# The Healing Power of the I AM

The Specials Vol. 5, No. 21

The presence of Love is the guiding power of the Universal Christ. It stimulates the nervous system, activates, and balances the endocrine glands through which the chakras express; it makes whole.

The value of the Christ energy is Love. True Love is found based in the endocrine glands as a place of energy adjustment to the higher mind frequency. It is here in the glands that the pure reflection of the Holy Christ or Whole Man can vibrate and translate all energy patterns into one whole Be-ing of Love and Light.

The blueprint of the Christ (Man made whole) is found in each of the endocrine glands. If personality interferes with this blessed expression, you are marked with illness. When the whole consciousness is made whole in Me you are well.

To keep the endocrine glands clean and nurtured, practice the Melchizedek Vowels that were given by the Scribe Minerva. I reprint them here at this time.

Intone the vowels, beginning with "A," descending the spine. Then

declare the words IN ASCENDENCE. Repeat the vowels from "R" through "A" ending with the declaration I AM THAT I AM. As you vocalize these vowels you are in the resurrection energy. Focus your full awareness on each chakra as you sound the vowel both descending and ascending. Whenever possible, stand rooted on the earth ground or the floor of your house, barefoot, with legs spread in a determined stance. Visualize the color for each chakra as you say the vowel.

## SANANDA'S VOWELS OF ASCENSION

After the Order of Melchizedek (the Order of the Perfect Man)

A	CROWN CENTER	MOON	VIOLET
E	THIRD EYE	MERCURY	ORANGE
H	THROAT CENTER	VENUS	DEEP BLUE
I	HEART CENTER	SUN	GREEN
O	SOLAR PLEXUS	MARS	RED
U	SACRAL PLEXUS	SATURN	YELLOW
R	PROSTATIC CENTER	JUPITER	LIGHT BLUE

The power of the Christ Love must flow evenly through the glands. As the chakra power is increased, kundalini will be activated as Living Light manifesting the true body of Light or God cells.

# The Healing Power of the I AM

God's cellular network is bound together in perfection expressing the Christ body. This Christ body is the Personality of Love benefiting mankind, all humanity, as the radiation of pure form. Once that is activated, realizing itself as Divine Love, there is no death. Only Light can perform of itself – the solar light of joy and love. God calls you to this place in Himself now.

Practice these vowels and realize as you do so that you are aligning with the Creative Power of the Son.

## OPENING INTO LIGHT

You will find that as you clear endocrine glands by practicing the yoga of love and work with these vowels day and night, that your whole body will radically change in form and design. The full Man will be emerging *as intended*.

And as the endocrine glands are allowed to become the proper vessels for the gifts of your Spirit expressed through the chakras, kundalini will be activated and it will contribute the enormous Light, the Solar Light, the

Coming of the Christ. Kundalini is the electrical impact of God Awareness that expresses accurately and with precision and balance through each chakra and gland.

A reminder: Forgiveness paves the way for this clearing and balance of the chakras. Pay particular attention to the Master Jesus' words concerning unconditional love and forgiveness.

May Love and Life guide  
you in all your ways.  
Peace and goodwill,

# Discernment and the Creative Power

The University Papers No. 165

Remember the warning of the false Christs.

Many will proclaim themselves of Me.

The End of an Era  
Until they lose themselves in Me,  
they are not of Me.

## The End of an Era

We are flooded with voices, the voices of the past, of guidance instructors who wear many hats and sit upon many thrones, of pastors and preachers. These voices mean well for the most part but they do not carry the resonance of the true Voice, which dwells with all as the Christ I AM.

The signal that you are hearing a false voice, or a voice which has no authority in the new dimension, might be the inflating of the ego or sense of self. False voices will often flatter and even cause fear and shame. It invariably tempts the chela by offering a glamorous alternative to the "narrow way."

There is only one Voice in Truth and it is the Christ within, your I AM Presence thundering forth the Word of God, the Intelligence of God as I AM. No man has this Voice until the complete surrender has occurred in body,

mind, and spirit. **So that all might know My Voice, I come again as your Teacher and inner self, the Light of the World. Listen to My Voice and My Voice only for I AM the Word Incarnate.**

The old world is dissolving quickly. Your world as you have known it is not My world. *I have come that you might know My world.* It is a world of completeness and release of the self. Only the testimony of Oneness bears witness to My Voice, the solar consciousness of the Creative Power and My Son.

Therefore, test the spirits. Oh, they will entice you with many nice words, but they are not of Me. What is of Me is the Creative Power emerging as I AM, the power of My expressing in manifest form. Leaving all else behind, raise your thoughts to My Consciousness and let Me speak to you as I AM. I AM the Way, the Truth, and the Life. That is why I say, "Follow Me."

Be not tempted by any substitute, nor guided by that which is of past incarnations. The Consciousness I AM is now, this minute, Supreme. I would have you enter My world and be with Me as the Solar Light I AM.

The bridge you must walk to the Higher Mind is both ready and with you in your conscious ascension. But you cannot walk upon this bridge unless you be clothed with light in the mantle of the Christ. That which you have not known, you will know as you walk the bridge.

You have not severed your consciousness enough from the old world. You have ties to it that must be broken before you cross to the Light World that is the Kingdom of God and your Fifth Dimension.

*continued on page 5*

# Discernment and the Creative Power

How can I do this alone, you might ask. You are not alone, nor will you ever be. There are many eager to walk with you in the solar regions of the Son.

*The ticket to crossing the bridge is your ability to discern reality from illusion.* Your consciousness must be aligned with the Christ as the Solar Son.

## Questions and Answers on the Bible<sup>1</sup>

by Corinne Helene

Question 18 *What did Christ mean when He said "I am the way, the truth, and the life; no man cometh unto the Father, but by me"?*

Answer It is a mistake to think that Christianity is the only true religion, that all other religions are pagan or heathen and should be discredited or discarded as such. Every great world religion has been given at the right time and place to the right people. Every great world teacher has taught his most advanced disciples to prepare for the One

*continued from page 4*

who was to come. Every religion has been given by the Lords of Destiny as a stepping stone or degree in preparation for the coming of the supreme world Teacher, the Christ.

In the course of spiritual evolution the human race must become a Christed people.<sup>2</sup> This does not mean that everyone must accept Christianity, but it does mean that all must follow in the footsteps of the Christ, the Way Shower. A notable example of a devoted follower of another religion living Christian precepts was the late Mahatma Ghandi. Such attainment accounts for the pronounced similarity in precepts and practices of various world Teachers.

When mankind has become Christed<sup>3</sup> the mission of the Lord Christ will be complete. A higher phase of spiritual teaching will then be given in the religion of God the Father, a religion so glorious it is beyond the comprehension of the human mind as now constituted. The Christ stated a literal truth when He

said: "I am the way, the truth, and the life: no man cometh unto the Father, but by me."

## Keep the Watch

These times are trials for all of us. They are testing our endurance to stand strong in the Christ Presence despite appearances to do otherwise. We are asked not to take an enemy in Christ Consciousness and to turn the other cheek. To see God in each one of us is the call to a new dimension, a world of light.

The United States is gearing up for a presidential election. Take care, Oh my disciples, that you do not fall prey to voices of negativity and blame. Take no side in Me. There are no opposites in My land. We are One. Know that I AM expressing and will express as Consciousness. Take no sides, nor give blame to anyone. Testify to My Spirit as your consciousness and

<sup>2</sup>Unified in soul and spirit.

<sup>3</sup>And within the Law once again.

# Discernment and the Creative Power

let the lie drop from your mind and emotions. Keep the watch and recognize that if you react with negative emotions and believe the appearance rather than My testimonial in you, you fall victim to the old world.

Keep the watch also that you do not fall prey to ambition and spiritual pride. Take no credit for the great works of My Spirit. Always surrender into My Christ Center within your heart and give praise to the One who is.

Develop humility. Know that you are a cell of the Body of Christ and that all are expressions of the Christ. You are not a teacher, or a magician or a wonderworker. You are nothing and all. Seek no office for yourself. And realize the Christ within must be continually recognized as all that I AM.

Recognize that God's love is your supply and be willing to receive it. Remain alert. There are many voices, yet only One in Truth. Be not deceived. Know yourself and let the cleansing of your mind and heart be as a blessing. Walk pure and knowing in the light.

Finally, seek no signs or symbols for that will call forth the

*continued from page 5*

illusionary forces. Seek only My Voice and the Spirit of Truth. Be willing to rise up through the astral cloud of illusion. God waits for His daughter-son.

## The World Mother Office

The World Mother, as the Consciousness of the Mother of Christ Jesus, births a new creation, a circuitry of love and joy. She has watched over you and meditated on your heart center as the home of Christ. She has lifted the image of Jesus as the Messiah into the Creator Son of this Universe and She is now focused upon all humanity as Her Son, or Christ in man.

The Holy Mother will be calling you into a new birthing experience soon. All will walk in holiness and in joy. The bridge will be crossed and The Son will emerge as the new dimension of light and love.

Now witness the Resurrection all over the earth. See it happening in the flowers of Spring, the fresh waters in river and creek, the change in

the eyes of the animals and in your neighbor's eyes also.

You are coming into a whole new revelation of who you are – a son-daughter of God, beloved of the Father-Mother as the Christ in position on earth as in heaven.

Be ready to move when called. Be ready to aid your neighbors in their ascension *for all will be lifted in Me.*

And do not look back. Only in the Christ presence, the eternal now, is perfection. Stay with the light.

The World Mother Office is responsible for the Christ birth within all humanity. As you stand with the Holy Mother, you will feel Her Spirit igniting the Flame of union with all life, the Christ Consciousness of earth and sky. Have your identity in the Christ Center now. With all life, be attentive as the soul rises to the light and remembers.

– Crystal.

## Preparation for Grace

The actions of the Spirit, at times, in its preparation for Grace may well be confusing to the mind of the mortal, unilluminated mind. This is because most humans are accustomed to the God of punishment, the Old Testament God, and the judgments and conditions learned as a child. However, the Spirit of Love does not judge, or in any way see the human creations—that of mortal or carnal thought. The Divine Spirit of Love is Nonjudgmental and sees only that which has been first imaged and projected forth as divine reflection of Itself, that which we call the Son or Radiance of God, the *I AM THAT I AM*.

In mortal thought, conjured up by the belief in good and evil – the belief in two powers – Grace has no office and no part in purposeful living. There is only the fight and struggle between good and evil, love and hate, war and peace, health and disease and yes, life and death!

But now, let us look in another direction. Looking towards Grace as the habitat of the Almighty, we see a hope at the end of the rainbow, a promised land, and a heaven projected forth as a whole New World of Love enjoined with God, or the sacred Center of all creation. But how do we get there – this place of Silence, and peace that passes all understanding? This divine place of Grace is the Solar Son, the rhythm of

your Promised Land waiting for you right now. And you are being readied and prepared to enter this Christ dimension and partake of the Unconditional Love and Peace prepared by the life and resurrection of the Solar Son whom you know as Jesus of Nazareth, the Creator Son and Word, now appearing as the Vibration of our Lord Sananda. His radiance precedes all Grace. He is the Presence and the Office of Divine Grace on your planet right now. He is the Regent Governor and Planetary Prince.

## The Power of Grace in Your Life

The Master dispensed His Grace upon this planet by His walk, His Teaching, His very Presence. He released the karmic bond and He gave you the opportunity to ascend through His field – always present and inviting – into the Law of Grace and the Presence of His vibrating Record of Overcoming and Ascension. Believe on this, for it is true. He has torn the page of the Old Testament and through His walk as a man of flesh, He has opened the door to everyone – the Door to Everything – the door into the Christ Field of Universe Sonship and Pardon!

Presently at this time of

shifting Earth, all who are on the Path of Initiation are subject to a cleansing fire of Mother Love, which the Master released through Himself. This Fire, called and recognized as Holy Spirit – Kundalini in Eastern Thought – is translating all life's encumbrances into radiations of God's World or Presence. The healing power of this Love overcomes all obstacles. And it is this overcoming of obstacles that may be confusing to the seeker and perhaps even painful. Why? Because attachments are so deeply imbedded in the subconscious mind and human thinking. The removal of such attachments as obstacles in the path of Grace may well cause resistance.

As an example, the extended experience, reality and conscious awareness of "family" is perhaps one of the most difficult areas to understand. Yet when one reaches that point of enlightenment, a sense of harmlessness is realized and the deep love for all life as "family." Then the very idea of war, killing of any kind, is intolerable, as "family" reaches across the waters – every child is family. And the Earth,

# Entering the New World

Herself, is Mother to us all.

In this time of transformation and ascension, the Solar Mysteries are revealed. Piercing the brain, aligning the chakras and registering as the New Covenant within the heart is the Masters Voice saying, "Go and sin no more. Neither do I condemn you." Imagine such a Voice registering on this planet and seeking deeply into her soil, her roots, her seas and spirit! Imagine the grains of sand receiving this penetrating Voice and the generations past receiving it until the Earth is sealed with the New World and Covenant of our Christ! The power of this immersion is called the Law of Grace, the sediment of the Master, Who has been and Who is now with us as Ourselves!

Wherever duality appears in your consciousness, false allegiance to the worldly gods – not of heaven but of man's making – and attachments of all variations, the Loving Mother and Holy Spirit will seek to dissolve those hindrances to the Law of Grace and the ministry of Her perfect Love. Be aware of these things and be blessed by your preparation into Grace.

## The Planet Earth is Evolving too

Earth is rising. She is emerging as a Planetary Being who will direct her creation into new avenues of experience and discipline. Never

*continued from page 7*

again will she suffer as she has suffered, as she will not permit this suffering. New laws will appear upon the land and through the land.

From this time forth, she is Mother and she will not only protect her creation but she will be strong in her disciplines of Life and Love. She will reflect the Planetary Logos and be bathed in His Light. Without this Light, she would have perished long ago. But now in the immersion of the Mother Spirit through all life, Mother Earth will be supplied with her needs and become Gaia once again, the Solar Union of the Divine Mother with the Son, the Divine Expression of Truth.

Now, shall they all be caught up in Me, saith the Lord.

No wind will blow, nor thunder sound that is not so decreed by Mother Earth

They will be the voice of my union with God the Creator,  
she says.

The thunder is my voice, the winds my spirit released upon the land.

All who unite with me will know my heart and breathe my breath.

They are the ones I seek now,  
and I will direct them to the shoals  
of my sacred being where the Father breathes with me  
in sacred union.  
We are one.

## A Revelation

Earth is becoming conscious of herself as Be-ing. She is becoming conscious as wholeness. As she awakens and reveals her body and her will, through her earth body and her etheric body will emerge the Planetary Logos. The world will shake with this revelation and the world will quake. And soon there will be no more world, as you have known it. Such will be the Great Truth restored.

The mountains and the valleys will sing of her presence and the decree will go forth in the lands and in the seas that Earth is Mother to us all. Her spirit, consciousness and elevated energy field will vibrate as a current of Being, a star of Melchizedek radiating far and wide, and a planetary Light of such great proportion that the power will be felt of the Divine Mother through all le, lines, grid systems and vortexes!

The bursting forth of Earth as

We want all mankind to realize that the life within them is eternal, without beginning or end after the order of Melchizedek. This is what you have come to bring to Earth, this recognition of your own immortality which will have great influence on all peoples everywhere."
