who take upon themselves My Body. And lo, I shall be upon them and they shall find Me in all life. Blessed be this Earth and all upon her as the sacred Son rises to celebrate a new moon. May the peace of God be upon you and His angelic field ever with you. He *has* come. Peace and Amen. A chapter has ended for Earth and a new page is open. Will you write in it for Me?

EVENING - 8:00 PM

You have entered a new era today and the Son is glorified. Radiance is now on the Breath, established as true form on earth. In the nature of your God Son, you are radiance. And this translates your whole body into vibrant, holy light. I bequeath to you My Son's Body as your own body of light. The name of your body is radiance. I raise you to the Son's glory now that you might shine upon this Earth as *His radiance*. Peace Be amongst you. The Holy Spirit descend! This is the Great Coming. Let us not live to die. But die to live. Therein is the secret of immortality.

THE FORTY DAYS

continued from page 5

from the depths of your Be-ing. Even though it is painful at first, bring through the love of the Creator for His creation. And then see miracles performed before your very eyes.

Blessed ones in the light, recoil not under My words but receive My love beyond your endurance and capacity to love. Draw forth My love, for I will love my own Being. No, you cannot love as I would love, therefore you must ask me to love through you beyond your mortal endurance. Open your hearts wider that I can express Myself into creation as I AM. Only in this way will the peace come forth — the peace that you have asked for upon your Planet Earth, the peace that you seek in your own lives, in your business, and throughout the world.

Do not look back nor turn the pages of the past. For *I* shall rise as the Christ force now. *I* shall rise in the glory of God. And *I* shall create through My love for creation. Peace shall be with you, but *I* must love. *I* must love in your heart, through your being. All through your body you must feel the quivering and earth-shaking glory of My love. I AM a generous Creator. *I* give you My love.

- Crystal

“The Resurrected Way” (in CD and Mp3 format)

"I AM the place within you that is sacred. And I AM ready to emerge as you." Skywalking with Master K.H. and all the angels of Light and Love that wish you well. The second half of this recording has a very good section on Supply. 60 min.
