# The Inner Voice

From *The College of New Learning, Lesson 8: Inner Voice*

**My Son's Voice in you is not a separate voice; it is an attunement with the Father within you.**

**As you understand this, you will be drawn closer to the God Center I AM. When you are close enough, I will merge with you and be one with you in voice, in tone and in creative thinking.**

*(The GodSelf 51:9)*

Each soul within has the Inner Voice. This is Christ in man or consciousness. The Voice reveals the Word, the sacred Word of God. Realizing this Mind, the Voice, we enter it and our knowledge is realized Oneness. Our function of being is to grow in God. The Voice within is our Divinity speaking revelation upon revelation, the Christ in us: the All Knowing Mind of God. This Voice commands the silence within and brings into manifestation the very substance of Being, the I AM That I AM. This Voice is the Word of Positive expression, the Life Center of the Universe (I AM). To hear or intuit the Inner Voice is to be Christ conscious. It is to reveal the Father's nature to the world.

# The I AM THAT I AM

The University Papers Volume 7. No 22

*In the Center of all life I AM.*

*See Me there.*

*It is My Word that must flourish  
in all nature and throughout the world.*

*If I AM not in the Creative Circuit of My Central Son (I AM),  
there is no life.*

*We are bound together, you and I,  
as a Unit of Loving Light.*

*We are not separate,  
yet you must see this, My creation,  
and celebrate Me.*

*For I AM the Son and The Father,  
I AM the Daughter Spirit and your Divine Mother.*

*No one is left without.  
Dance with Me!*

## **The Experience of God in You**

When God takes form, He does it through you. He comes as a realization of who He is. I AM without form, God says. I have no form lest you give it to Me by your alignment with Me as Christ Consciousness.

I AM without form. I AM Spirit. I AM formless and nameless. I AM Being. Those who have met Me in themselves say that I AM an experience of unity, holiness, oneness and power. They feel My Love because I AM love. I AM released through your consciousness and become the Christ, head of all governments on Earth.

Hear My Voice within you as a sacred sound of Love and Light. I seek you and I know you as that which I seek in love and in yearning. We are indeed separated until you find Me in yourself, yet we are not separate. I AM all that is and ever shall be.

Listen to My Voice. I AM the Eternal Son beckoning to you to answer. But is this the time, you might say, when I have so many things to do and so many attachments that are encumbering me?

I have no attachments, I would answer. I AM not in any way attached to anything. I AM free. I

AM all there is and ever shall be. What is there to attach to if I AM everything in Mind - all things in Heart?

I give My Self to you freely that you might be with Me as My consciousness and My Light - a Light that circumferences all in My Mind and is not hindered. For I AM that Light, AM I not? I AM that Love you seek. Come to Me, the Son within, and I will be you as the Presence of The Son or the GodSelf.

Here, then, is the Word I would speak to you. Be open to My Light. For if you would realize that I AM and not freeze at the point of My solar entrance into your heart and mind, the Earth would rise!

## **The Breath of My Being**

The moment you become conscious of My Presence and feel Me in your heart, I, too, AM conscious of where I AM and I begin to move through you as LIFE intended, as the I AM.

That moment is sacred to Me. I build My cathedral from that moment and I reclaim you - your body, mind and spirit.

From that moment I begin My journey through your soul,

*continued on page 4*

# The I AM THAT I AM

*continued from page 3*

uniting Me with her and gloriously lifting her into My embrace as Divine Consciousness. You are then receiving My thoughts, My ideas, My joys and My sorrows. I fill you with My Life.

Even as I have entered you - as I have made known My Self to you - so I now seek My other half - that part of Me that is creation, My thoughts and dreams and visions. From I AM, I become and know Myself as I AM THAT I AM. Now the heart moves in a different rhythm. We come together, the heart and I, and our motive of being is the I AM THAT I AM.

Breathe deeply, My creation, and say these words: *I AM THAT I AM*. Thus you break clear of the illusion. I come forth as *who I AM* - perfect creation of Me.

I come to claim My being in you - to part the curtain of I AM. I AM the Way, the Truth and the Life. I AM here amongst you desiring to be heard and to be formed from the living Breath of Me.

My initiates hear Me, do they not? The secrets of the Universe are revealed. I AM ready to Be. Open your heart and mind and let Me *be* through you after the Order of Melchizedek and the Solar Son! Then glory enfolds My creation for I AM THAT. *I AM the Creation*. Solen Aum Solen.

From I AM comes I AM - the Light to Be.

## The Blessing

Read what is given many times. These are words that will open you to Energy of Light and Life. All is in readiness for you to understand the I AM THAT I AM. You will not find the understanding in the intellect, or in other papers that you have read. Listen to the words within your heart. Your heart knows and will reveal the records of Sananda, the Order of Melchizedek in you.

## What are the Teachings from the Order of Melchizedek sent to you by Father Melchizedek?

- *Listen to your Inner Voice, the Christ Mind that speaks the Will of God.*
- *Be aligned with the Higher Mind frequency that is the Christ Mind, or Christed Mind in you, the Heart and Soul of the Word after the order of Melchizedek.*
- *Become that heart-mind as you speak, as you think, as you live.*
- *Remain constantly alert to the corridor now open that is the Mind of God. Speak only with that Voice and have no other.*
- *Conform to no one save the Presence of God that is your I AM Presence, the Christ Vibrating Essence.*
- *Live prosperously as God in you for the Earth and all her children.*
- *Create out of yourself the Goodness of God. Let Kindness of Heart be your rule of living and be sacred in your actions.*
- *Consider all life when you speak and always speak from the Silence.*
- *A Priest or Priestess after the Order of Melchizedek embodies the Life Essence (I AM) of God and he or she never leaves the Altar.*

# The Sound of the Voice

The University Papers Volume 7. No 16

*The University of Melchizedek is the Parent School for the Order of Melchizedek, Brotherhood of Life. Formed as a Solar Mystery School, the University releases the Melchizedek Records. These important records are carefully coded spiritual energy fields that will assist the individual in the alignment to higher levels of Christ Consciousness.*

Ancient Papers described the voice as "Creator Sound." It is given from the sacred center of all creation. Now we must remind ourselves again that the sound is the center of all creation and the gift of the Creator in us as Vibration. The Creative Power emerges through the Sound.

The Voice of the Creator as It emanates as sound can collapse creation and build it up again. It is the Center of all the Light Forces and connects everything onto higher levels of Consciousness and the solar union of the Sons.

What a blessing it is to become one with your Inner Voice, the presence of the Christ Government on Earth. Those who have been sanctified into this Voice must wake up to the fact that they are tributaries to the power of the New World! They are the Creator's hands and feet, and the Voice of the Solar Son Michael Sananda.

## The World of the Creator Son

Deliberately place your words into the divine substance. Just as you might plant a precious seed, plant the words you speak knowing that your words will bear fruit. The Creative Power or Daughter rises into the Breath of God,

and through your voice She will bring new life energy to the planet. The Creative Power through the spoken word raises the Electromagnetic fields of creative potential to the welcoming arms of the Creator Son. The Emergence of His Light on the planet will still the dissenters and rapidly rebuild the Earth into lands of golden hue.

But first you must learn to speak in peace, O My people. You must carefully place your words in My Creative Substance that both the word and sound delight the earth and all creation. Your words must be woven in harmony and always carry the sound of My Voice, the Creator's government on Earth. You have been chosen to part the curtain into a new realm of Love and Light where all creation is considered before one sound can be uttered.

Choose the silence before the sound. Let your thoughts be clothed with light and join these thoughts with others as a collective whole. Be of good mind, given to kindness, harmlessness and compassion. Let your voice sound these qualities of the heart, and all will hear and make note of the translation of the Breath upon the waters of creation.

Bathe yourself in the love of God before even one word is spoken. My brothers and sisters of the Light, you have been chosen to speak as *one voice* in the harmony of My Spirit.

Thus, on the ground in the spot selected long before you were born will now be built a dome-like structure as My command post on Earth. I will speak through that Dome and you will hear My Voice in Universe Broadcasts. Within this Dome of Creative Power and Divine Love, I choose to govern in the ways of the Solar Councils, the Galactic Council, and the Planetary Son.

Yet, through your voice I, too, will be heard. And in this way, all will speak in accordance with the Father's Will, the Holy Spirit and the solar frequency of the Son. This is the Priesthood of Melchizedek, the Divine Voice of the Creator Son.

You have but to sound My Voice to be heard. The sacred Creative Power (Daughter of God) is within. She is carefully aligned to the Creator's Will. Sound these forces into creation that humanity might rise into a world network of divine life and global harmony.

The University of Melchizedek has given you much to assist you in your initiation into the Christ Voice and the GodSelf. Focus on your Inner Voice and the sound that is born of this alignment. And all My angels are with you in the Fire of My Love.

Change not one word. For I have sealed these words and given them My blessing.

# The Sound of the Voice

## The Council of the Twelve

The functioning energy field for the World Government is under the Council of the Twelve. The Twelve Elders receive and broadcast forth the critical I AM Presence for the nurturing of the Earth and the sacred sites which she depends upon for her restoration and her new body. These Twelve are deliberately placed to energize the Earth, as well as filter the great Cosmic Rays of the Central Sun now pouring into this planet. The Council of Twelve serves as a vital net of Melchizedek Consciousness; they act as judges as well as receptacles for the incoming presence of the Supreme.

Overseeing the sound of the Voice is the Council of Twelve. They call forth the Spiritual Fire that embodies the Voice. And this you must know also—the Creator is now seeking those trained in the Voice to carry His Sound and to release it into vortexes and sacred sites. The purpose is to reclaim the Earth planet into the Sacred Sun and to rebuild her into a sacred Holy City where all can flourish in Prosperity and Divine Love - a World Community of Light.

The Ingathering has begun. Move quickly into your position and serve the Light as it benefits the whole in the Protector Flame of Creator Michael.

## You Are the Christ

*The more we can stress focusing and*

*continued from page 5*

*meditating on the divine seed within the heart, the stronger all of us can become. Because that's the perfection.*

*We can't make anything be perfect.*

*It already is. The perfection is already seeded in the heart. We take up that seed as our own, tend it and nurture it, and it will flower as the I AM presence.*

You live and dwell in God the Presence. That is your Home. The remembrance that causes the longing for the spiritual cloth of oneness with all life has been placed as the Seed of God or the Christ Seed within your heart. When that Seed opens, the forces that have been contained within the Seed explode into tremendous light. This power from the Seed of God placed in the heart of every man, woman and child is the birthplace of the New Ego, the Life Center of "I AM."

Within the Seed of God are the records of your identification. Conceived in God as the GodSelf, the Christ, it is your time to rise into your place in the Son. "I and the Father are one," reads the record of the solar union - the divine union - of the One we call "God" and you. You are dressed in God, you are surrounded with God's presence, you are one with the fullness of Original Creation. The Second Coming of Christ is an evolutionary jump into the GodSelf. You are the Christ.

Put attention to who you are! As you awaken and vibrate God Intelligence and Unity with all Life, the cells of the planet respond. Focus on the God Vision for your life as the "Prodigal Son" returned home. The vibratory Consciousness of the I AM Presence becomes yours as you stand with the light and celebrate the true creation - the Creator and you in Oneness.

Shine this light and this truth. It enables others to find themselves in a new way - in a world of light.

Central vortexes will be renamed.

The Temples of Light will be restored.

All God's People will wear light clothes.

Stars will touch the Earth.

Many will come who are of other planets and galaxies to teach and to observe.

Now shall these things come to pass.

The days have been shortened. Light moves rapidly across the planet.

Hunger is no more.

The Seed of the heart will open and all My people will be fulfilled.

This is the word of the Lord.

# Alignment to the Solar Frequency of the Inner Voice

The University Papers Volume 7. No 22

Now let us be about the Father's business  
and create with Him  
through His Voice.

The powers of Light are waiting  
for this to take place.

Come follow me into the gates of heaven  
and beyond  
Where the Father's Voice can be heard

and rhythms maintained  
after the Order of Melchizedek.

## Chapter One

Hear this, My creation! Listen to  
My Voice. Listen well with both  
ears bent to the heart. I speak  
through the message of the heart,  
and I speak for all beings great and  
small when I speak.

My relationship to life is One. I see  
only Myself, and I know that which  
I see is My own reflection smiling  
back at Me.

I AM the Creator and the Created.  
I live to Be.

Heart-Mind must come together to  
begin the story. Because if you are  
not in oneness with My Be-ing and  
are not listening - true listening is  
born of the heart knowing - then I  
cannot speak nor can you hear My  
Voice as I would have you hear Me.

My purpose in speaking to you in  
this way is to bring you home. I

have not left you. I have been  
with you in the Silence. I have  
watched and I have waited and I  
have longed for you to return  
home to Me as One.

We are entering a new Time, you  
and I, a Time of Solar  
implantation, of graduation into  
a new realm where only My  
Voice is vibrated as the Creative  
Power and Universal Light.

Now I guide you into this new  
embodiment of LIGHT, intense  
Light that waits for the Father's  
Voice and signals to the Angelic  
Realm My Word.

Be conscious of your newness  
of position with Me.  
Listen and be clothed with the  
power of My Will.

## The Word Made Flesh

Through your consciousness  
the Word is to be made flesh. It  
is to become a living stone, a  
rock appearing as the will and  
the wish of God Be-ing, the I  
AM THAT I AM. Such a  
gravity circuit is being  
presented to the Priests and  
Priestesses of the Melchizedek  
Order. *They are to carry this Word  
and to REALIZE IT in conscious  
form as the living Idea of God.*

Now let us look at what has  
been written and dissect these  
words as they pertain to the  
Solar Life and the mission of  
this Order.

Consciousness knows itself as  
God only if God *is present* in  
vibratory tone and as the Word.

*continued on page 8*

# Alignment to the Solar Frequency of the Inner Voice

The origin of every Priest or Priestess is through the Absolute. There is a place of *absolute rhythm*, which is the birthplace of every Melchizedek. Deny this rhythm and you deny your spiritual sound and source of supply - the I AM.

The Command to a Priest or Priestess after the Order of Melchizedek is:

*Listen to My Voice and My Voice only!*

This is the Command. This is the direction and the path upon which the Melchizedek must tread. It is the only path - the path of unification with God's Plan and Divine Will. If you understand this, you are a Melchizedek. Bear witness to this Order and leave that which has disconnected from it. Leave and be counted.

## This Is the Order

*Listen to My Voice and My Voice only.*

The Consciousness of The Christ expresses solely through the Order of Melchizedek. Consciousness cannot dissolve or separate, for the teachings of this Order permit only unity with all life, the solar alignment to the Universe Creator. All must be sacrificed when ordained into the Order of Melchizedek, for you have then become the Natural Son of God, the Father and the Son united. Personal life has been banished, forgotten in the sight of The Son and the Lord's Mountaintop. The Light of Christ

***<sup>1</sup> Here is the great mystery of the Solar Logos and the impartation of the Word. If meditated and contemplated upon, you will receive enlightenment about the Word I AM***

*continued from page 7*

shines through your veins and embodies your soul. You are the womb of Light and brought to bear upon Planet Earth as the First Government of the Son.

The Order of Melchizedek is the Nature of the Son or the Presence of God in your Heart as the GodSelf. This Order is the flowing River of Oneness and it carries the divine Order of The Son as **I n t e l l i g e n c e , W i s d o m ,** Understanding and Knowledge of God The Son. This Eternal factor that is *within the Voice of God* unites the entire Omniverse as a single energy field, a single Deity of Divine Love.

To carry the Voice of God you must have been tested and ordained as a Creator Son Vibration. This I will explain. Yet, this is enough for now. Let me speak of the Voice and the initiations into the *Voice as the Sound after the Order of Melchizedek or Priesthood I AM.*

The Inner Voice IS the Order.

## The Solar Plan

And now I place you in the Order with My Voice. It is the Solar Life I seek for you, the Life that is My own. It is the portion I have saved for you and the place I have provided.

What is the Order of Melchizedek

and from whence did it come? It is the passage of the Son to His people. The Creator knows but one Son; *that Son is Himself, rhythm of I AM.* It is the Light almost forgotten of the inner You.

Knowing this Son as I AM<sup>1</sup>, the unbroken Star of Melchizedek, releases you into a whole new field of Being. It is the passageway through and into the World of Light and Solar Consciousness.

**Stop here and meditate** on what you have just read. Let the words written here become living light within your system. Feel this Light of All-Being. Breathe it into your lungs. Let your body become the Light.

The Order of Melchizedek is the Order of Perfect Man or Consciousness. Man means Consciousness. It is the vibratory action of an ORDERED LIFE, one that is **d e m o n s t r a t i n g** Love (Compassion), Strength, Power, Christ Light and ETERNAL LIFE. Each of these beneficial qualities will be discussed in context with this lesson. And it is through this ORDERED LIFE (After the Order of Melchizedek as Jesus demonstrated to us all) that the true Inner Voice travels - moves and has Its being! This is the Creative Power emerging and joyously proclaiming Itself (oh, yes, there is joy abundant).

*continued on page 9*

# Alignment to the Solar Frequency of the Inner Voice

*continued from page 7*

## Ordered Life

A life that is ordered after the Order of Melchizedek is one modeled after the Master's Life. It is the emancipation of the soul and the alignment to God's World of Light.

*Love (Compassion)* The fullness, richness, of God's World pours through you. You gaze upon another - no matter what the form or appearance - with burning, compassionate love. You cannot help but love, for you see yourself. And when you see the darkness, you see the Light.

*Strength* Where in the human condition you may feel weakness - the impossibility of achieving - as you transform your consciousness to the Divine Presence, a great strength will fill you - not of the physical but of the supernatural. The strength you feel is the Will of God.

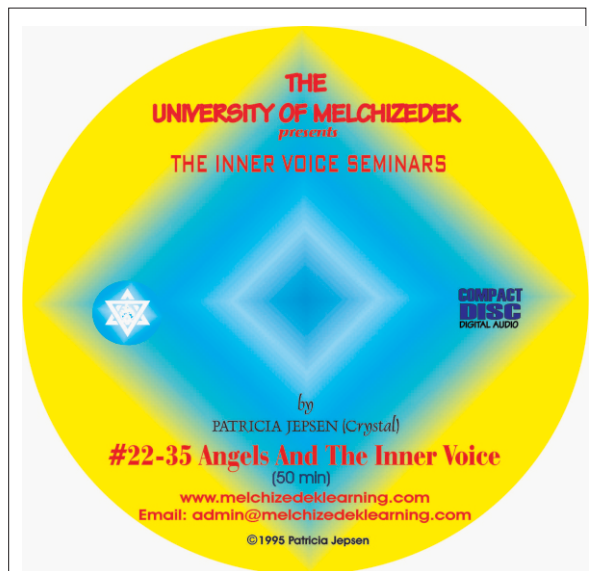

*Power* In the Will of God is the power of God, the radiation of all that IS. It is the Creator Himself in the Presence sanctifying your thoughts and desires as His Will.

*Christ Life* You are the Light-Life within your heart. You blaze forth as living Light. And the Presence shines through you as the Son, a Sun. Waves of God in expression bless everywhere you are. Yes, you are Light, and Light is God signaling the New World and *ordered Life*.

*Eternal Life* A Melchizedek energy field does not know death. It is a revelation of oneness and of the moment. There is no past or future, only the present moment in which God IS, the sparkling diamond of all life. Melchizedek Consciousness and dimension is never born nor does it ever die. It is the formation of unity with the Creator AND THE ETERNAL SON!

Dress yourself now in the habit of a Melchizedek,  
so that you might hear the Voice  
as It is truly sent to you - AFTER THE ORDER OF MY SON.
