The University of Melchizedek is the teaching vehicle for the Order of Melchizedek.

The Order of Melchizedek is The Son's Life in you. It is the quality of your vibration in Truth. Its declaration is to glorify God in Man. To reach, to touch and to bring "home".

From The University Papers, Number 39, "The Gift of Light"

HOMECOMING

THE SPECIALS Volume 5, no 2

All points come together in the One. The center of all life is God's world. It is the relationship of all life to each other. Yes! It is how you relate that will connect you into the new dimension.

When God "made" you, He said, "It is good." What God has said is the very nature flowing through of your supreme position in the universe. This is not the first time you have heard this, nor will it be the last. But this must be known: *I have created all things out of Me that I might know Myself as I AM.* If you will understand the true meaning of these words, I will fill you with My GodSelf and so give you My Kingdom on earth as is in the heavens of My own experience. I will create a chapel out of your heart that you might worship Me in full. And to worship Me "in full" is to have Me present and alive in your awareness as *life in its many expressions.*

Two thousand years ago, I, whom you know as Sananda now, instructed those who were around me and with me as to the second coming and the reason of my return to earth. Open those records now! Not all who read this will accept this message, but those who do will leave their nets right now and follow me. This is why you have come to this planet, not to raise babies, not to find comfort in the world, not to find security in the bank account, yea, not to die. You are here, my anointed, as the spring of a new year. You have come to be with me in my hour of return. That is why you are here. Remember and renounce that which is no longer valid. I have come to claim you back to me, and to raise you to the mountaintop. Behold this is my hour and those who remember, walk now beside me in the formation of a new government.

Let the world go. It is a finite world, of no use to the sons of God. I have formed a

new world from my own being that is prepared to show itself like a glowing star of Melchizedek. Be there in this light with me and that which will come to pass will be of me as the Son and Planetary Prince.

To those who would sleep through my hour of need a second time I say this: Your sorrow will be great.

Remember and be glad. I have come and I tap you on your shoulder to summon you now. For I need you most.

The Kingdom Of God

I, Crystal, had the experience in a recent class, studying the *Gospel of John*, to witness the presence of Jesus as he appeared to his disciples 2000 years ago. He was standing in the middle of the Center's meeting room and from him emanated the light - the full consciousness - of the Kingdom of God. It was flowing from him and it encircled him. He was inviting, by his standing, all to enter his consciousness, to step into that radiating circle of abundant life: the Kingdom of God. It could be done in that moment. Mind you, I was seeing this offering by the Master 2,000 years ago.

My crucifixion is not your salvation. I paid no debt for you nor will I. My Kingdom, which is the Father's also, is forever One and there is no price to it! Not one disciple would step into my circle

of light where I and the Father are one. They could not. Too tied to the rope of this world were they.

Today, again, as Sananda, I offer you the same invitation. I have come that you might be well and happy, that you might walk in the Kingdom and reveal my Kingdom to others. But are you still tied, or will you loose yourself now and accept my invitation to enter my world of light? I have come that you might be saved¹ and in this way are you lifted. Behold, I AM the One! Sananda Jesus.

God's words are your words in your soul. - Crystal

The Light Program

UNIVERSITY PAPERS no 61

The light and joy of God is in you and bubbling up through you into celebration and song. The body of light is apparent now. Qualified in motion, you move as the body of light. With such majesty you move, with what dignity. You have your
b e i n g i n M e .

The Breath is your motion, the divine Breath of the Mother. As you breathe with Me we are One. I give to you, you give to Me. We are One.

Anticipate this Oneness. It is universality as all My creation remembers and becomes alive in Me. Remember, O My creation. Remember.

Even as the trees shall remember, so shall their leaves twinkle in qualified light. All My creation shall come alive in a new way. And I shall remember also. I, the Father within, shall also recall what I have given as My Son's life in you and so give it breath in Me.

Love yourself, even as I have loved you; for we are together now radiating Self-love into all dimensions of My Being. I give My Self that I might be. I AM qualified light in you. I AM the Light Body. I AM the Sun now externalized as your living reality. I AM that which is given unto you as light.

Let My household be glorified. Let My Sons be brought forth as light. Intensify My union with all life, for I have come.

On The Mountaintop ...

Translated in form, you generate great light for everyone to see and know. You are now on the mountaintop. Stand freely on this

mountaintop. Let your light shine forth as I AM. Lift your heads in resurrection and behold the light of God (Intelligence) manifest unto all His-Her kingdoms. I WOULD KNOW MYSELF: My Son's life in Me. And from My mountaintop I shall know this and I shall proclaim this through all My creation. I AM alive again through My creation! I AM alive again! I AM alive!

This summation of My Promise will bring great benefits to Mankind.

My direction shall be translated into doing. I AM That I AM. And darkness shall know Me not.

Giving light is your joy and your service now, as you walk with the glorious day you are in. My habitat is you. And I know no other. Programmed in light (All-Intelligence God) you are the Song of the Creator; and it is done. Finished and done.

I have clearly defined you in Me and that Song must be sung. It is the Creator Be-ing. On the Breath of Life It sings, qualifying Itself through all creation. It is the Son measuring Himself as the I AM Principle of all life in Me. So come to the Place of Creative Power and learn to live with It. Behold I AM!

Rest in the security of your own Be-ing: God in expression right now. The abundant life is now. Quiet yourself and reveal. Then will atomic life know itself. I say, Come!

My eternal supply flows naturally

through your hands and feet. I AM your supply AM I not? Hear Me this, for it is true. You declare your supply at one with Me in the Creative Spirit. You then can say: It is done. Finished and done.

With Love ...

Lovingly embrace all creation in My Breath. Keep that love as you declare the universe complete in Me. With authority speak in My name. As you speak, always speak in love. Love is the fulfiller. If you cannot love in an impersonal and universal way, then that which I have named My Daughter in you or **the Creative Power**, the very substance of My existence, of My Word, cannot hear nor obey you. The full declaration of God must be made and harvested in love. Then is the form complete, undivided from Me. If you cannot speak in the Name of Jesus, or love for all, then you shall not have the Power. God cannot create without love, universal love. My idea is to love all creation the same.

Have you learned the lessons of Love, the universal power of IOne? (I AM?) Love does not declare itself void.

If -- children of the Earth -- you are still seeking love for your own satisfactions, love to fulfill your desires, then the Power that is creative and spiraling forth now under the authority of

The Light Program *continued from page 4*

Michael, Sananda shall not be with you. I know no other love but My own. And I serve the whole. Thus My Creative Daughter or the Creative Power, serves My Word in divine Oneness. She is the Creator emerged.

The testing ground is in you. As you return to the Creator, or the divine One, who commands through you? Who is He that worlds are made of? Behold I AM.

Thus the Power works with you only as you return to "the Father's House." Here in this House of God, House of Truth, the Holy Breath knows the Creator as Herself and breathes on creation new life.

Now, Come...

Lift yourselves, O My people, heart, mind and soul unto My light. Every particle of your being must be lifted now to the vital extension of My Being. I give much unto you that you might come Home to Me. Therefore I carry the greater burden as I seek you out of Myself. I come!

Manifesting as light all over the Earth, I bring tidings of great joy. Many a broken heart shall be mended, many a bird's wing. I come to give you great peace. I AM the nectar of the rose.

I build great universities now. I resurrect the hills and the valleys. My Son shall come alive.

Great universities shall be built that will teach, illumine, My bride of light. I shall know that each day shall be greater than the last. I shall harvest the universities that all may know of Me.

These universities which I will form will carry within their records secrets of lasting circumference. These universities that I return to you are as places that will remind you of My ways. These places of great light will teach you of My radiations and they will embody as places of great knowledge and light.

The GodSelf...

The plan is to reveal the GodSelf now. Thus I say to you: Live in Me as I would live Me in you. We are one. Let shadow be no more. Vibrate the true Self, the decreed Self, the GodSelf. Programmed in light as the Universe Creator's Mind and Heart, rebel not under this unaccustomed Light. For you will get used to it! Come forth and be baptized.

Let the vitality of your new form register in your heart and mind. Become accustomed to this new energy vocalized in expression as I AM. Live to move in the light.

Live to light the world. Live to glorify the Father-Mother God in you. Hear the beat of My drum summoning you Home. I AM THAT I AM. Such a power I create through you, such a light. A light so brilliant and so intense that it does gather up all into itself as SON.

Give yourself to Me that I might give Myself to all. In this way service can be rendered. Learn to serve more deeply and richly, performing of Me the works of light. You are essential to My new day. I AM in need of you as My expression now registered in Me as light. I AM the One who is

come in you to be. The original creation as I AM. I bloom like a rose now in the desert of your experience. Go empty that I may fill you and perceive My creation as good.

It is a new generation that I proclaim of Me. Born through that which was and shall not be again. Born through.

Come Home to the vital energy you are. I offer Myself as the perfect creation I AM. I have tongues that would sweep you up and break the mortal shell.

Moving As Light ...

I have a Consciousness that I would give you ... once that mortal shell is broken.

To travel in light is to robe yourself with My Be-ing. My Breath becomes your breath. We are the Breath. And together we move and have our Being as one consciousness. In truth, we do not "move" but are. We can go and come as we are all space and all time. We are hindered not. Breath fills all space. Time is eternal as the Word is vital now. Nothing is without. All is within. In Be-ing you are anywhere you need to Be in the perfect God-Mind. No one is locked into dimension. No one is contained in a box unable to climb the highest mountain or sit with the King.

Therefore come to the light where all things are made possible by Me. I enter the caverns of unrequited time. I

continued on page 6

The Light Program *continued from page 5*

loose the time-consciousness. I come as one.

Wake up, O My creation. Wake up in every part of you. Rejoice in the coming of the Lord. Joy is in the heavens once more -- your risen consciousness, for that is what the heavens truly are. Take your place in Me.

You will walk in light. Watch for the unexpected.

Travel by My light sound, the energy transmission of My own Being. Walk in the Christed body. Travel in this energy field. Go as light. I want you ever-conscious now of the light around your being. Draw from that. Take your healing from that light. It mends body, mind and soul. You have but to ask.

Move in the Creator. The body of light is your active vehicle now. It is registered as your body as the new creation is vitalized.

After The Order Of Melchizedek

...

Melchizedek did not enter this system for naught. He knew from whence He came and He brought that vibration with Him. He came as oneness with God. He taught this oneness, this unity of soul and mind, while He was on Earth. This Melchizedek Son prepared the way for the Creator Himself to embody, or the Word of God. (John 1:1)

Remember the words of Melchizedek in you. The order of Melchizedek is the living fire of your remembrance. You stand now as the risen Christ frequency blessing all you survey. Let the manifest light that you truly are shine upon all life in

a loving manner. You are light.

You are founded in Me after the order of Melchizedek. Listen to your Thought Adjuster, the Father within. Heal the waters of your own, transgressions by confessing to the Father. Give the passageway up that I might enter you after the order of Melchizedek, bearing My Priesthood with Me. I AM the One sent. And My harvest is great.

Walk without death. Decree that there is no such thing in your consciousness. You are not founded on death but on life. My life in you is your life as you turn inward now, turn inward to Me, that I might Be the Self radiation you truly are. I AM the life of you. I AM the life.

Come alive in Me. You are stationed not in death but in life. Where you have held death, now substitute life. Have you prepared yourself for death so well that there is no turning back? Have you summoned up your coffin? Claimed your burial plot? I say to you now that would you ask Me about life eternal I would tell you this: I AM the Life of you, the undying life. I have no death in Me. Once My Son restored you and returned you to the principle of life, so I have taken you at your word-command (for I know only My Son in Me). The vital energy I give you now I extend as My Body of Light. This is the immortality of your being as both physical and etheric embodiment. Come to the place where there is no death. I say unto you that there is no death in

Me. I AM conscious of My Son's body as life.

Let the body take on increased light or **Melchizedek**. Let the body know that it is ageless, that matter now obeys the inner voice of Christ in you. There is only One. I created matter: My atomic zones of influence. I formed it. I call it back to Me. Even as your bodies -- the forms that you would take -- are called back to be reactivated as divine and holy light bodies of My radiation and My stellar light.

Light Is My Glory...

As your feet are pressed against the ground, they now must anticipate the radiations of this Earth. The very ground you walk on is reflecting My light. Light is the very path you walk, the ground beneath your feet. Hear the nature of your song!

It is a world of light. Everywhere you go there are vibrations of light as I AM. Let go of old patterns and forms. Vibrating now is the new law that I AM with you always. Closer than breathing, in you and of you. We are one. You are My Son of God and I AM pleased. My Word made flesh.

More On Travelling In Light...

You embody the Christ Principle. Remember that. Thus the will of the Father is made known to you. In you is the declared will of the Father

continued on page 7

The Light Program

continued from page 6

who is ever present as your "Thought Adjuster" or the indwelling spirit of the Father.

The embodiment of greater light as vibrating form gives a deeper awareness of unification with All. Light, as it is qualified and rendered functional, will be much more apparent in your daily life. You will have a sense of really walking with the Creator, a deepening awareness, a keen sense of His-Her unity with all life. Such an embodiment brings great joy.

And you travel by light. This will become more and more apparent. The idea of space will leave. As an example: If you are to be in Australia – one of the first things that this consciousness (light body consciousness) will provide for you is that there isn't any space between this moment when you are conceiving your destination and the destination itself! Australia is right here, this moment. There is no space in the moment of conception. This facilitates your plane ride. You arrive less tired. Supply draws itself together to produce what you have conceived. Therefore, your airline ticket will be there for you. Or you may not need a ticket! You may appear in Australia without any need for an airline. This vast "new" science is revealing itself as Man "conquers space" and becomes whole again (in conscious awareness) in Me.

I AM The Resurrection...

Live in joy. Return to the Power of God that is within you. Let Me live in you as I AM. Lift your body into the resurrection process: the decreed

flame of light. Release the old programs of death, disease and decay.

Let the body rise. It wants to rise into form complete. It will be translated into the light of Me. New forms celebrate the Christ on earth. New forms are activated in joyous celebration of My decree: Let there be light!

This celebration returns Me to My creation. I shall vibrate through all My life, and there shall be no darkness, no darkness at all. I decree light ascending. Every cell and every atom shall celebrate the God Presence. Every leaf, every blade of grass. I shall not leave anything untouched. My hand will be upon all My creation and even the tiniest flower shall feel My radiance and know Me.

Have I astounded you? I think not. For I have planned this long before you entered Earth. Even as I have planned it, so have you...as I.

Be kings of your own creation now. Holy is your walk upon this Earth.

Return now to the original creation from whence you came.

Living With Perfection

UNIVERSITY PAPERS no 118

The Earth Is My Body

And as My body it is expressing My perfection, My perfect union with all life.

I AM all there is in truth. My world is divine, all-perfect. I AM in the world as I AM. Every rock and stone, every particle of dust or sand is of Me. There is no other. As you come to the place of reality or the Kingdom of God, there I AM much like a brilliant Sun vibrating My essence as who I AM.

Exercise your awareness by seeing Me, feeling Me in all life. See My world as I do, without shame.

Turn the key. Open the door of freedom and Christ awareness. The Christ is the Sun as beholder and believer. Stand in the Sun, the very center and the core where I AM. We will blaze forth together the Master Ray of Intelligence that sends forth of itself all I AM.

Glad I AM that you have come to Me. Within Me, you are complete. Without Me, you are nothing. This is My Word. Now shine forth My glory.

Come Home

I invite you into the Kingdom of Truth, the Kingdom of God. I release you from all ties to mortality. Come Home. In Me you have everything. You have perfection. *I AM* perfection. Seek Me out of yourself. I send My thoughts to you that you might walk with Me.

I AM the living perfection of Myself. I AM not constricted nor AM I held in bondage by human thought. I AM released

continued on page 8

Living With Perfection *continued from page 7*

thought from My God consciousness. Each thought released in Me manifests as perfection. I AM the seed of Myself, a growing tree of My Be-ing. Lovingly I extend Myself to you as you. My child, why not enter My world of perfection?

White Magic

Based in the Kingdom of God you are living in a state of perfection, for God/Truth is expressing all of the time. There is no other. The Sun is shining, casting its rays of intelligence upon all life, agreeing with all life *as its own perfection*.

There is no neglect or forgetfulness here! This radiance of the Sun or KINGDOM OF GOD is forever shining as perfection. It is a state of Be-ing.

Are you one of those people who is always trying to perfect something, someone, even yourself? In the Kingdom, God *is* the perfection and there is no other. You don't have to perfect anything or anyone, including yourself, because you are living with perfection, experiencing perfection within yourself and all around you. You are in the Kingdom of God where the life is already perfect and the path is that of enjoying and partaking and participating in the perfection I AM!

Come to that place within yourself. I *know* you can. You are already there! Right?

Each one is loved in the creative power of My own Being.

¹Me = the higher state of consciousness I call the "I AM."

The City Of God

The moment you are in *is perfect*. Be there with Me.¹ The minute you agree with this, you are living with perfection *as perfection*. The power is in your *a g r e e m e n t* and acknowledgment of the divine flow of God in you as you. Without God you are nothing. That is the divine truth of Be-ing. Where I AM you are. *Be still and know that I AM God* within you and as you do this, you are That.

You establish a rhythm by your belief. This rhythm releases a road, a pathway, by which I travel as My Be-ing expressing I AM. Set up the rhythm now. Be clothed with Spirit. Be lighted!

These are words of Power. What has been given is an electrical circuit to the God Center where you and I are One as God Be-ing. I love you. Now take up that love and come Home to the place I have provided out of Myself. I love you. Come to that place of love, joy and Be-ing. Live that I might live. So let it Be that I have spoken to you as My child of light. Go back to the beginning where all things were made by a state of grace and love. Joy in Me. I have the Spirit to contain you and be you.

The Kingdom Of God

What you think is already yours in the Kingdom of God.

How blessed are they who return Home to feel the warmth of the

Giving Sun upon their shoulders, hearts, minds and souls. You will not stumble in Me. You have been given sure steps in My walk. You have been given the way. It is the Melchizedek order. And defined through Jesus -- through many eons -- it is My light upon the path. Reclaim that light and enter through the gates of welcome into My Kingdom of divine perfection. I AM you!

Aren't you tired of living separately, without Me? Why, man, do you want to suffer when I can give you peace of mind?

The Kingdom of God is the Kingdom of Truth revealing itself as the nature of God the Creator of all life. It is through this creation as the Kingdom that you can experience perfection as the whole expression of a world of light.

This is the message that I have for you today: that you can receive My perfect expression through which I live and have My Being, through which you live in Me as a citizen in the Kingdom of My Sun. When My light shines, there is no other. Behold I AM the light! And in this beholding you are one with the light. For in the light, I AM.

Stand at the core of Being. Look around you. What do you see? Why all is in perfect order, is it not? *DIVINE ORDER*. There is only harmony,

continued on page 9

perfection agreeing with itself. No disorder can exist in Me...not in the Kingdom where I AM.

The Kingdom of Truth is the magical mountain to which you ascend as I AM. It is in the magical moment of your realization that you are the Sun projecting yourself into creation, as you vibrate as consciousness of the Sun (God in expression as you or one with you). You are the perfect unit of Being reflecting *YOU* as perfect creation I AM! How magical this mountain is! What glory awaits each moment! And what joyful experience!

How wonderful to be with God every moment, to feel God's breath as your breath! How blessed!

Let your gratitude well up through your thankful heart as creative power! The Mother Spirit awaits your gratitude and your thankful heart that She may project Her radiance as perfect creation, divine perfection in expression now.

In the Kingdom of God there are no awards. Why not? Because there is only One. I AM That. The mountain has been reached. The Kingdom is the magic of the living Sun. It is living in perfection without doing, deserving or earning. The Kingdom is Unconditional Love acting upon itself. It is a giving, unquestioning and unjudging place to Be.

Can you live with Me, with perfection, in this place of love and light? Then as the master Jesus once said, "Take up your bed and walk."

Return Home

From *Light History*

copyright 1990 by Patricia Jepsen Chuse

The true beginning of Man does not begin with creation but in the Mind of God where all things must begin to have fruit. Thus we return to the beginning to create at-one with the Father-Mother God, in harmony. Thus "to return home" is to return to that place that I have provided in Me – that I might release Myself as My creation, perfect in form.

In the physical body you are in community, are you not? Every cell is related to the next in harmony, singing a divine song of union and creative power. Even though the false programming may seek to convince you of its power, you need only to acknowledge the true life within you that is now leaping like a flame of creative energy. All the angels will serve you as you focus on the inner Child. This is because it pleases the Father to know the Son (who you are) in you! God wants to be glorified in you as you. Yes, this is taking place right now. Lift up your arms to receive His glory. Let the nature of Christ flow through you. Respond to the Incoming Energy of divine life! For this is the way, the truth and the life. "I have come again."

God will be glorified. Remember that Jesus told us that we must be willing to let everything go and follow Him. We must trust God enough to release our possessions, our sense of security, our desires, even our children and family to Him. And further, we must turn our life over to God that God might live in us. When we do this we become initiated into the Light and the true baptism of the flesh can take place – over us, through us. We are asked to receive the Son Consciousness and respond to that vibration of Lord (LAW) in us – to accept our true inheritance and "come home". We have to be willing to return home, to find That which is true and real in ourselves, to allow our consciousness to stabilize as the Creator, to merge with the Christ. This is the real key: the willingness. Then the spirit within the heart does the work. No one is caught; no one is bound. In this way all things are free.

If you accept the Son within you and let that Son operate through you as you, as Son Consciousness, *then you pray and I answer you, you ask and I will respond. If you believe that you will receive and turn not away from My guidance, all things will be given you as the Son of God. My children, as you learn to live in the Presence, depending on that Presence for your maintenance, the manifestation will come and all things will be given you in My Name.*

Life is God. God is life. Life is eternal, everlasting. It does not stop. It goes from glory unto glory. God delights in glorifying Himself. It delights the Father to give to the Son. God wants to glorify. God wants to be glorified. He hungers for that.
