# HEAR THE EARTH SPEAKING

The bombs you drop hurt my heart and soul. It jars my light. It creates havoc in my system. I must retaliate then to defend my system. How do I retaliate? By storm and winds, by ocean waves towering like great buildings, and by earthquakes.

I would never willingly hurt you, if I did not have to save myself. I have come as a planet with other planets. Together we form a solar system of released Consciousness, and we must remain in this governance and in this holy body of God in expression.

Take care, my people of Earth. Learn your part. You are not the only ones living here. We ALL are in the Creator's body and bear one responsibility and that is to dwell peacefully together - harmoniously - and to bring greater perceptions of divine love to plant and animal, to great and small. To do this, my people, WE must love.

### Seven Thought Seeds

#### One for each day of the week

1. You are created wealthy, beautiful and divine. *Be* these things.
2. God is Love. Therefore, you were born in Love. Return to your true parent, Father-Mother God. In Them you have your being and I AM That.
3. Draw from your bank account within. The appearance around you is temporal, subject to your consciousness and your state of mind. When you turn within to your God Center, the appearance must change for the will of God is to reveal Himself.
4. No harm can come to you in Love. Be there in the First Anointing. Love is not only a shield but it is the awesome power of God.
5. God wants you to be God-like. Include God in every thought, feeling and action.
6. Let your consciousness radiate joy - the angels' playland. Be conscious of the angelic kingdom and be with them in your assignment.
7. Stand strong in your Good Place. Hear My Voice. Hate no one. Take no enemies. Punish no one. Unconditional Love causes the eyes to see and the heart to know. Be Christed After the Order of Melchizedek.

***BLESS THIS EARTH.***

*Speak this at your morning meditation  
As a Priest or Priestess might speak.*

*Flower your garden with this Word.  
Bask in the loving, grateful glow of the Mother Flame  
As you meet Her with the Word.*

*Now as you speak the Word of Power,  
Given to you from on High,  
You are one with the Eternal Flame.*

*Feel Her in your heart rising  
And say again:*

***BLESS THIS EARTH,  
THIS LAND ABOUT ME,  
AND MY LIFE.***

*Receive the warmth of the flickering, ever-present Flame.  
You are a Priest and Priestess now,  
Sent by God,  
To guard Her still,  
And to revel in Her Light.*

*Now take your place.  
It is Time.*

**From the Temple of Sananda\***  
**Excerpts from Volume 1\*\***

**Vol. 1: 2**

A new chapter is beginning. The patience that you have exhibited throughout the years will be rewarded. Remain open to the incoming new world of peace. If you are a partner in this New World of Energy, then you will apply this radiant solar light into your physical form, as well as your expressions in living. Are you waking up earlier, needing less sleep? Are you actually repelled by negative thinking and programs which are mean-spirited? Do you feel a curtain has been lifted in your mind and heart? Take this moment to review how you have changed and how you view the earth and the world. What no longer seems a part of you, just let go without criticism or blame. For you have stepped into a whole New Era of partnership with all life and the Creator's Will. Depend on the God Presence as your energy. The divine Flame within you is healing, food, supply, relationships. Enjoy this day. It is the beginning of a new era, and the Father is well-pleased.

**Vol. 1: 4**

## **A Call to Greatness**

I say unto you and to the peoples of this land, rise and be counted! We are marching now as a community of the One. And in this march we become that which we have envisioned as one body. We return to the original vision, that which was given and embodied in the Great Beginning. We become together the Light, the full Light of God's World covering this Earth with His greatness and His Love. Be now that which you have begun, the Christ of this World, the embodiment of the I AM. I, Sananda Jesus, walk with each one of you who hears the Call of greatness and follows the living Word. Walk as true visionaries, communities, and the Light. I AM with you. Sananda.

**Vol. 1: 5**

A Temple is a state of awareness, a consciousness. It is a station through which I can function and bring light to the Earth. The sacred Temple of Sananda surrounds you like fire and is giving you the translation of energies vitally needed in this time of change. Be aware of this.

Passage of Light into your system of government is bringing about changes there also. Sananda seeks to restore your government and make changes through which he can come as the Earth's Planetary Prince and Governor. Without these changes Earth would die and the stars would shift their course. Many would be touched in the confusion of misalignment. You are my light stations, the stations I depend upon in this time of change. Be about the Father's business and yearn not for the old way. Raise yourself to the heights and serve.

## **Vol. 1: 6**

You have the power to change the life around you. USE THAT POWER. Many have become too complacent in the world and continue to be driven and dictated by a world I do not support or agree with in its functioning premises. Believe in My World, the World of Light, as this World I have created for you is the Solar Dimension of the “I AM.” In the World of Light the I AM Presence becomes your presence, and Solar administration becomes your right. I have forgiven you, erased your karma that binds you to the other world. I have forgiven you, man’s world has not. Peace and joy may be yours if you enter My World of the Solar Son.

I AM Sananda. Come. I say, Come into the World of Light.

## **Vol. 1: 8**

Your life is my life. We are one. And in this oneness we reach the Father’s throne. The Voice that comes is my Voice, but it is the Voice, also, of Truth. It is the Voice of your Master and your Creator. Have I not said in the voice of the one you call Jesus, If you see me you see the Father? What matters now is that you understand that we are at one and I AM the fruit of the Vine. I AM *you*.

The silvery chords of my Voice are yours. The creation circuit has not been disturbed by me, or by you. We are one. We are God’s Heart and the arms of the Creator. We are *in oneness* as the Order of Melchizedek. That is why my Name decrees and brings forth protection, abundant living, and the Omnipresence of all life. Let us consciously be together and walk in oneness.

For I have come to regulate the system and to rise as your own being *as I AM*. I AM the One sent. I AM the Center. I AM the gift. I AM you. Thus is the Law of Melchizedek made known and the ring of the bells is heard.

## **Vol. 1: 9**

Ancient times reflect to us that which we already know and love. And that which we love and remember is ours for eternity. The passing into Light in order that all might live with angels is now coming to fruition. But it is your work to identify with the original creation and place in the field of the I AM Presence. This is your job and wherever you are, be that One. For in this identification rests the mood of this planet and the success of your mission in the Solar Son.

Peace be with you, I AM Sananda

## **Vol. 1: 10**

Do not try to solve any problems from the past. Release them. Otherwise you are bound by the false and the untrue. Believe in the Solar Dimension and the Creative Force will act in your behalf. Have the courage to Be. Primary focus now is on the Light World and everything else will dissolve.

## **Vol. 1: 11**

Sleep soundly and do not awaken with fear. Put your faith and love in God. Trust this oneness that you have inside of you. The power that shakes the Universe lives within. Bear no malice, nor take upon yourself an enemy. Listen to the true Voice and listen to that always—for it will lead you out of error, the foolishness of man. Raise your thoughts to the God Center. And in this moment of your awakening, know that you are on a brand new planet, a planet of justice and light

## **Vol. 1: 13**

Dress in Purity and in Light. You are Teachers of the New Way. We test and we try for the Teachers of these times. All of you have passed the necessary and needed tests. Bear witness to the New Life and the Creator's Song. We have come to build, not to destroy; to create from the Sun of ourselves the living World of Light!

## **Vol. 1: 14**

No one is left behind. I want all to understand. The New Dimension accepts those who are properly aligned to it, yet there is a place for everyone. Each and every particle of My Being is loved - deeply loved - and I will place each one in his or her place of consciousness, where learning is given to facilitate the resurrection and ascension of all My Body in Divine Love. No one is left behind. Not on My watch. Not one.

## **Vol. 1: 15**

The Gate is open. And those who are ready in mind and heart may enter and become the Light vehicles and partners in the salvation of the Earth. We, the Christ Hierarchy, want to help you so that you can help us. Turn inward now and see your instructions written in the heart's flame. Be called! This is your time on Earth, your beautiful and wondrous time! Blessed are they who come.

We need you most. Selah.

## **Vol. 1: 16**

Blame no one—for there is only the Light. Lift your heart to the Light and Love will fill your being. You are the Light of the World. That is how I see you and how I know you to be. Consciousness precedes the manifestation. Vibrate Light and the Soul of the Mother will do the work. Be not fearful of these times.

They are yours to conquer and overcome. Jesus loves you. Is that not enough? The Master's Love encompasses the planet now and brings all Home. I AM THAT I AM.

## **Vol. 1: 17**

Let the Light govern now. The Christ as I AM is the governance, and it will rule in glory. So let it be. The Solar Son is imminent, waiting with open arms to receive you and all God's creation as sacred and divine. Be with Me, not with the world which is nothingness. I AM, deep within your soul, and I AM ALL. And I determine the right and the left, the time and the place. Selah  
Seal of Melchizedek.

## **Vol. 1: 18**

How might you help another who is less fortunate than you? Be conscious that you are awakened and fully aware of the vast treasure chest that rests within the human soul and heart. Be clothed in the moment and feed the masses.

Blessed are those who release their consciousness to assist others in these times of trial and testing. God feeds and heals the whole. And within you is the God Consciousness that can do this. There is no one left behind. Feed My sheep. That is the assignment.

## **Vol. 1: 19**

You should seek the Inner Voice for all matters concerning your life and your actions. The place of unity is there. The government is in the Christ Dimension where I AM. The Inner Voice within your mind and heart is the reality circuit for the New World. It is the I AM Center and it creates for you a freedom and a prosperity that is not in any way governed by the worldly view. Listen and be clothed with Light. Stop confronting the world as though it was your enemy. It is nothing. God's world is heaven on earth. It is the Holy Land.

## **Vol. 1: 20**

If you seek the Word and the laws of the Kingdom, then all else will be subservient to that. This will also assist in anchoring the New World dimension, where you shall live and be as one who speaks God's Word and breathes His Breath.

I AM Sananda, Lord of Hosts

## **Vol. 1: 21**

Be brave and be strong. For these days will carry the power of the Incoming Christ Light. Be centered, so that you can be as a Light beacon to others. Let the Center of your heart be as a sun, radiant and supreme. Take up the power and be clothed with it. With this Light you rule with Me in concrete form. Send no thoughts of conflict, only of love. Now let the Light move swiftly upon the planet and the hearts of My channels be filled. I AM ready to descend. Not tomorrow, but today. I AM Sananda

(This means an energy overlay for the planet. It is immediate.—Crystal)

## **Vol. 1: 22**

Let the burdens drop from your shoulders. I will take them. Be not worried or anxious as I made these times to show Me forth. Against the screen of darkness, I will pronounce My Light, the Light of Christ in every man, woman and child. This is not a religion I speak of but fulfillment within each one. And this I say, God is for everyone, not a chosen few. Enter through the gate of Universal Being and greet one another with love. I have come.

## **Vol. 1: 23**

After the Fall, man forgot his connection to Me and the Light within. He forgot the Self that is the Light of all lights. Now I come again to ignite the candle of the heart. My place is with you and within you as the Guardian of this planet and the governance factor of your life. I AM the way, the truth and the life. I AM not apart from you. I AM within. Soul and Spirit are One. You will know this more deeply. We are One.

Christ Sananda
