# Entrance of The Madonna

The University Papers #122

*Holy spheres of light now proclaim a new age  
where Man and God are one. This unification brings  
the Madonna to the World Mother Center.*

Midnight December 24, 1997

A Message given to Crystal and the circle

The Energy passing through you is the Madonna light and it is here that it will anchor and remain. You have been truly vigilant all of you here to maintain this circle of fire so that it can anchor and pass through to the earth. Remain in alert for there are things that must be done to anchor this ray in its perfection.

Your ascension is imminent. By this I mean that each and every one will be lifted to the Master. In this way the corrections can be made specifically and all tests will be passed. The Mother passes the vibration of the

Madonna to all this Earth that it might rise in perfection and radiate outwards the blessed light it truly is.

## **The Madonna Flame is the new world of light.**

From the roots of the Madonna emerge a new world of consciousness. It is the ascension quality within you. It carries the Christ dimension and is the reigning frequency of this new day. As you carry forth the Madonna's music in your soul and throughout your whole being, you will find changes very apparent in your life energy and in your expression. You are truly born anew.

The Madonna is the presence of divine purity of mind and heart. It is the presence of the Paradise Mother as she bows to the lowest of lowest, little planet Earth and extends her arms outward to gather this little one unto her and recreate through her own presence the divine light that is the new world of this Earth planet.

Compare not with that other world, that which has gone before. There is no comparison

here. It is completely new. All laws are divine laws which are for the benefit of the many, and every expression through your heart is the Christ dimension extended to touch all life and to bless all life as a mother would.

Therefore walk in purity now and lovingly remember all as love would have you in this new world. Touch everything and everyone with love, with the love of the Light extended forth from the Paradise circuit through the Mother Divine to this tiny place in the cosmos called Earth.

Be still and listen, for Her Voice now will be heard, the sweetest voice ever told. What magic will come from this we ourselves cannot foretell. Only this: it will be beautiful, wonderful and just as pure to be! Listen now carefully to the great and powerful voice of the Divine Mother as She speaks to you of the final days, the emergence of Her Christ Office and the new dimension of light and love. When you have these words within, tell all. Do not confine your words to yourself but lift

them high in the horizon for everybody, for everyone!

*continued from page 2*

Even the tiniest of tiniest is loved by the great and powerful presence of the Divine Mother. Heed now the blessings that pour forth as mighty waves of abundance gather you up unto her that she might care for you as a son of God. Be lifted. Be lifted unto Her and as you are lifted, ingathered, remember the Madonna Flame, the Madonna Light, the Madonna heavenly ray. That frequency that is now outpouring upon this Earth from the very emanation of Paradise!

Behold the Madonna stands before you. She is grace personified and loves all the same. Her abundance is for the many, not for the special few. She loves in laughter and in joy. Behold! For that which has come is the great and powerful Mother of all the cosmos. And She is here upon the tiniest of tiny to remember you in Her infinite being as the most lighted one, the light that shall never go out. The eternal flame of God's breath. Wonder of wonders.

And here again She says unto you, **My son, My son, My only bespoken son, I am with you now and forever as the Mother of Christ.** Be of the purest of the purest. Each moment radiate forth the Madonna and every thought and every desire feeling will be of that which is so pure and so divine that only Christ can emerge. Be there now in the light of the Madonna as she sets Her Flame upon this Earth.

(December 28, 1997 World Mother Center, Tucson, Arizona)

## The Meaning Of The Madonna

The Vibration of the Mother Light direct from the Paradise alignment indicates an immediate readjustment to the projected World of Light, the Christ sphere. Throughout the teachings of this school, much has been said about the Mother line of immaculate perception.

The Madonna Ray or Light is pristine pure. It is the virgin light of all creation and bespeaks an energy that is complete in itself. An intelligent energy radiating out the Mother's will for the creation and Her position in creation as Christ embodiment. The presence of the Madonna Flame insures the coming of the Christ pure love and it also purifies the whole planet as a powerful blanket of new birth.

As the Madonna Ray was anchored to the World Mother Center here in Tucson, the presence of that immaculate ray was almost too much to bare. As the Madonna Ray was passed through me — and this occurred three times — I almost fainted from the tremendous power of its vibration. There remains here at the Center a power of vibration that is entirely new and Her presence of pure light.

## From The World Mother Office

We are ready to sever you from this world you live in. You have the preparation for this severing. You know what to do and where to go for your sustenance. Therefore at this time, let the world that you have been living in and walking in, be severed that you might know truly the world of light and join the angels in the God consciousness I AM.

And so the Madonna comes vibrating to us as the pure world of light and in Her we know Christ Consciousness and there is no rebellion, no rebellion at all. For in Her is peace and justice as divine love.

Trained to walk in the light, leave now this world of the mortals and walk in the light. In the great light of Sananda is the peace, the understanding and the new Jerusalem for you and for all people everywhere, all creatures great and small.

Light the candle of your own consciousness first and then go forth and light the world. Peace be unto you. I am Mary who has been with you for a very long time. I send my love out through you to all this Earth, to all upon it, to every living thing. Peace on earth and goodwill to men.

held by Mother Mary within the Planetary Hierarchy. She is in Meditation now, focusing on the God Seed within each human heart. Soon it is anticipated that She will declare the All-Son born as Consciousness risen. This will mean a new humanity, evolved from the power circuits of the Supreme, has been born and with this birth of 'new man,' the old world crumbles to dust and is no more."

## A Message, Christmas Day 1997

The Madonna is without the contamination of our present material plane. She is pure Energy of Divine Be-ing in expression now in many areas of our planet. Her passage into this planet benefits Earth herself and all who will accept the Christ within as Her Light Seed. *Be that clarity, that virgin light.*

Note: The Madonna Ray releases the energy of purity without the contamination of the material plane. Let your every desire and every thought be a part of the Madonna vibration. Receive Her in your own being. Know that as you accept Her Flame in your heart and mind, all your desires and your thoughts are for God's Plan and the good of humanity as a whole. Purity is your resurrection. Divinity is your person. Have the Life intended and realize your Christ Self. Heed the Light of the Madonna announcing the new creation.

## You Have A Job To Do

I will increase your understanding within you that your hearts may be

*continued from page 3*

opened further to the love of God which rests in all souls. That you might stir by your love the flame of Christ, the flame of Jesus. That you might stir the light of this same Christ within all men's hearts that man might seek God further, deeper into himself and find there the secret of the ages: I AM.

It is a promise land, a place of light and love that each has within himself. Look no further than your own heart. Seek no further than that Christ within. Carry this light forth among men and speak the truth to them as it is given from the Son. Lo that which shines upon you is the Sun within and the light ever present knows no death. I am Mary. I am the blessed Mother. I am the World Mother and I light your soul now with a deeper understanding of the solar lesson that you have for all men.

## Blessed Among Women

(It was Christmas evening and we were completing the book "Blessed Among Women" by Arnold Michael. As I closed the book, having finished the last chapter, these words came to me. - Crystal)

Be soft and gentle and walk with padded feet. Be clothed in light always so that all men can see your light radiant. Each one of you hearing this message tonight will make your ascension soon.

Though Easter may not be the day, it is the measurement of this energy that we call Easter that will come to you with the good tidings of your ascension.

There is naught that you can do but love in the rising of your Christ light. And there are gifts that you have not explored yet that dwell within your soul temple. Please now rest in the qualified sound of Mary, for I bring this sound to Tucson myself that all might understand the true birth of light that is this new age. In each heart there will come an uprising of Spirit. For the Master will show himself as face to face to the one who is delivered up unto him.

Teach the little ones of me. That I am the Mother of a new race of humanity. Let them know my love and raise them in my embrace that I might be a solace unto them and love them as my sons. Though storms may come, there is no storm in the heart of that one who loves. There is no storm in the heart of that one who is compassionate with all life. And no storm that can harm *anyone* who puts God before all else.

A blessing goes forth to planet Earth and to all those who are listening to the Christ light. This blessing will touch many and indeed start the resurrection of the heart to God. There is no turning back now for I have begun my reign, as the Lord has bidden me to do so, and I will take my responsibilities

# The Healing Heart

The University Papers #128

## Your Life Support System

The first and foremost position for all spiritual doctrine must be the place of the heart. Entering through the heart center or chakra enables the seeker or initiate to *know* and in the knowing comes the greatest of all gifts: the Christ.

The Solar Man is the Christed initiate. He/she is the One who has been sent to enable the Earth to rise like a queen of the cosmos. To shelter the Christ is your spiritual and soul mission. It is the purpose for your incarnation upon this planet at this time.

To be That which is called the Christ is to be loving. And as you can love without possession and without conditions placed on your loving and without judgment as to who you should love, you shine into creation a new foundation of God's divine body: the Supreme.

God The Supreme is the wholeness and the unity of all that is. It is the presence of God/Truth through everything and in all life.

## The Solar Ray

The presence of this Ray through all life is changing all life. It is transforming the full network of this

Earth's body and *will complement*.<sup>1</sup> It is the transformation of this Earth's body that is also realigning into the Christ body, or Universe network, all life intended. You must now prepare yourselves for an automatic change, an alteration in your present physical and etheric bodies so as to bring in greater intensity of Spirit. The Shekinah will shine; the Shekinah will be.<sup>2</sup>

Into the Melchizedek Energy Field will vibrate the Solar Ray of the Lord. This will facilitate the Christ Action on the planet and unify heads and hearts into one glorious revelation of oneness.

## The Healing Heart

Once the heart as the center of your universe (consciousness and body) is opened, you have the ability to heal and to resurrect. The heart, as it is open and free to radiate forth the Light and the love of God, *is the key to restoring your body to physical and spiritual perfection*.

Listen to the words of the Christ (your God center) as He/She speaks about love. These words quoted are found throughout the ages in the many cultures and

religious writings. Hear God (your true Self) as He/She speaks the Way and the Path to **R e s u r r e c t i o n a n d Enlightenment**.

- And you shall love the Lord your God with all your *heart*<sup>3</sup> and with all your soul and with all your might. (Deut. 6:5)
- Honor your father and your mother; and, Love your neighbor as yourself. (Mat. 19:19)
- But I say to you who hear, Love your enemies and do good to those who hate you... (Luke 6:27)
- ...God is love; and he who dwells in love abides in God. (I John 4:16)
- There is no fear in love; but perfect love casts out fear, because fear is tormenting. He who fears is not made perfect in love. (I John 4:18)
- If a man says, I love God, and yet hates his brother, he is a liar; for he who does not love his brother whom he has seen, how can he love God whom he has not seen? (I John 4:20)

*continued on page 10*

<sup>1</sup>The Earth's *will complement* is in position now to energize the body of Earth into a new position as a planet in the greater Solar Light. This solar will complementary energy field is known as *The Great Angel of the Cosmos*. It is this Angel who will lend a hand in Earth's transition and frequency change.

<sup>2</sup>The Shekinah Light Intelligence fortifies and decrees (releases) The Presence of The Daughter into the ley lines of Mother Earth where She will be heard and felt as the invisible Universe and cosmic Intent. She will release a Document that must be obeyed. By this release the world will change. Coordinated Spirit Intent is carried by The Daughter as Universe Mother Spirit/Holy Spirit.

# Why Look Back?

The University Papers #133

The apostle Paul said in his letters to his disciples that in Christ you are lifted out of the bondage of law into the fruitage of Spirit, into God's grace.

The story of Moses is not accurate. It never was as it was written and it has caused much suffering among humanity. The "god" of the story that is written in your scripture is not *Who I AM*.

You are lifted by My Presence into a way of grace, of immortality, of utter and pure joy in the presence of angels. You would do Me a great favor now to disregard that which was given previously *before My Son's birth*. My Son is the activity of My Consciousness, your awareness of Me in expression through your heart center. Be there with Me in I AM.

The law that you are lifted out of, by grace through the Christ Spirit, is any regimental tithing that is so rigid and so absolute that you are not free to hear My Voice. Essentially, you must live in Me, not in the laws of man. This "law" connects you not with the creative force of the Presence. Time and again I have sought to give you back your intuitive life which is God's world of love. Free man lives in the God Voice I AM, in harmony with My existence.

You see, from the moment the man, the woman repents, forgiveness is put into operation *at that moment* and you are lifted from the consequences of what we call karmic law. If you can believe this, if you can accept it, if you can walk in it, you are free right now; prisoners no longer of that which you have read and believed.

## Empty That You May Be

## Filled

There has never been a god of punishment. Those laws that were given were not My laws but the laws of the mind of man. I AM love. I don't care what you have done *if in this moment you believe you are free. Totally free in Me*. That acceptance of My rhythm in you lifts you out of man's law into the light of God, *no matter what you've done*. IN MY FORCE FIELD YOU HAVE DONE NOTHING!

If you are in Me and I am in you, we are one. THIS IS THE RESURRECTION. AND THIS IS THE CURRENT OF MY LOVE FOR EVERYONE.

I want you free in Me not caught in the boundaries of a superficial religion. He who is challenged by this must go deeper; I have greater mysteries to unfold for you.

Am I not the authority, the full authority in your life? Then be clothed with My Spirit and take up My walk and be Sons, true sons of God after the Order of Melchizedek. It would be a mighty act if you set fire to the old testament! You'd be surprised at what that might do. It would burn like a great celebration of My love. Are you afraid to do this?

We are shining sons of God and it delights God to be here with us as the Christ. Put down that which is no longer valid and walk with Me. Sons of God, march.

## Who Is Your God?

If you are still living in the world, you are a captive of the material plane. You haven't begun to

believe in the power of My Word in you. Many are still living by the material law and yet in Christ we are told we are lifted out of that law. We're lifted out of law—out of rigid thinking—and become instruments of divine will. Many of us are letting money govern our lives.

## Don'ts Will Never Get You There

No one will arrive at the Promised Land by the word "don't." The "don'ts" or "do nots" in your life must be exchanged for positive direction. The GodSelf (Superconscious Mind) knows only My way. The "don'ts in your life create obstacles; they connect you to walls. Thus I am suggesting to you that you put aside the commandments of Moses and rise to the released expression of God in you as the Christ or Sun of God.

My Promised Land is that place where I and the Father are one. *I and the Father are one. Melchizedek*. There is no earning grace. This has been a trying time for you because you have lived by the world. I would have you live by Me, by every word that comes from the very mouth of God.

Begin living by the Word of God *or words* so that you can really appreciate the dynamic authority that is there! Remember no one could have laid a hand on Jesus unless it was the time. Jesus

*continued on page 7*

# Why Look Back?

demonstrated he had the power and the authority through the Father over man's law at all times. He knew who to live by. Now, we might hear some words like: I can't go to this place or I can't do this. I can't because I haven't got the money, I haven't got the where-with-all. Whatever that is: the where-with-all. *But, you know, we move, we travel, we fulfill our assignments by the will of the Father.* If you go by the will, you will always get there. But you have to believe.

## A New Physics: Law Of One

In Living The GodSelf,<sup>1</sup> page 21, it says, "The life energy is My own. I AM filling the Earth with My Consciousness as light. I AM re-embodiment Myself into My creation. I disturb it not. "I come as peace and joy." As deliverance from an old way. "I come as *new life*". And I AM content to Be.

"In Me there is peace and justice. There is no war. In Me there is only life eternal: GodSelf.

"Weep no more for that which is lost and gone. But accept and come into the new life that is offering itself to you.

"Study this sentence: *You are in a field of consummation that is new to you. The I AM.* This 'field of consummation' is a conscious energy determining itself throughout this earth. The Presence of God is vibrating as *consciousness* and this consciousness is the new and radiant energy field that fills the planet.

"Because this energy is *conscious of Itself* as the Presence there will be a

*continued from page 6*

new physics based on unity and compatibility with all life. You will be able to converse and commune with the Energy itself!" The vibratory current of Energy that is correctly manifesting at this time is *God Consciousness* knowing Itself as the *I AM Principle* in and through all life.

The Universe Law of One says that all must return home, or to put it another way: There is order in the Universe. I AM That.

Anytime you wish a change in your present status of being, return to the One vibrating essence or the sacred Unit that is perfect order in the cosmos. Release (or surrender) into the Unification Principle of One Power, One God, redistributes your energy field and redistributes the correct adjustment from the Oneness of All Life into your field of experience.

**T H E H I G H E R M I N D ,** Superconscious Mind acts only through the One passageway of dynamic unity and realized consciousness. The God Center acts with you to cleanse, rebirth, manifest all the good things in life. **EVERY TIME YOU LOOK TO GOD, ONE, GOD IS READY TO CREATE AND REPRODUCE OF ITSELF. THE CURRENT THROUGH WHICH THIS NEW CREATION OR IDEA EMERGES IS ONE.** Can you

see why you are warned not to look back or return to your old ways?

So, the Law of One is My order. It is the God Plane of Be-ing and in this Oneness you receive the treasures of My heaven on earth.

Be of good cheer, My children, for God does not create through you, God is you. You are vessels of My own Consciousness.

You take it back to the One, the Omnipresence of God where I AM. There in the God Center the problem disappears. Where is the problem in Me? Jesus stated it correctly when he said, "I AM the way, the truth and the life." God consciousness knows the way.

When we read the story of the "prodigal son," it can be understood consciousness returning to alignment with the God Center, to the creative Center of the Universe, that atomic Center that forms and reforms in joyous evolution.

At that point of correct alignment, we are in the Kingdom of God, the Promised Land; we dwell in that affluent dimensional possibility that is our fruitage.

The Law of One tells us that every piece of energy, every portion of matter, must be returned to the Principle of One or God's order. **AN ORDER SO PERFECT THAT NOTHING EMERGES THAT IS NOT OF THAT PERFECTION.**

*continued on page 8*

<sup>1</sup>Both The GodSelf and The GodSelf, Volume Two are correspondence course available through this University online store at <http://shop.melchizedeklearning.com>

# Why Look Back?

And remember this: Your consciousness will carry the returning thought forms or energy to be translated into God material. Your consciousness or conscious awareness is the “prodigal son” who Jesus alludes to in his story. Jesus delivered the New Physics 2,000 years ago!<sup>2</sup>

This is the way the universe works. The universe returns to the one and the one shines forth as I AM. Now the reason that it has come to me so often to discourage “channeling” is because you lose your identity in channeling whereas you gain your real identity when you align with your Inner Voice or Thought Adjuster. You are speaking as One and thus approaching fusion with God in you or the currents of your ascension. God knows you as His “Son,” why call yourself by another name?

To return to Living The GodSelf: “Because this energy is *conscious of Itself* as the Presence, there will be a new physics based on unity and compatibility with all life. You will be able to converse and commute with the Energy itself!” In the Law of One, consciousness will be operating in *community* with the whole energy field that is the Presence of God now on our planet Earth. Harmlessness would prevail and love would flourish. And The GodSelf adds, “Here too you will learn about the angelic kingdom, the elementals and that unseen part of creation that will heal and resurrect the Earth.” *This is all part of our consciousness as we awaken to*

*continued from page 7*

*the Spirit within, the One.*

“It is a completely new dimension that I speak of. It is a Department of The Intelligence that is presently unfamiliar to you. Framed in vital programming of the GodSelf or Universal Self (All-Self), this new vital energy program awaits your command through the Voice. It is as though *you* must agree to push that button, click that key and enter into a new reality where all is one. Unity is the principle. GodSelf is the One.” THAT PRESENCE P E R M E A T E S T H E ATMOSPHERE BUT YOU HAVE TO GET IN TOUCH WITH IT.

“A *unified form of creation* is about to emerge and embody and this new creation vibrates intelligently with love.” Love produces harmony.

“You usher in a whole new era by your conscious alignment and recognition, of *who you are in truth*. Just as Jesus recognized His sonship so must you. For in this recognition there AM I. We are One.”

## AM I not Enough?

The attitude of letting money tell you where you can go, what you can do, what house you can buy, is living in the world. There is no place for this attitude in Me. *It has no presence in Me.*

Give God the authority for your life. If God is not the authority, there is no God; not in your awareness. When you allow life to express only through the passageways of your budget, your paltry savings, your pension, you are piecing together a poverty world of sickness and decay. I AM not with you because you have not let Me fulfill Myself through you.

In this way, when God, the Spirit of Good, is shut out of your life. you are shutting out the Kingdom of God and the ways of grace. You have placed yourself in human bondage and the laws of man. You have no place for Me. You have been told that you have to live in such a way and you believe it. Would that you believed as much in Me.

Believe, oh My people. As sons, you must come to your Father who lovingly embraces you and gives you *everything* you need and beyond. Oh hear that which is given, for that which is given is Melchizedek. That *is* the Order. It cannot be otherwise. The Order is the emanation, the breath of the Eternal Son.

God wants to be alive as the Spirit in you. God wants, delights in appearing *as*. But if we say, Well this is it, this is my life, this is my apartment, and this is my salary or my pension, then we have stopped the Spirit from creating and appearing *as*. That is life everlasting. *You won't die if you are continuing to associate*

with life. Life loves change. You say, I've got to have security. But that is death. What you call security is death.

And when we sit there and we try to figure out how we are going to survive for the next month and we look at these piddling figures on the paper, whether it's two billion or two dollars. It's all the same because it's all stagnant until we turn it back into God and allow, give God the power to produce of Himself as He wishes.

So don't let money determine what you should do and where you should go. *I AM Lord.* Set your eye on the Kingdom and the Kingdom will eventualize, the Kingdom will manifest. THE PROMISED LAND is within you just waiting to be discovered and *occupied*.

### A Magical Recipe

**If at any time you feel out of alignment with your God Center, simply say, "Thy Will be done." So simple and often forgotten. These few words will automatically, if you mean them, straighten out the crooked path, the seeming misdirection you may have taken. God gave us those words to be with**

seriously as the Mother of the human race.

I have brought upon you a new light that will be carried forth when you leave here. And each one will be blessed by my hand and by the works of my hand. And in this way they will bless many. As Jesus would have me say: *Love thy neighbor as thyself. Love God above all else. And deliver up my people unto me that I might pass them to the Father.* So shall I say these same words unto you that you might know the truth of them.

Bless now the Christ that dwells within you. You and that Christ light are one. You are nature of God. And you are body, mind and spirit of the Christ light. Each moment is divine as I resurrect you into the Christ child of the holy name.

Live in the moment as you are wayshowers of the new way, a brand new way of being. I am continually with you and I will not leave your sides nor do I intend to walk away. You are ever with me as the child of my heart. I am Mary your blessed Mother come amongst you. You will sow mighty seeds on earth; each one here.<sup>2</sup> Your reverence for the Spirit is well known and places you in the highest of high.

Dwell now in peace and with me and walk not in the future but in the moment. For each moment is rich and wondrous and pure. This is my way and it is the way of your Son the Christ. I announce this Way that you might walk with me forgetting the

past; remembering only the beautiful light I AM. As a fountain, a breeze of holy breath passes amongst you now, know that you are risen and that I, the holy Mother, have been with you a very long time. That I rejoice that you are now with me in a body divine as a glowing sun. Let now the light of the Divine Mother, as the creation stirs, touch this planet Earth and bring into awareness the God within. And let each heart be opened further to the blessing of the Son of God, the radiance Supreme. Let the heavens awaken also to My Voice and the angels prepare to receive more.

**The passing of the Madonna Ray to this Earth blesses the Earth herself and all life upon her.**

**When you live and have your being in the Mother, you are unified with all life. There is only light, there is only love, and that is the Christ.**

**The ministry of the World Mother Office is to administer the Madonna Ray so that it lovingly imparts itself to all hearts,**

**opening all to the revelation of the Christ within.**

# The Healing Heart

*continued from page 5*

- A new commandment I give you, that you love one another; just as I have loved you, that you also love one another. (John 13:34)

(These quotations are from the Holy Bible,  
From the Ancient Eastern Text, George M. Lamsa's translation.)

## *Love is the fulfiller....*

The purpose of Love is to unite all Life in the Creative Power. As you love unconditionally, asking nothing for yourself but to *be* this love, you are requalifying creation with the Father.

*As you learn to love in this way, your heart center or heart chakra will vitalize and bring new life to the body and the mind. You will be requalified in My Spirit as a Son/Sun of God who is dwelling upon this Earth to heal, to resurrect and to Be. He/she who is not given to these words cannot find his/her heart. - Sananda<sup>4</sup>*

In your own practice of heart-opening, be alert to when and where you defend yourself, in what manner you defend yourself and for what reason. Then lay aside this defense and go to the heart where no defense is necessary. *I AM all in the heart.* Once the heart is stimulated to love unconditionally, you are a master.

Be alert to when and where you find yourself closing your heart. For there

<sup>4</sup>Sananda is the ascended name (nature) of Jesus.

is the place *to open wide*. All discomfort, disease and even the death code is related to the heart center. If you can open your heart like the Sun, the Christ as wondrous love can heal all infirmities. The healing Jesus represents your healing heart: the Christ.

All healing is directly related to your heart chakra. Stay open that I (I AM) can love through you. Wish everyone love. Be love yourself. Glorify the Father in you by love. Know you not that if you love as God loves, I AM? Accept right now the Presence of the Christ within your heart. Allow love to be released to all in your past and present thoughts. And seek love only in your life. Remember, love heals where hate and bitterness do not. God's Sun wants to love in and through you as the mighty Solar Ray of the Christ. Receive this love and let this love rebuild your body temple.

## *Words Of Love*

- Hunger not for love, for love has already been given you. AM I not love?
- Love yourself first before you love Me. For how can you know Me if you do not know yourself? I AM.
- The love of God transfigures and transforms.
