# Earth Initiation

The Solar News, Vol 1, Number 11

As the Teachers of Light emerge and the declaration of this planet has been given, the Solar Light shines as the Second Coming in man or humanity. This event has been foretold many times in many scriptures, as well as in the loral teachings of indigenous peoples.

The event of September 11, 2001, signaled a cosmic event of great proportions. It is the planetary initiation into solar dimensions, and it is also an important Initiation for the human race.

When mass karma was allowed to collect as the event of September eleventh, we witnessed consciousness in its many radiations and variations. Most important was the immediate response of so many to the Call to love.

*All must love in My Hour of the Second Coming. I AM the presence of love in you. It is the love of Christ for all, no matter the conditions and circumstances. I AM the love of God in you. And in My Hour of Second Coming, humanity must stand in this love as the resurrected body of Christ.*

*Without this love weaving itself through all creation, you, as a human being, will be prevented from entering the new dimensional frequency and the Solar Son.*

*Do not fall under the manipulation of your governments, for I have no enemy in Me. What collected, as this event of September eleventh, was enemy consciousness, the belief in an enemy, the belief in two powers when I AM One.*

*Unify yourselves now under the Christ governance and the Solar Son. Ring out the Truth and birth together as collective Christ Consciousness the World of Light.*

*I ask you as a group to meditate and to hold the candle high. Peace will come as you, yourself, know peace. I give you this day a*

*Restorative Prayer. I ask you as a group to agree to meditate and decree this prayer twice daily. It will open a door. I have prepared you for this. Join together in the light of love, without fear and without judgement. And lo, God is with you as "I AM."*

### Prayer of Comfort and Release

Prayer to the Holy Spirit

***I behold the light of the Christ within all.***

***It is the marriage of humanity and God.***

# This Planet Shall Be Ruled by Love

The Solar News, Vol 1, Number 22

*Your position now is to bring  
Creator Michael's Voice into this  
region.*

*His Voice must be heard.*

This planet must be ruled by Love. This cannot happen if mankind is punished for his wrongs. The loving hand of the Father must be realized to bring peace to this planet. The following mandate is being issued:

**Peace.**

**God's word is to flourish, for the Kingdom is come.**

**The mountain has been reached.**

**The Solar Logos cries, "Enough!"**

**Man has suffered many times - There is come a time of no suffering and repentance is no longer needed. There will be no reason to suffer or means of suffering.**

I will be removing all suffering from this planet, and I will close the doors to suffering as it has been experienced. Even childbirth will be experienced without suffering of any kind. I will close the door to suffering.

The thirst for knowledge will continue, colleges restored, education will reach a new height. The college that you choose will designate the path you follow, be it of music, philosophy, government, etc. There will be no end to your studies, as the fire of your mind will be lit.

This is a bright New World in which you live, enriched by the Power of God and His-Her Regents of Love.

Be at peace now, little family. We are One. And no one shall dwell within your boundaries save those caring souls who serve with Me in the Father's name.

Speak now of alignment:

The Word becomes flesh, governed by the Planetary Prince<sup>1</sup>. Those who speak in tune with Him will refresh this Earth and rebuild her.

Lean not on another. Each is loved the same and each has ability to realize God's word and His-Her program of divine Love.

I have just desserts for each. Realize this. We are a family; we serve in love and make much.

*You have just heard from the Planetary Prince and the World Mother Office.*

Peace be with you. Follow the Plan.

## The Christ Seed

We are going to overturn prophecy - negative suggestions,

false authorities and egoic writings - denouncing them as untrue and unjust. Peace.

Because—

The Seed has been restored within individuals. That God Seed or Presence does not wait to be realized or discovered or accepted.

It grows on its own, acting and reacting with the Will and Love of God in man. This Heart-Seed will overcome any negativity and rejection in man. And as a beauteous flower grows, so will it. It is Man<sup>2</sup> or Second Adam.

The Creator aspect within each individual serves as governance and it reflects the wishes of the Planetary Prince as God's Word.

## SEED THE CHRIST WITHIN!

This is the level or vibratory reality of humanity.

There is only Christ now living within humanity. Nothing is to be observed but That.

You are going to live in the Christ rhythm as the Planetary Prince has decreed.

The Cross is lifted.

<sup>1</sup> The Planetary Prince is Sananda. Sananda is the ascended name of Jesus.

<sup>2</sup> Consciousness.

## The Rise of Mother Earth

A Message from the Angelic Kingdom

She is in the midst of rising right now and those who are conscious of her rising and transformation hear her cries from her heart center.

The world is not ready for her to rise. We know that. However, we have held back too long and it is time. Just as a mother giving birth, Mother Earth must bear her child that is the new creative dimension.

Those of you who have animal friends, who abide in your household or in your farmyard, pay attention to them. They are going through a stressful time and they will need your assurance and loving care. Just as you are learning the ways of the planet and her shift to higher consciousness, so your animal friends need to know what is happening. In this way, they can help.

You will not be killing animals soon for meat. And you will no longer even consider this as you will find it distasteful. Knowing this, all animal life will cease to be predatory. This message alone, as it passes into the grid information systems of our Earth Mother, will create a peaceful vibration with the animal kingdom. Human beings will be able to walk with the animals soon without fear, as did the great Albert Schweitzer. Recall that the Greek philosopher, mathematician, and mystical teacher Pythagoras said, "For as long as man massacres animals, they will kill each other. Indeed, he who sows the seed of murder and pain cannot reap joy and love." (Pythagoras was an incarnation of

the Master Kuthumi.) A note of interest that may quiet minds a bit. The well-known exotic animal trainer, Ralph Helfer, experimented on one of his favorite lions. He fed his lion only vegetarian food for a certain period. The lion was happy and content and suffered no ill reactions.<sup>1</sup>

Animals are closest to Mother Earth. They lay upon her, their paws feel her words as vibrations and their instincts tell them when she will rumble, storm or fill the land with water or fire. They are feeling her now and they are troubled. They want to help, but they do not know how. They need your understanding of what is occurring, and you can give that to them through personal contact and communication and/or through the angelic kingdom. Let them know that all is well - that the earth is changing and that you are changing. Many animals and "people of the sea" do not know this and are worried and anxious. Keep your thoughts high and your vibrations clear, so that they can feel your assurance.

This is cosmic change on a grand scale and they know it!

Here is a message just received by my angelic friend and partner, a golden retriever/husky mix named Copper: "Those animals who are not ready to transcend will pass away from this earth. The others who are ready will continue their

work here and become angelic beings serving Earth Mother."<sup>2</sup>

### *Plants and Devas*

Plants, trees, and all living things need your help. They want to know what is going on. Those of you who have learned how to broadcast into the ethers word messages of comfort and Christ Truth should be doing this now. Listen to your Inner Voice and let messages go out into the many realms of Be-ing to assure all life that humanity is changing and all life will be happy and complete.

Expect beautiful radiations coming from trees and plant life. Acknowledge with a grateful heart your connection and partnership with the devas, nature forces and the angels. They all are waiting and want to help and they need you to be with them, as Mother Earth drops her dense body and becomes the lighter body of a solar energy planet.

Walk slowly. Breathe slowly the Breath of the Mother. Know She is with you and is building a new body for all life forms. You will leave much behind as you ascend.

*The lessons forthcoming from the University of Melchizedek will continue to give you instructions as you proceed through the doorway into the light fields of the Fifth Dimension. The Solar (Son) Energy is with you and new vibrations come to assist you in your graduation into Light Intelligence.*

# Operation Earth

The Specials, Volume 6, Number 2

The resettlement has begun. The process of uniting all fields of energy - as The Christ descends - manifests as the creative surge begins. Look not to the past, rather enter the new cycle, and rejoice as the new radiation of your Christ identity fulfills you and gives you added momentum in your Earth assignment.

A Call is going out - perhaps you have heard it already - to leave your nets, to let the dead bury the dead, to join with the Light Forces in a united front of activity through the network of The Son.

Ask that it might be given. Seek that you might find. Brother must join brother as the Creative Force rises, generating much action.

The sacred Solar Identity of Man is being coordinated with the Christ Seed and revealed. Connecting to the solar identity, Man achieves his/ her whole self or GodSelf *consciously*. As this occurs, Earth vibrates her solar Sun. She casts aside the shell of density, realizes herself as light, and begins to shine as the Golden Child, an immaculate creation, and the very heart of the cosmos.

We now enter an era of golden vibration thrust upon us by the Heart Children, the Creator's own.

Live now productively in the light of The Son/ Sun Emergence, Benefit all in your actions and your deeds because the Life Force is with you

only as you are mindful of the whole. **Operate as the light force now.** It is your destiny to reveal Christ in you as heaven sent to earth.

The peacemakers on this earth will unite *as one Body* to reveal the Kingdom of God. The Golden Body or Sun will meet the solar level of the planet. When this occurs, new dimensional frequencies will pour into Earth and all will be changed in a twinkling of an eye.

Only the ego divides. Retain *y o u r G o d h o o d* by consciousness of the One. He/she who is present in the One is lord over all. It is here in this place of divine oneness that your Christed Self shines forth to the glory of God and His, Her Kingdom on earth.

Solar Consciousness contains the Inner Voice *as activation of the Higher Mind*, When you have this consciousness and know it as your own, you are ready to serve the Hierarchy (God's appointed government) and to take your place as a lightworker.

It has been announced (July 22, 2000) that Operation Earth has, indeed, begun. Let each one know where he or she is to resettle. Serve the Plan. Walk

quickly and quietly to your place. Then wait for further instruction, as we now move together as a collective whole, a network of vital change.

## Anchoring of the World Mother Office

On July 10, 2000, 9 AM, at Mount Shasta

The World Mother Office has been anchored for Planet Earth. This announcement was released as through an etheric broadcast as a climax to a successful stay here at the foot of Mount Shasta. As I broadcast the news of this important occasion, I sensed a new era of world governance: a time of compassion, consideration for the network of Earth Community, and the recognition of the Christ Voice as the divine shepherd. Under Mother Mary's leadership the Christ will be born in every one, not one shall be left behind. Reborn, each human being will rise as the GodSelf, divinely ordained to meet his or her own Second Coming.

# "Blessed are the meek"

The Solar News, Vol 2, Number 26

**"Blessed are the meek, for they shall inherit the earth." (Matt. 5:5)**

Who are the meek? What did the Master mean by the word meek? Who are these meek ones who will care for our planet, remain here and govern? Who are these ones?

The shelters are provided so that you can remain on earth in the times to come. She, Earth, will be changing her garment and becoming a mighty son of light. She will be troubled no more by the laggards of these past decades. She will glow in a timeless way and she will become more affluent in her contribution as an earth mother of Christ emanation.

Those who remain will be translated out of body into a new arrangement of form so that they will complement Mother Earth in her supreme position as the Christ Office in the solar system.

Many visitors will come who are anxious to partake of Earth's wisdom, her knowledge of translation and Christ emanation. This will trigger a *new School of Scientific Studies* that will attract many from other planets and galaxies—not only to contribute as teachers and traveling professors, but to learn of the vast knowledge contained within our Earth path. She has learned much in her battle with the negative forces.

There will be a resettlement of Earth and those who have the meekness to hear and listen to the GodSelf will remain here by choice to assist the Planetary Prince in His Office.

The struggling Earth will then be content. All the world will settle in light. There will be no sections disputing. By the order of our Planetary Prince and the World

Mother Office, there will be no arguments, conflicts or wars. All will be resolved in a court of LAW as given through the Prince to His people in the name of His glorious Father and generous, bountiful Mother.

Be glad you are here on earth, for she will need you to right the wrongs that have been so plaguing this planet and her children.

Speak up! Glorify God! The battle is not won yet! It is not to be won until the resettlement has occurred. Will you be one of them who have been chosen governor of a New World?

In meekness and in My Name you will inherit the Earth.

Seal of Sananda
