The University Papers No. 30

The University of Melchizedek is a vibratory network of colleges calling into creation new worlds of unity and Christ Energy. The Consciousness of this University lies in the Absolute. For the nature of Melchizedek is that of Jesus' Consciousness in 'I AM'. (See Hebrews 7: 11-28)

In the Latter Days Man (consciousness) rises to the University of Melchizedek, drawing from It the GOOD NEWS of personal salvation, Truth and enduring Grace.

Opening and Proclaiming

Let us know the one Presence and the one Power together: the Presence that indwells each and everyone as the Christ I AM. The positive Presence that is in ascendance now as your LIGHT OF THE WORLD. The true harvest lies within your own consciousness. *Pick up your bed and walk.* (John 5: 8) The Jesus Consciousness indwells you as divine oneness, as Creative Power risen to actualize a new earth.

Ribbons are being cut as the boat sails off to the horizon of ever - expanding awareness of the Light. You are that boat sailing forth to new horizons of experience where you will find, on the seas of consciousness, My Word and

vibrate to that Word. For I have come again in you as the Light of the World and the peace of this planet.

Be not concerned with the outer appearance but see through it now with the power and the authority given to you in the Name of Jesus The Christ. See the Christ Flame ever risen in your heart as the new world I proclaim on earth. For this is the world that you stand in now. The Declaration of Independence is within yourself. As you realize your own freedom in Me and consciously ascend to that place I have provided for you.

Now ascend, dear ones, into the Light. For I have come to make all things aright. I have come that you might experience your own Higher Self. I have come to light you in your Son. The power of God indwells each and everyone of you. It is My joy to be with you now as IMAGE AND LIKENESS of My Father's Life in you as you, perfect and divine. I speak the Word and it is done. Do not bury Me in your subconscious. Let Me rise up! And I say to you: You need no words to know My Truth. You need My Word. There is a decided difference.

Consciousness ascended is the Word vibrating Truth. All the Elementals agree with My Word, for It is All - Inclusive, unending, and delivers Its bounty. As the Son speaks it is done and the Word is truly made flesh.

Forgive others who have hurt you now. Do not carry grudges, please. For they burden you and keep you from your ascendance in Me. There is no thought of grudges in the Spirit. There is no world other than My world. My Consciousness is free in you. What do you want with that which is not?

God is love; and he who dwells in love abides in God. (1John 4: 16)

I AM not a god of punishment, nor can I ever be. I do not punish. I AM Love.

Once you let My Love into your being all else leaves. Nothing can stand against My Love. (From The Seed, August issue)

Continue on your way or join Me now in the marriage of soul with Spirit. Your consciousness is My Consciousness in Truth. THERE IS NO OTHER CONSCIOUSNESS IN REALITY. It is the vibration of the original Son, image and likeness of God. If you trust this Consciousness,

you will live Supremely. *I would be glorified!* As Jesus walked, so you will walk in confidence, in freedom, in trust. But these days are numbered, My dear ones. I have but one hand to number them. Remember that. For I have come that you might know Me in your heart and mind, so that peace might Be and new worlds emerge with the glory of God.

The Son equals God's glory. It is One. Walk in faith, My dear ones; walk in faith. The Easter Day has already been proclaimed in your consciousness. Why do you not take it?

THERE IS NO COMPROMISE

I am reminded that we cannot compromise. **THERE IS NO COMPROMISE IN SPIRIT.** *I already AM.* We cannot compromise if we are dedicated to Spirit, to spiritual life, to the rhythm of Jesus The Christ, because there is no compromise in Him. We must surrender to God entirely. We must let go of the life that we have called "our" life. We must loose it and let it go - we must give it to God so that God can express outwardly as our true Self, as the Son or immortal Be - ing. It is in this ex - pression that we find Truth. We can no longer hold on to the clutter, to the debris, to the cancer of this that we have called "life": the mortal sense. It has no life of its own! We have to let go. As long as you are holding on to a segment of this life you cannot, you will not, be spiritualized, be free in your consciousness. You must let go and let God. Because, you see, there is only Cod in expression now as the image and likeness of the Son. You must take that into consideration. Set yourselves free by your own inner declaration of independence today.

Let go! Let God! You have but to do this to experience the Son's awareness as your own heart and mind. You see, **THERE IS NO SUCH THING AS PUTTING OFF THE SPIRITUAL LIFE.** That's the false face of creation. The harvest is in the

Spirit where all things are made, not in the mortal life or mortal sense. **THERE IS NO LIFE THERE!** That is false creation. It is not real. We cannot have both the false and the true. They will not mix. And the more you turn to Me, the "I AM Christ" within your own heart, the less confidence you will feel in the "ego" or the sense of self.

The Son is always the Creator in you as you. There is no other Son in existence.

***THE LIFE SOURCE OF OUR BEING IS
THE CREATOR.
IF YOU DWELL IN THE CREATOR,
YOU HAVE ALL THAT YOU NEED.***

PROCLAMATION

The coming Order is already established. The fruit is on the limb. Jesus was promised and He has come. He has brought with Him an Agency of living. The Saving Grace is upon this planet. The false ego wants to rule it cannot. That is the only world that is going to crumble: the world of illusion.

For I have established a NEW world - a Life world wrapped up in Me. It is My Consciousness, this world. As you birth this in your consciousness a degree of Awakening, response, takes place agreeing with My purpose and My realized Be-ing. That Consciousness is the VIBRATORY TONE of your life: My Father and I are one. That is the CREATOR manifestation, the reality of your circuit. That is the creation of a NEW world of which I AM That which is given to mankind. Yea, I would bear you up unto Me - absolutely. It is the Creator Manifestation FOR THIS TIME.

Bear no thought of the negative energy but think only of the defined glory of My Conception and reality within you. For I have conceived - make no mistake about it. I have awakened! Stand prepared to receive.

What is occurring now as we witness and participate with the many groups, churches, centers and organizations penetrating the world as we have previously known it with a new industry of service and self - denial, of community interaction, of networking and

global ties, is that the new consciousness has truly connected: the body of Christ is emerging as the First Emanation of Light. It is outpicturing as Christ Consciousness, a new sphere of light and love for this planet. This is the Act of Emergence that is taking place. We must act WITH that Emergence that darkness will be no more. We must LET the Creator Consciousness move in and through us. It is the vibratory agreement with the Son of Man.

There is a Point of Unity connecting all into a new and vital focus of Perfect harmony now! It is not something that is going to happen. It IS happening.

Those who are preparing to leave this planet while a "cleansing" takes place are attached to an old plan. **IT IS NOT THE PLAN FOR EARTH AT THIS TIME!** We are not to leave. We are to stay and BUILD in the wholeness and the unity of the Great Alignment NOW taking place in consistency of the World Mother Who is driving into manifestation a new creative purpose: the divine fire of Her own name. They who build with the Mother - from the Temple of I AM cannot afford to leave. They will stay on Planet Earth and realize consciously the Supreme will of the Creator

Opening and Proclaiming

and act accordingly! Thus, we have a NEW order emerging without form yet but calling into realization a new vibration of community love and joyful expectation of the Second Coming of CREATIVE POWER. Those of you who are seeing ships in the sky are really seeing that manifestation: the reality of the new circuit in its fruition.

I AM blessing you with harmony today, complete harmony. I AM threading My Song through all creation intoning My Word: the music of the spheres.

What a dance it will be as you consciously harvest the Christ Soul that you are and believe unto Me. There is no thing impossible in Me: the Creator is Lord.

As you contact the Creative Power within you and realize the Christ HAS come, you may dance the new song, walk with the angels of light and love after the order of Melchizedek.

With the roaring rush of Being emerging as the Supreme God on Earth, those who agree with the dimension of Love and Light and respond to its reality will activate a new force of supply: the Presence of Light and Love in movement now as whole consciousness. As you learn to live in the Presence, you will be free.

"Take up your bed and walk" does not mean leave this planet. Not now! We need you. THERE IS NO PLANET TO FLY TO. Once you have realized this point in your ever - expanding awareness and can consciously accept that you are already IN the dimension of unity and light and love, you will want to stay and experience this dimension with us on the planet! You will want to be with us in this change.

"Take up your bed and walk" truly means

that you and I are one. My Spirit covers you, that is what that means. There is no evacuation to another planet - There is no thought of leaving - You are at the point of discovery now. New fields are fertile. New lands are awakening to the Christ Being and the Way of the Lord (or Creator Michael). WE NEED YOU ON THIS PLANET TO MANIFEST A NEW REALITY OF CREATION! And that must be done THROUGH the souls of those who have responded to the Earth's need and her heart.

I have come to "test" you AS TO MY BEING. I have come to align Myself to you. I have come now to actualize My Being as expressed Godhood in you, as the Light of the world. I have come to stand as I AM. For this is My Hour. I have prepared you well to receive Me.

When you understand THERE IS NO PLACE TO GO - you then will let Me Be with you: For I AM not bound in illusion. I AM THE ONLY REALITY THERE IS. My Force is Supreme now. It is My Time in you. I AM lifted already in you, as the Earth record will show. As consciousness Man was lifted through Jesus' ascension, there is no time left for the foolishness of mortal mind. I have come as the NEW RACE of humanity. I AM not bound. I AM not feathered by ego or sense self. I AM the only reality there is! I have found Myself in you!

It is this Consciousness that is emerging. It is important that you understand this. No evacuation is needed because there is no need to leave where I AM. There will be new forces of light connecting up with this unity message and you will know the Truth. For the Truth shall convict Itself and know Itself through Itself, so that all might yearn not to leave but to remain as vibratory elements of a new Birth. Please note: Talk of

evacuation is destroying the new Energy Field - already awakened - and in Its final stages of entrance for the alignment of Christ in humanity.

There is a mass consciousness change taking place which will make all things new - You are birthing a new planet, stabilized in grace, through your consciousness - your acceptance of true form on earth and throughout the heavens. It is important that you understand this.

God is your authority. And the indwelling Christ is the governor of your nation. And He that indwells you indwells all. When we see that the Declaration of Independence is within ourself, we stand free. But you have to decide. You break the bonds.

Liberty is not won fairly. It is conceived through the heart.

The positive ascension process is already in place. Jesus set this process. Your body is placed in that ascension process. It is already there! As you lift your consciousness into this new life, the illusion will drop away, the discord dissolve.

For this I have come - to make all things new, to vibrate into all earth creation My sacred Sound: I Am That I Am. The activity of my Consciousness penetrates the bosom of this Earth. My Word - promised - becomes My Body and My Breath. THE SHIELD IS LIFTED. Sacred Life Force enters as never before. And you have misinterpreted this Life Force as a danger signal to your people. There is no danger, My people, as you align with Me. I AM the Creator in Man, the Consciousness*

*This is what stabilization means.

materialized of unity and love. I have awakened in the planet and I know My own. You misread the prophecy. You have not thought it through. You have but partial understanding or no understanding at all! It is a dangerous Force only if you misuse it. You will not misuse it in Me.

*The Vibratory Force of the Creator now entering the System is connected to those who honor Jesus or the Christ Within as their Lord and Saviour** for this constitutes their configuration in Him. They are the anchors to initiate the new Life forms on earth, to actualize His Presence through the first and the last. They connect Him into Place as Vital Energy of the Supreme One on Earth. This connection delivers His people or the entire Earth INTO A NEW CIRCUIT OF ENERGY.*

The divine spark of individualism remains while the Creator emerges as Light. Read now from the Apostle Paul: Romans 2: 28 & 29...

"For it is not the one who is outwardly a Jew who is the real Jew; neither is circumcision that which is seen in the flesh. But a real Jew is one who is inwardly so, and circumcision is of the heart, spiritually and not literally; whose praise is not from men but from God." (Taken from the Lamsa Translation)

Circumcision of the heart is the only circumcision I ask of you. Once the heart is open I (Spirit) can do the rest. This circumcision is the anointing of the Holy Spirit in such a way so as to penetrate the heart completely - thus joining the soul of Man to the harvest of Spirit in creative form. It becomes the declaration of Spirit in your heart.

We are the Coming - stabilized Thought in motion. This Coming reveals the Kingdom within. It also reveals The Son or CHRIST alive in the Soul of Man.

No one should wait to connect with their God - Center. There is no time left to play. This is My Hour, saith the Lord.

Therefore, in conclusion: the more who can understand the position I AM taking on this Earth now, the more I will be able to finalize My Being in you as your Heart, as your Mind, as your Soul. The Creative Force now rising does not witness to anything but the Christ: the Son of God. That is the manifestation of the promise: the Word made flesh. As you understand the mission of Jesus The Christ, so you unwrap the veil of confusion. Do you see this now? His activity affected you as your own being. If you know this you are "saved" or divinely actualized in Creative Power as Light.

The more actual anchors of His Blood or Vital Force, the quicker the grounding of His rhythm in defined motion of Supreme God on Earth.

As you decree with the power of the Flame, in the Name of Jesus, you are anchoring Creative Power on Earth and returning all back to God in the Christ. He who gives you the right to do this, decrees through you. His Name is like Light transfiguring all who speak It and give It power in their lives. You see, as you speak "in His Name" or rhythm, you are inviting His alignment into your being, anchoring this Force to Earth. Decree and It is done. "In the Name of Jesus" ties the Force to Earth and ignites the children of Light to His Cord of Being. The positive ascension of Jesus brought all people together into one Cell. That which is given is so.

THE GARDEN OF EDEN

The Judgment or Creative Process is taking us into the Garden of Eden. This Judgment - we are seeing it objectifying on our Earth today in so many different ways - this Judgment will deny or throw off anything but the perfect

rhythm of the Creator now, Energy of God The Supreme: the positive energy of Love and Light in the system. After this Emergence is completed through the hearts of the children of the Light new worlds will emerge. These worlds call in the Garden of Eden, in vibratory form on Earth: oneness with God.

The Emergence is acting upon the mass consciousness, as God is radiating Himself as the Christ, as the Supreme, and witnessing Himself through all creation. In other words, all life will be singing and celebrating God Presence. And this is taking place. This is the BODY OF CHRIST that is emerging; a Body, an Awareness that is actually taking and filling all space with Its Consciousness, as It realizes Itself as the Supreme.

So, as we feel the emergence of our own Christ Consciousness, we begin to have a sense of a point in our own awareness or consciousness called the Garden of Eden where "I and the Father are one". This is the meeting of the two poles in the Christ. Male/female, Adam and Eve, stand together in agreement within us, subconscious and conscious mind agrees with the Word, with the I AM Presence. In this agreement everything we need will actualize. That is the Garden of Eden within ourselves. It is conscious union with the Father-Mother God AS THE CHRIST. Now this also is taking place on our Earth. She is stabilizing too in new creative fields. As we consciously receive the Christ and accept the Emergence within our being, new

Opening and Proclaiming

worlds will unfold or will emerge. New worlds are areas, spheres and dimensions that we haven't been aware of before. So - even as this is true for us - in our own conscious rhythm with the Christ - so new worlds will appear within Earth. There will be a zone, a conscious Zone in the Spirit - the deity body, the Christ Body that is emerging - that will create out of Itself a zone of authority, a zone of creative control, that is called the Garden of Eden. Many years past, this Garden was with us. It is returning and is already beginning to vibrate through now.

HE IS THE ONE WHOSE VOICE SHOOK THE EARTH: BUT NOW HE HAS PROMISED, SAYING, ONCE MORE I WILL SHAKE NOT ONLY THE EARTH, BUT ALSO HEAVEN.

(From [Hebrews_12: 26](#) Lamsa Translation)

As the Garden moves into position, there will be other worlds circulating around the Garden, other dimensions of life and awareness. The more we give ourselves to this Indwelling Presence which is now proclaiming Itself through Planet Earth and the surrounding energy fields, the more we will be conscious of other worlds of activity in perfect agreement with the Garden of Eden. It will be a heaven on earth.

The closer you, in your own consciousness, are vibrating to the Garden of Eden within yourself, the closer you will be to that Garden of Eden experience that is now surrounding our Earth and actually being clarified so as to appear. This Garden of Eden is a state of government. It is the Place wherein I AM dwells. As within so without. As you can vibrate to the Garden within yourself, so you will EXPERIENCE

the Eden of Earth in her first stages of development.

You will not have the dense body that we have known up to this time, because the energy - force of this Garden will allow drastic changes to take place. As you move and have your being in Me, your body will outpicture as LIGHT and Man will not drag his feet anymore. You will have a different type of body that can actually agree with the energy fields that are around the perimeter of this Garden, so that you can serve both on earth and in the Garden.

In summary: The Garden of Eden is stabilized Grace. It comes from your consciousness agreeing with God, as both the conscious and the subconscious are in total agreement with the Word of God within you. These two aspects of Mind (Adam and Eve, mother and father) are joined together as one: Superconscious state of Being or expression. This is living the God Life in His Garden. The Creative Power rises and expresses God or your Godhood. And everything that you want and need, My child, is yours in this Garden which is stabilized Grace in your system. Your desire will be My desire because we are one. That is the Garden of Eden. It is a Zone of Communication where all is met in Me.

Outpicturing as a sphere, as a zone, a Being will align, hold and vibrate this focus in order to help you attain your Godhood or realize your God Consciousness. (He-She maintains the stabilization sphere). And that zone will penetrate every vein of Earth and will become LAW so that all things will be lifted up unto Him.

It is My Plan to establish a new energy field that will connect all peoples together in the exact rhythm of the Creator. And this day will not be far off and many will know the Word made flesh in the activity of their consciousness. And they shall find the peace that they seek. And lo there shall come upon this land My blessing - radiation Supreme.

The University Papers No. 31

In the higher realms of Being, the University of Melchizedek is a vast assemblage of Energy vortexes, releasing powerful vibrations of Love and Light. When the consciousness lifts to the University of Melchizedek it agrees with the unity of all life. These universal lessons and news releases are delivered to you directly from this University.

a new moment for the universe

The power of the lie does not hold you. It does not. I AM stronger than the lie. I AM the Christ within... the Seed of a new beginning in Truth. My Word is the glory and the glory - My Glory is your shield. You will have abundance when you contemplate Me, the "I AM" of yourself, the Light of the World. I give you My Word. I AM the Light of the World, AM I not? When you know I AM always with you, that Light is ever - glowing AND CANNOT BE PUT OUT! The Light that you shine forth is My Light; there is no other. There are those who say there are other lights, but I say there is one Light and I AM That! I have come that you might have Light and know that Light as yourself. There is no call greater than the Call to Life. I call you to this Life. Mark Me well. I AM Infinite Life expressing now and it is My Life We celebrate as peace. My children, look to the Light within. May that Light shine!

My children of Light may you think on this. May you learn to live in the Presence and go forth in the Presence. May you deny the forces of evil for they are unreal and are not of My World. I say: Come, that I may Be with you and come that you may Be with Me. And the Lord's Earth shall quake and shall open to the greater part: the Light of The Son - Melchizedek.

In days to come I will quicken you with the Supreme One. I shall move with you as one body and they shall come and they shall know: I AM. Be at peace now. Infinite peace cover this Earth. In the days to come, the Sons of Love shall gather as one body and they shall be

lifted. And I say: They shall know Me and I shall know them and We, together, will introduce a glory of God The Supreme, never felt on this Earth. He who cometh unto Me, cometh unto The Supreme.

Your desire fields are open and they say to Me: Light my body, redeem my flesh and call me by name. To each of these desires I respond quickly. And I say this: Blessings Be upon the body, upon the flesh! I release you from your term on earth... bound no longer walk in Christ. Thereupon is My Word for you... thereupon is My Word. Forget the past. Release now the Sons of Being that they may triumph and glorify My Father and The Son.

Now the greater the power within you the brighter the force. Take care, for it will throw you against the wall if you do not use it properly. Nothing can hurt you if you stay in Me. For I have come that Man might know himself and enter new worlds of My Being. I come that Man (humanity) might be clothed in Me. Let My flesh become your flesh, My Word your word. Abide in Me.

MY CREATIVE POWER...

All the love you have in your heart must be extended to the people on this planet today. For they have need. And this love is the power of God in you. It is the axis upon which you revolve. It is the creative energy that is your supply.

The divine Energy (Creative Power) of Love and Light knows only the Son. It is that Son that it positions

itself to hear. It will obey it. Jesus introduced us to this thought when He instructed His apostles, "And whatever you ask in my name, I will do it for you, so that the Father may be glorified through his Son." (John 14:13, Lamsa version)

Forget the past. Stand in The Christ Center of your own being (Name) and receive the vital alignment of Christ Jesus in your system. Respond to the Creative Energy climbing up your spine - as "I AM"! Allow the true Expression of God to emerge in vital life energy, decreeing Itself and glowing in Its Emergence. This Holy Spirit Power glorifies the Father only; It moves to the will of God. And It bears no Thought but the Son who believes in Him and glorifies Him. Thus, the Emergence becomes a glorified reality in you as you agree with the Son. The position of your consciousness must glorify God. As you leave all but the Light within, this power of God will vibrate into all areas of your experience. Let the personal "self" go. Do not waste your time on it. It has no place in Me. Look only to the Son/ Christ and this will align you to the power of God and His - Her Divine Word. So he who cometh unto Me is filled.

You see, when your sins were forgiven (And Jesus said, O Father, forgive them, for they know not what they are doing. - Luke 23:34), the excess baggage was lifted. When your sins were forgiven that

continued on page 8

Entering The Supreme

continued from page 7

opened the direction for you to return to Sonship, to the vital emanation of your own divinity without hindrance. And this is the climb humanity is taking as one soul, collected unity. It is graduating into the Christ. So that the Presence - the all-abiding Presence - will be known in all this Earth through every living thing, and companionship will be met in all life and through all creation. There will only be love. Now that which we do is agree. What is there to agreement but to say: Yes? And that which is given will come to pass. He that giveth unto you supplies you with His Word. So your path is open in the name of love. But it takes your agreement, remember this.

Now how many times in our study, in our work through this Order have we been cautioned about the Creative Force and Kundalini? That we must treat it with the utmost care and that, indeed, as it begins to rise (it functions as a radiation of The Supreme) and burns away the clutter and the residue of that which we are not, we cannot do the ordinary things of the mortal self. We die daily and rise again to the immortality that is our Being, restoring the Christ Power of Melchizedek - the universal One.

The Holy Spirit carries the Word, carries the message, carries the vision. It is through the Holy Spirit that we know Christ and receive Him. It is that Spirit that pervades all nature and is the fullness of your Presence. God gives the Spirit to know the Son.

So you ask: Why can't I do like my friend does? And the answer is that you are indeed lifting your Creative Power for the glory of God and manifesting His true decrees on earth that Man might live in peace once again. You are the Order of Melchizedek in this Power! And if you sacrifice this power to a cause not of the Light, then you abuse it, misuse it and

must pay the consequences which are serious indeed. I fool you not. So treat with care, with Christ - reason, with Love, with respect this power of God inside yourselves and lift it to His glory, as Jesus did. Thus will Man go free in the body of the Lord, the Word.

You have been tested and tried that you might indeed express this vibrancy of My Word. But make no bones about it, it is a critical time for you. Many of you have passed the gateway where you could have turned back and now you must live with this power and be one with it; and in this way shall you live eternally. This is the resurrection and the life and you have but to think upon this to know. I say this in My Love. Make no bones about it: You must learn to live with this (Power) and to respond to it.

Do not sell yourselves short. The power of God moves rapidly now up the spine of His beloveds and that which is given is of Him. Take this power now as your own creative energy expressing Godhood. And do not use it for anything but the Holy Spirit use: I AM THAT I AM. He Who gives you this, gives Himself with it. Make no bones about it. There is a caution here. Feed My sheep. Now That that is given must not be misused at any time.

You see, you are not going to misuse this Creative Force. You cannot in me. But there are thoughts now, thoughts that you must dissolve. Give not thought to yourself, not one thought, even if your life is challenged. But think upon Me and in this way all things shall come to pass as rhythm of My Being. I send no thoughts other than My own.

The Resurrection and the Ascension is kundalini (Creative Power) stabilizing in degrees of its attainment. When the attainment is reached Ascension has taken place. Full glory of God appears and you are That - conscious of your reality in Truth and beauty. The power - the resurrection power - kundalini - Creative Power then goes to the manifest whole or given parts of Me. IT SERVES THE SUPREME. It never serves anything but the true form (image and likeness) of Jesus The Christ, I AM That: wholeness, unity, benefitting the true nature of all. It does not serve the lower self, sense of self or carnal mind. Spirit sees and knows only Its true nature which is the divinity within you and within all life.

With the rising of kundalini, Creative Power - I AM the resurrection and the life - you are crucified to the mortal and uplifted in the divine. This Energy rises moving to the Crown Center or chakra as the resurrection, as the full resurrection of the "I" into the light expressing the Christ. You are mortal no longer. You are filled with light of immortality: Creative Power. This power then seeks to complete itself as the Body of Light.

Why do we not have faith in ourselves when we were created in His image and likeness?

You will stand in the robes of God's Light after the order of Melchizedek. The Body is the solidified power of My Love and Light. And what you know is there is no death in this Body because it

THE CREATIVE PROCESS...

meets the Life of the Spirit, or your Creator.

You - many of you - may have undertaken these changes already and are deep in the midst of them. Others may find them soon. I give this (record) that you might know. For the dust is being taken off the books now.

Let me re-emphasize here that the precious Creative Power that resides within all humanity seeks to return to God from whence it came. How this power has been misunderstood and misused! Man has called it "sex". This is the power to vibrate with The One and create out of that One. *From whence would you receive dominion save by My Voice and My Word?*

The power of God would rise if you would give it back to God. And to that part I would address myself the most:

Now that which is not turned back to God fights to go back to God - fights to return. And when you find things in your life that are not in agreement... that are outpicturing as disorder... you may find the need to turn inward to your God - Self and submit the Creative Power to that One. Once that power begins its ascent to the crown, it seeks to unite with God or Christ within. It seeks to mate with God, that perfection, that inner Life, and to express God. And this ascent changes your body into light or Creative Power. *It is My gift to you to rise with Me. I AM the One!* Now the body is not sanctified until the kundalini rises; for the body is the temple of God.

Can you see now why the Inner Voice, obedience to It, has been stressed in this Order? The alignment with the Inner Voice carries the Creative Power and manifests it into form. He who listens to My Word obeys It without question. And He who abideth in My Word is fulfilled as Jesus was.

God as Spirit knows you as Its vehicle, ready to serve Its needs and desires. Therefore, It will serve no other needs or desires. It knows only Itself as you.

This is why there is no turning back now. As a people you have reached a turning point where you now must be concerned with Earth's needs and with the Creative Power that indwells you. Willingness to serve without compromise will bring all into balance. There is no life other than the Life of God expressing in vibration. And that Life does decree Itself through Its vehicle or unit of expression.

The Inner Voice is your Consciousness. It is Cosmic mind vibrating through you as 'I AM'. Such a Voice can command all power in the Universe. It is the Voice of God.

That that is God (Spirit) knows only you as Itself. When you go back over former "lives" you will block this flow.

There is no life other than My own. As you know this in your heart, all is well. "You are the salt of the earth."

The Earth and her inhabitants are fastly reaching this point - this turning point - and as this takes place - the crashing of the Wave is heard, the Sound of His Breath in unity with the Sons.

Stand in the God-Self - looking neither to the right nor to the left - giving all to the Promise.

I have not burned the records for naught. (This refers to Earth's records of the past as well as those not conducive to your upliftment.)

The fury of the Wave is the glory of the Father-Mother as it pounds against the debris of yesteryear. Let the Wave pound **b u t y o u** stand firm. I AM the Wave (of realization), I AM you.

For I have Come!

LISTEN TO ME!

Man does not kill. Man is to love. Even if his/her life is threatened, he/she is to love. The movement on this Earth disturbs Me. Watch and pray, O foolish ones, watch and pray! Speak to the nations and gather My peoples into one body. At no time have I said to kill, neither beast nor fowl. I say do not kill one another. These things have I given but you have not heard. My sons are battling. I say there are no boundaries in Me! Watch and pray. Empty yourselves that you may be filled with My Life. I created you I will fulfill you in My way.

You contaminate My Earth by your quarrels, by your greed. I say: No country is greater than another. I know no boundaries. I stand with all life and I know My own!

Be of one people, gathered in community, sanctifying -My Word. I stand with you then and you will be blessed even as I AM with continuous motion of My Spirit.

Think not I hear My people and know their cries? What puts one above another? Let your taxes build, not destroy.

I call you into one body now. Gather into one body that My Spirit can be heard. September 29, 1986
