The Immortal Body

THE UNIVERSITY PAPERS No, 171

The Higher Mind will rule the body and you will have the original body intended, that of the Christ realization or GodSelf. This body is perfect without the mortal imprints of a false creation.

Because you will not live in the physical realms now, your body will not be physical. You are the Creator in substance, a Son of God.

Train yourself to understand that you create your out-picturing of the body by your conscious awareness. You are not the body as you see it in the mortal realm. You created this body, yes, but it can be easily dismissed by your understanding and receptivity to the Truth circuits of the Universe, the Truth of the IAM presence.

What is important to realize is that

nothing is permanent with the exception of Truth. What you have aligned with and believed to be true and real is only there because you have believed. This is one of the BIG steps - the quantum leap - humanity makes into the Fifth Dimension. Living in the Third Dimension, you have been bound by the thought forms and patterns of the dense material particles of third dimensional, mortal thinking and feeling. You have been taught to treat the problem rather than to let go of it, or release it. In the dense materiality of the Third Dimension often the only resolution to an aging or sick body is death. But in the Fifth Dimension, there is no death. The focus is on God expressing as Consciousness. The Creator and the creation are one.

Let God express! Let your God Consciousness unfold and out-picture in divine rhythm of IAM

You Are One

The training and preparation for the new reality, the Fifth Dimension, can be understood now as the "letting go" of all fixed appearances or attachments as you align with *the Body of Christ*.

The overshadowing of this dimensional frequency is with you. Practice now.

Put into practice the letting go of the fixed identity, the appearance of rules and regulations and dominant energy brought about by belief of separation from God, the Central Source of all life.

In the new dimension, God is one. That is the Energy you find within yourself that is the Spirit-Fire within all life. This Power can no longer be separated and divided from you. God, the Holy Breath and Spiritual Fire of all life, is not only the alternative energy of the new world, it is the only energy!

Your body is your consciousness. It is not the body you see but the body you *feel*. It is your immortality. *Take your mind off the body and put it on God*. When you can do this, you are in charge. The control is passed to you.

If you can understand what I am saying here, you will experience an entirely new radiation of your being. You cannot be caught in sickness, or in death. You are your consciousness and your consciousness is vibrating the Christ body and the presence of I AM THAT I AM. This Consciousness will always embody as perfection.

The Immortal Body

If you have followed these lessons given to you by the Order of Melchizedek through this University office, you are already vibrating the Christ presence as your conscious identity. This identity will take on a body, which will be cleansed of illusion. Drop the mortal shell! As you become Christ conscious - conscious of the oneness of God in you and through the Omniverse - your Christ Consciousness will out-picture a body of the I AM. This body is free of mortal energies. It is not held by false thought forms and disbelief in God's world. It is a body of light and it is free to express in union with the inner Christ. *It is the body of Christ.*

Your focus must be in your consciousness, the order of Melchizedek. The minute you are focused on your material appearance, captured by the illusion, you lose the consciousness of immortal life and the control of your body expression! Read this carefully and thoughtfully. Let the God Presence through the Holy Spirit testify to what I am saying here. This is important.

You are what you believe, and what you know as true. The I AM Presence within the Heart Chakra will vibrate and radiate the body of light, the body immortal, as you align with the Christ within *as your body.*

Do not permit yourself to be caught and trapped in the false world of separation from God. Stay in the God Center where illusion has no place. Be clear about this. Be radiant. IAM THAT IAM.

When you release mortality and you rest in the God Center of your Heart, you agree with Me. Then, I can embody as My perfection, the I AM THAT I AM, the Order of Melchizedek.

The Power of Letting Go

As you let go of all mortal thought and all visible attachments to people, places and things, you will be transported into a new dimension of Creative Power and joyous living. For you will not be separated from Me. We will be one in your consciousness. This current of vibrating I AM Presence will manifest and create *of Itself* the world of heaven on earth. Through you, I, God in you, wish to do this.

When you release the appearance and the thought forms of the mortal form, you are already in the solar consciousness. You have already agreed with the Fifth Dimension of unity and God in expression. You are not emptying without knowing and agreeing with the One, *who will fill you with Himself!* That is the Fifth Dimension. You move from one energy cycle to another and you are sure - as the Fire within you is sure - that I AM.

Let Consciousness recreate Itself through you as your Christ Self. This will take discipline on your part and alertness, for there are many traps and many calls to fail.

You have but to surrender to Me and I will be who you are as I AM. This is the positive identity of Christ in you as the Solar Son.

Teamwork Is Needed

I cannot stress this too much. There is a need for people to band together as one body, or one state of

awareness. The energy you create by mutual agreement and conscious realization of God's Truth raises the vibration many times beyond what you could achieve by yourself alone.

Intone the Vowels¹ as given by Minerva, Scribe of Melchizedek. These vowels are for your energy **t r a n s f o r m a t i o n** and consciousness of the Higher Self.

The vowels were created for this time on earth. *You are the Self I AM!*

Gather with others as frequently as possible to meditate, hear My Voice and contemplate these lessons. Do not give way to illusion when you meet. Keep your eye single on Truth and stabilize together in the new world order of Christ Consciousness.

The Immortal Body

Have My Power back that I gave you in the Beginning. Call upon your Thought Adjuster, the Father Spirit within you, to align you to My Word and the radiation of Oneness.

Your immortal body is your I AM presence. It is your presence of God in you as your vessel, vehicle and appearance. Take on the body immortal now. Live

The Immortal Body

your immortality. Be free of the death cycle.

But you must want to do this. You are released from mortality as you desire and are *willing* to be released and set free.

Focus on the living Spirit of God, the God presence, as your energy, your strength, your health, your body. Practice this. Every time you want or are tempted to treat a problem or focus on your mortal appearance, let go and let God *as your Being* express.

Why do you suppose the Master Jesus said, "Destroy this temple (his material body appearance) and I will restore it in three days." Because the physical level was not his focus, Jesus knew that the presence of God was his body and would out-picture as he *let* it. *You will*

continued from page 3

always have a body. This may be new to your understanding, yet it is so. Your body is a tissue of God; it is the idea of God in you. Consciousness will always prevail. In releasing your thought about your body appearance and aligning with your body as God Consciousness - *your* God Consciousness—the vital force around you and within you will give you a form.

Whether you are on earth in a busy city, in a temple atmosphere or resting in the etheric realms, you will have a body that responds to the necessary vibrations and laws of where you are standing. Your Christ body is of etheric consciousness, vibrating as consciousness webs of creative power where illusion cannot penetrate. You can "come and go" when you understand this

divine principle. You can ascend and descend, and you can materialize and dematerialize as you so desire and will in the light of I AM.

You body is your consciousness. But in this new dimension of incoming light, there will be no physical body other than the Christ emerging.

You do not have to wait. Those who are adept at frequency change will be with you as you find your new wings in the immortality of your Soul. Be Sons of God now as Jesus was and is. Walk free of mortal thoughts. Ascend to the Fifth Dimension as an immortal and as My Beloved Son, expression of perfect Life.

BE ABOUT THE FATHER'S BUSINESS

From Immortality: The Search for Life

Sunning yourself in the light of the Sun, be responsible for the Light He gives. Be immortal.

The transfusion of immortality into the human race raises up a new authority; it is the Creator Himself. In this Life Energy that is now being transferred to this planet, a new creation emerges and this creation is the pure light being you are!

God's authority rests in you. Will you tap it? Will you use it wisely for the good of all? Your Inner Voice will tell you how to use it. It will guide you in the direction of right-useness. As you follow your Inner Voice and obey it, you become one with it. You are then fused with the Father.

God in you wishes to be known. Will you reveal Me, He-She asks? Even as the sun shines, so must I shine through you as I AM Christ.

Be about the Father's business. Be aligned with Me as I, in you, AM.

Open the Door to the New Creation

The activity of God in you is the new creation. And that new creation performs miraculously.

The lower chakras were predominant within the world of illusion or the astral world. The world of light demands that the higher chakras operate. Thus the dependence on the Crown Chakra as *living Substance* is necessary in the world of light. Fear and anxiety are replaced by unconditional love and spiritual focus.

You are brought now to the abundance of the Creator that you may manifest this abundance for the earth.

Be about the Father's business, for he who is about the Father's business is successful.

The GodSelf

Heed the message within. Look neither left nor right but straight into your GodSelf. There be lifted.

For the time has come to vibrate through your life-cells immortal life. *You are to transmute every living cell to light.* You are to create out of yourself a perfect world of love and light. You are to master your lower bodies and control your emotions so that you can soar to the light now.

Give back to Me that which I have made that I might enter every molecule and atom of your radiation. Pure and simple, I must be one with you as *I AM*.

No longer will you walk separate from the Creative Power, wondering how you will survive. I have a home for you in Me. If you agree with My Being as *with you in all ways*, then I will process into your awareness and into your physical body all that I AM for this time and this hour.

I have entered you before (otherwise you would not be able to read this document), but not as I will enter you now. I will come as the Creative Power to merge Myself with you as the "I

AM." My mission is to begin My ascension *with* you.

Forgive and go forth as one who has forgiven. I, then, can re-enter you as Christ in you and shine forth My divine intent to all. You shall be a *Sun* of Me.

I AM not a hidden mystery. I AM an open book. Become acquainted with this Book of Light I AM. As you read of My story in you, there will be immediate recall and you will remember through the ages to the beginning because I know the beginning as you.

You and I are One. Your frequency name is the GodSelf. *You are the GodSelf.* You are recreated in Me as "I AM." Please meditate on this. Let My words go deep into the rhythm of your soul. Live *with* Me.

More About the GodSelf

The GodSelf is a new creation, a creation emerging as the new Christ. You are a citizen of the new world as the GodSelf. We live together as one Be-ing, one unit of perfection, and we, together as One, can never die. The death program has been discarded as the Consciousness of the GodSelf fills the planet Earth.

The GodSelf is My new creation. It is the completion

THE TRUE MASTER

From Immortality: The Search for Life

The true Master breathes LIFE into his/her system as an immortal being.

Do this for Me.

Dress in Immortality

Wrap yourself in immortality. For the world is to glorify God. The world is to be the outpicturing of the Son of God, My reflection and My Soul.

To be an Immortal, you must *act* like one. *Walk* as one. *Eat* as one. *Produce out of yourself* as one. Take upon yourself the life of the Immortal. Why have you not done this before? Leave the world of suffering.

God in You Is Immortal

- What is immortality but revealed Godhood?
- Your Christ is your immortality. Feed on this Light. For have I not made you immortal? Have you not been created in My image and likeness? Have you not wandered long enough, many times hungry and afraid?
- Jesus wept to see you refuse My gifts. I have abundance for you that you cannot imagine. My fruit is like gold to the heart, voice and mind. I AM - when you settle in Me - heaven on earth.
- Have you accepted all the gifts I have given? All the gifts that I have bestowed upon you? I AM abundant life.
- Have I not bestowed My Son the Christ for you to accept and be? Why then the hesitation? Whom do you believe? The world or Me? Then live as I would have you live *by My fruits*. I have given you everything through My name.
- What has been ignored, even kept from you so that you would remain a servant to the world? These things I say:

I AM a state of heaven on earth.

I glow through you as your perfect body of life. I care for My own body.

Once the Christ identity has been established as your awareness, *I AM That I AM*.

We are not separated. I cling to you as a Father would His son and I nourish you as would a Mother Her child.

I have created you perfect. How could I do less than that? I do not have to perfect you further.

You have been tried in the fires of My Being. Rise up, as the Phoenix, and glorify God in you. You are My image and likeness.

Your pilgrimage is over. You have come home.

Great Steps You Will Take in Me

All are drawn into the Universe Creator. That word must spread as a unification segment is released. The Son will be present in all places of this planet. He will be met and He will be felt in every corner as *the Presence*. This is a unique assignment for Him and is made possible by His last Bestowal as the one you know as Jesus.

He is the Presence of total commitment to Godhood, to the Voice within and to great mastery such as your world has not known. Remember the words of Christ Jesus, "Greater things will you do"? The Omnipresent Christ is your Mastery potential.

Now as the Great Master of Unification, your Universe Creator and Father, identifies Himself in the fields of the Earth body, so shall *all* recognize Him and receive Him as the shepherd leading His flock into the rhythms of Divine Love.

Peace shall come to this planet, such as you have never known peace. It is the God Presence. To remain within this vibration of the new world, you must be willing to forsake the old world of mortal life and receive your immortality as the functioning Godhood on earth. It is time to live as an Immortal,

BE ABOUT THE FATHER'S BUSINESS

of the circuit on Earth as God and Man, divine and human. Because we are joined as one Be-ing, as "I AM" *this sets the record of Melchizedek.*

Your body and My body are one body. The urge to create in any way fulfills My urge to create out of Myself!

Therefore, I say unto you, My sacred act of creation blesses the whole and vibrates My image and likeness into form.

Walk as the light; be as the light. We are One.

The emerging GodSelf is the embrace of God the Supreme within the human form as an entirely new creation of love and light. Did I not say that this planet, which you call Earth, is an experimental planet? Where My footsteps have tread as Jesus, they have purified the Earth and

continued from page 5
rebirthed all life upon her.

Be called to this place I have provided for you as the GodSelf. It is now the new creation of God and Man as One.

No Man Is an Island...

There is a new world emerging. The circuitry band that is acknowledging the new world of light is pulsating much like a Mother giving birth to a new child of glory and love. He who acknowledges this world of light *will be part of it.*

Your circulatory system is being changed completely. Eat sparingly always with the awareness that the light itself is your food, your manna. Keep the Breath in mind at all times. It establishes your worth on the planet and gives you back the

confidence and the fulfillment that you have lacked as a human being.

Be at peace with yourself and all life around you. Wear no thought of hatred, resentment, bitterness of any kind. I cannot enter you if you carry negativity.

Make a place for Me in your heart and know that I AM reseeded Myself in you as together we find a new heart, a renewed mind and a glorification sound of My Word.

You are the temple with Me of Living Light.

The gateway is open to a new world.

breathe as an Immortal, be loved as an Immortal.

You are all children, yea, People of the Light. A living and expressing Sun. A new Sun of My Being.

Together as the Presence of God, you will walk as an Immortal and this will allow the Holy Breath to vibrate in companionship with life in its many radiant hues of being.

Be in the World of Light. Believe in it. Walk it. Share it with others. For

you *are* an Immortal in the Kingdom of God. Release your old thoughts of reincarnation and death. You will never be reincarnated again. Be clothed in Spirit and forget the past. *I have erased it.*

Detach from the old world completely. Have no foot in it.

Live with My Son. God walks the earth in you as you, as the GodSelf.

Accept your immortality now and walk as truth on Planet Earth. Have I not made you in My image and likeness to Be? Let your Christ Truth shine!
