IMMORTALITY

An Introduction

The immortals are a band of angelic beings who are dedicated to lifting Earth and freeing her into the LIFE I AM. LIFE is the spiritual program of the Universe. Our own Universe Creator gave His LIFE as Jesus to dissolve the death program from Earth and to requalify humanity as the Christ LIFE. You are an immortal as you think as an immortal. If you do not fear death because you are one of the LIVING, you are an immortal. If you feel for all life as an expression of the Spiritual BEING and refuse to enter into any act of death and destruction, you are an immortal. If you cry for Earth's sorrow and suffering and the inhuman treatment of the animal LIFE, you are, indeed, an immortal. You have God's plan within you. And you cannot be quieted now, for it is time for you to rise into your new body and cancel out shame. In this day of My calling, so you must come as Christ intended. Shut the doors to death and the false teaching of the world. Identify yourself as one who is an angel of LIFE. This is your time upon this earth, your moment and your God-given mission. As an immortal, be.

Building the Immortal Body

The Law of like attracts like prevails. This universal Law assembles and allows for the building of the solar planes of equal justice and harmonious interplay. It is the creative circuit of our universe. The play of energies between one another is the unification process. When all is said and done, God's Law remains in tact and has never been disturbed.

God's Law of attraction builds the immortal body of joy and light. As you consciously focus with your complete acceptance on the gift of immortality that is your place in Me, I harvest that immortality. It is My Self.

Now hear the words of the Master who tells us:

Destroy my body temple and in three days I will rebuild it. That which you see with your mortal eyes is hardly my body.

All that is within me obeys the Will of my Father. And as I intone the Will, I stand as Master of my molecular structure.

Every atom of my being is obedient to the Creator in me as I AM.

I AM Jesus of Nazareth speaking and this is my word. As you can accept it, you may have it also.

The very act of Jesus that was translated onto earth has made it possible for everyone to partake of continuous Be-ing without physical death. Here, Jesus has laid the blueprint for the overcoming of the death pattern. He, with his strength of consciousness, has probed and planted his Seed of the Son into every particle and every atom of life itself on this planet Earth. (It is on the Breath.) Those who can understand his presence as the new plan for all humanity can readily accept the overturning of the death program!

Remember the Law of Attraction: Like attracts like. In this way as you accept and nurture the Christ light within your heart, you will be magnetically drawn, like the Prodigal Son, back home. Or to put it another way: When you drop your old life and receive the Christ (I AM) within your heart as your own being, the light of your knowing dissolves all that is not of the Truth.

Deliver yourself into the Light that the Light might shine forth as immortal life in body form and in spiritual nature. Conform to no one. Be who you are as the intended. In this way do you become the Son, the rhythm of God in you.

Make careful choices. See that your decisions are God intended. (That is what the Inner Voice is for!) The sacred Son should be your awareness now. I AM closer than breathing.

Divine Authority

Take your authority back. Realize that only you in your own conscious awareness can decree Be-ing. And those sounds of Be-ing are the sounds of immortality breathing out into all life I AM.

You decide. You choose a life of death, a life tied to the death program, or the immortal life that is truth. You choose.

Do you wish to live a prisoner to the death program? Bound into the limited life? Where is your thought process? It is not a question of fearing death so you will decide to take the high road to immortality. For he who fears death is bound by the death program and has not the will to choose life in Me.

To be a prisoner of the death program is to conform to the patterns of a shortened life. Fasten now to the Creator in you and the power of the energy that is eternal life: a continuous free expression of Being with no stops and no boundaries of the mind and heart!

- o What might you do if there was no death?
- o What might your contributions be if there was no aging process, no disease, no beginning and no end?
- o What if you could choose your time to gather up your body form and reassemble your body by your will in another dimension, planet or even universe?
- o What if you could choose your own time of departure, leaving without a trace that you had been?

Commanding your energy field will assist you in remembering that no man must die. There is an order to life; this order is vibrating Melchizedek. The way has been shown. Follow that way and be about the Father's business. Let no man tell you how to think. Restore your ability to be!

An Exercise

To Be (An Exercise)

Stand in nothing. Be.

Draw a circle around yourself. Within the circle you have just drawn, place a dot. This dot is you. Your self. Between you and the boundaries of the circle you have just drawn is nothing. Can you see that there is nothing? Only the circle and the dot. The dot, remember, is you. What is the circle then? Give some thought to this before you answer...

What might the nothingness that is between you and the lines of the circle suggest? Do you feel positive about the nothingness? If not, why?

EMPTY BOX

Now, look at what you have just written. Are you satisfied with the words that you have written? The page is you, isn't it? You in this moment. Let's look again at the dot, the circle and the space between.

The Circle

The circle is the world. It is the consciousness of the world. It can be a playground for you. The circle is your body. It is your appearance. The circle is your willingness to play.

The circle can be widened or made smaller. It does not have to be the same size always. You can have it any size you wish by your desire and your willingness to play.

How wide is your circle now? Have you changed your thoughts about it? We'll talk about no circle soon but not yet.

The Dot

The dot is you. Who you are in Truth. You are the dot. The dot begins. It is the possibility, and the challenge. The dot is so small it contains nothing without Thought. When you go to the dot you are empty.

The Space Between

From the dot to the perimeter of the circle is the appearance of empty space.

However it cannot be empty because no space is empty; it is always full.

The illusion of space confuses the mind and chokes the heart.

Explore your space; the space that you have created. Dissolve the circle.

The circle is consciousness, even as the space is consciousness.

What happens when you dissolve the circle? Are you fearful?

Are you ready to explore the unknown?

And live from the dot only? The pure light of knowing?

Do you feel differently about yourself without the circle around you? What happened to the space that was a part of yourself? Can you create that circle again at will? Perhaps not the same exact circle, a different circle, further from the dot perhaps. ARE YOU OKAY WITHOUT THE CIRCLE AT ALL? ARE YOU STILL YOU?

Ponder on This

I have the Light Body prepared for them-in the name of Jesus (the radiation supplement).

By putting your attention on the Christ body of light and centering on that body, you will notice changes in you eating habits. You will become more and more conscious of that field of universal life energy called the Holy Breath. When your consciousness is ready, you will shift your attention to the Breath for your food, your vitamin intake and the solar nourishment provided by the Central Vortex of the Universe program, the Divine Mother. By taking your attention off the mortal body that is subject to death and decay and focusing on the Christ within, the vital body establishes itself as your body of Light. And this is your new body.

This intelligent body field has a rhythm of its own. Once you are conscious of it, you will become actualized" in My Spirit; forgetting the mortal field entirely, you will be written in the stars and returned to your previous beginning as the Sun-Moon. THIS IS THE CREATIVE POWER RESTORED.

Translating into higher energy fields results in new body form.

It is now possible for human beings to transfer into their Light bodies immediately by choosing to do so.

By refocusing their energy into their vital bodies, humans CAN move out of the lower planes of existence into the Christ Plane, the union of Light with Man

The vital body is your position in the force field of the IAM presence. It is this body that contains the chakras or centers for the regions of Light. You become a Cosmic Being as all chakras are open, functioning and stabilized in the Christ Light. If you are in tune with this body, as many are,³⁰ you may travel etherically now to the heavenly schools of Light. We want this to happen and to happen soon so as to raise the current of humanity's vibration on this planet. Therefore, you are positioned now as etheric vessels as you read and study this correspondence course. (The Immortality Course).

CONSCIOUSNESS OF IMMORTALITY

Believing in the world denies the world of light, which is your immortality circuit. Believe in Me.

Live with Me. Take into your awareness the God presence. With this Presence you are immortal. There is no consciousness of death in Me. I AM the One who comes forth when you look to Me.

The consciousness of immortality allows the God force of reality to express in vibrant tones. There is no compromise! Rise to the new life.

The Cellular Mastership

Meet every illusionary suggestion with the I AM presence, the perfect union of the two in One. In this way, surging power of the Father's Will dissolves the illusion, forbids and denies it.

From the point between your eyebrows called the Third Eye, be centered. Realize the Truth of Being. Then let the Creator or Creative Twins of your Self rise to that point between the eyebrows. Speak the words of illumination. From this point new creation emerges. This is the new covenant.

To order (as in the order of Melchizedek or divine way) the cells to return to the original plan for creation, it is necessary to release your present form. Your present form is released to the Spirit of God, to the GodSelf. Even as you are releasing what you see and experience as your present form, you accept the emerging light body that is fulfilled body form.

You will not wither away if you do this. You will become as light. You will vibrate as a younger and more energetic person with the light ablaze in the center of your forehead.

When you take command, as the new Adam and Eve, you create out of your consciousness or SELF a new body that is God's body in you. This body will prove itself as the immortal body of light. When you vibrate this body, you have the power to come and go even as the angels do.

Are you prepared to leave one body for another? Letting go of the form you are presently attached to as identity, in order to permit God's body (the Christ body) through you to take form, is your mighty mission. For you must do this-not only for yourself but for the emerging new creation.

The Order of Melchizedek

The passage into the Order of Melchizedek is the passage into the no death program. The creative order that was spoken from the beginning seals the knowledge of Truth and stores the memory records of the Consciousness of the Absolute Father.

Movement into the Order allows you to open the records of the Melchizedek Christ and to read the secrets of the ages in love divine.

Thus the Order of Melchizedek accesses Truth from its highest expression. The units of Energy that create this Order of Life Energy stabilize the planet. They are the basic memory codes of the new creation.

Throughout creation the living Order reigns. It travels back to the beginning and releases from that point of Realization a continual vibration, triggering points of awakening.

Find that Order. Remember it. Be clothed with it. Then seal yourself so that the power of the Order of Melchizedek will remain with you. Here is where I walk. Here is where you walk as the I AM.

Within the Order of Melchizedek are records sealed and stored. Among these records rests the root of creation, the story of Man. Once within the Order there is no turning back. You are the creative circuit of that Order and must adhere to the code of Melchizedek forevermore.

The Call

Now I call upon My Angels of the Resurrection Flame!

Enter this Earth as a body-as never before. Begin your work of divine love.

Separate out of the flock those who have chosen to be clothed at this time with light!

Designate them for Me by marking a White Cross on their foreheads.

Then rename them, as they would be called by Me into the Flame of My Great Heart, that they might know the Son as themselves.

Thereupon is My word. I have called upon the Power of the Resurrection to lift all those faithful ones,

who are ready to follow Me, into the light of My sacred love.

This is the Call. This is the answer.

I have a special assignment for you.

Take Authority

Remove all doubt from your system. Take command! Your body must vibrate complete awareness and subject itself to no dis-ease, illusion of decay and death.

Take command! All atoms, molecules and particles of illumination belong to you. They are your substance and must be controlled by your awareness. All and everything within your awareness must be functioning under your command and not another! No thought form that is not of your direction and consciousness should dominate or in any way influence the outpicturing of your form. You are in command. I placed you in command at the Beginning when I knew Myself as you.

And this I say to you: Every particle under your command must be transformed immediately as a light particle of your higher self. Place all your thoughts under your command. Learn to take authority for everything you do and say and learn. And take authority for your appearance. Go back to the beginning and resume your position as the Light of I AM.

Nothing, no-thing, should be released from you that in any way could endanger the planet or the inhabitants of this Earth.

Watch your words carefully. Do not talk unless you have the words to speak into God's creative flow.

Take the responsibility for harmony. Contribute nothing that could in any way disturb the harmony of the Way.

You are responsible. Let no one dictate to you. Submit to no one. Be a pillar of light and act as one who has been given the responsibility from on High.

You are technically responsible for all the heart is and has been. Meet your responsibility with power and recoup the losses of the days that have passed. Be knowledgeable in your world of light.

Walk Without Death

Those who have chosen to enter My life will be gifted with immortal life. They will be as ones who are immortal, who travel without death in their consciousness, who have been called to LIFE.

Now shall those who have given up their life find their life in Me. I AM the realization of life!

Now shall those who have given up their life find their life in Me. I AM the realization of life!

Lay not your body down to death. I would have a deathless planet, a monument to the one you know as Jesus, who raised himself out of death to proclaim life eternal through the very life-threads of Planet Earth. Now you shall feel this life-thread of divine love and radiant celebration. That is, if you want to!

The higher the crest of the wave, the greater the ride. Bring your awareness to Life. Be not afraid for the world is no Master. Have I not proven Myself to be?

Climb upon My ship of New Life. Reach up and claim the Son as your life; for I have prepared a body for you, a body of life.

If you would release the death program and begin to live NOW out of My Word as released consciousness of Myself, you would raise up many. Face now what I ask. Each point I present here is magnified many times over in the spiritual realms of My Being:

- o I would have you give yourself totally to Me that every part of you, every part of your system, takes on a new light. This is a major decision on your part, for without this you cannot go on into higher radiation of physical immortality and radiant new life.
- o You must be able to face the Sun without flinching. The Sun Energy now is your light body energy; it is the Mother feeding the inner Sun/ Christ in you. It is this Christ that is emerging as your true body on earth. The Sun will permit energy to

A Community of Immortals

The Founding of a New Life Community

To understand the way of the Immortal is to understand the passing into a whole new dimension where God is Life. And Life is not sectioned off but rather current, an ever-present reality.

How might an Immortal live in a community that differs with the way of most communities? But first, before answering this question, let's examine what it means to be an Immortal. NO SEPARATION! And beyond what is contributed here at this moment, you will find much offered on that subject in the following articles.

An Immortal is an extension of the God Presence visiting the planet Earth as a PRESENCE of divine love and LIFE. We want you to understand that TO BE AN IMMORTAL is not just for everyone, but also for all life intended. We want you to understand that the gift of immortality is found in the storehouse of the tree—the great Sequoias and the giant Redwoods are carriers of this secret—and now it is passed to you that you might know also the life intended, and the life that is yours in the glory of God!

You were seeded AS AN IMMORTAL. You were not to know death as you experience it on Earth. There is nothing written about death in the Creator's circuits. Life intended, or the I AM Presence, is limitless, rising and falling on the Breath of All Being. When you find that sense of reality, you will find the New World and enter it as the Anasazi have—the vanishing tribe who wait in expectation for YOU!

Jesus came to Earth as an Immortal. Did not the Master say, pointing to Himself, "Destroy this temple and I will rebuild it in three days"? And when He passed into the Light He became the Light Body for you. The Master says right now, I released My body into the Light that you might overcome death in your consciousness and follow Me. I AM ready to receive you as the Light Beings you are.

How might an Immortal live in community? We are all intertwined in the Creator's Will. The body and the mind are at one in the Creator. We have positions in the Light. We travel through the energy fields as Light. Thus, as we are connected in Consciousness as one Being, we are the community. souls of one Life. To live in this way, hearing and obeying the Christ (Light) within, allows the true intent of community to be born as a formation of the Suns of God—the body of Christ. Meditate on this. You will find much information in your own heart ready to unfold after the order of Melchizedek.

God's world is community based on His/Her Love for all as LIFE!

Elder's Meditation of the Day

-Coutesy www.whitebison.org

"Everybody should pray together, cheer along, root along. That brings the circle together. Everything is together."

Life on the Earth can sometimes be very complicated. Sometimes we think we are alone in our problems. Sometime we even withdraw. Then the problems become even more difficult. We need to watch out for one another, to care for one another, to pray together, to encourage one another; and we need to support one another. Behaving in this manner will bring the circle together.

Great Spirit, today, let me support my brothers and sisters.

CHILDREN & YOUTH CORNER

Awakening to Your Inner Child

(from the book "Inner Child" by Patricia Jepsen)

Deep in your heart dwells the Miracle Child. When you were first born, you were that Child. Everyone was your friend. You knew no enemies. The natural state of the child is love. We are taught to hate, to divide, to own.

It is quite possible that you were carefully trained to think like others. In school you have studied books of history, memorized "important dates" of wars and treaties, battles and victories. All this to pass a test and to move to the next grade and then to the next. And there probably was no question in your mind. Oh, you may not have appreciated the homework and the days of study and toil, but you most likely accepted the way. And when it was time to graduate, you wore the hat of graduation. People clapped and shook your hand and wished you success.

What are the possibilities when children do not believe in the history books and find no reason to memorize dates of wars and rebellions? What happens to our carefully thought out system of education and plans for survival?

What are the answers when children find the present mode of education boring and even not true?

As teachers and parents, what can we do about ourselves?

The Quest

The Indigo Children, Children of the New World (or new system!) have come to earth to realize with us that the present system in which we find ourselves must be changed. The questions the children ask are challenging the very roots of our way of life.

"What use is it to me to know the dates of world conflicts?" "Why is it important for me to memorize and memorize when I have so much knowledge in me?" "Why do you insist on teaching me what is good and what is bad, when I know myself that we are all a family made in goodness and in love?" "Why can't I, the Indigo Child, teach you, for I have much to give and much to share."

When we can approach the New Child in our classroom, home and community in the knowledge that
