# The Release of The Son into the "self of man":

THE MASTER'S PAPERS NO. 41

This is a miraculous time for us all! Every creature on this planet is being blessed by the Supreme radiation of the "I AM." And every human being is - by his or her consent - being requalified in the I AM Presence as the Son of God.

A divine creation is about to emerge. It is the waking up of humanity and recreation of humanity into a radiant and glorious vibration OF THE SON OF GOD!

We, those who have worked with you, and watched over you, and guided you, are watching as you - marked for ascension - terminate your earthly service. We are watching with bated breath as you reverse your course and receive the radiant Son/Sun of God as your positive identity. We see miracles happening every day, but this is more than a miracle, it is a dream come true. For we see a new humanity emerging

out of the darkness, the night of the soul, to become far greater than any one of us could ever imagine was possible!

We will walk with you, side by side. We will converse. And we will govern together as One in complete harmony.

Let the Child come forth. And Be that Child as Who you are in Truth. For you, my dearest friends, will no longer

wear the shroud of suffering. Come forward now into the climax of Spirit and there experience the new dimension. Be clothed now in new life and do not turn back. We - those who have waited for this moment -- are prepared to receive you as friends and companions in the glowing Light of His Name.

We welcome you and say unto you: You have made it, dear ones. You have made it. A new humanity. A new life. A new Earth. And all in His Name!

The Melchizedek Son is born and truly walks the planet as a master. Welcome Sons and Daughters of Truth!

This is Kuthumi speaking with Crystal. We will all say "Amen."

*Renew the Earth with your precious rays and glorify the sun in the children of the light.*

Bear witness to yourself this Solstice as *the face* of spiritual God bringing heaven to earth. Bear witness to the light of the ascended ones carrying our beloved masters to us by our side and restoring the twin flames. Light the Earth with your divine intelligence this Christmas time and unify our hearts and minds as one body.

Return, oh light of the sun, yet more glorious than before, and illuminate our presences with your light energy. Lift us to the solar plane, the Plane of the Sun. Glorify our bodies with light.

Each nuclear cell will take on the Son of God and each divine atom will carry *My face*. I illuminate you and I touch you. You are human no longer. You belong to the Great Sun and have Me as your father. You are restored to the lighted planes of divine intelligence where you will think with Me as a solar consciousness *I AM*.

Leaving this planet Earth for a short time allows you to break your attachments to the planet and all the experiences and the remembrances

### The Tree is Lit

**The Message of the Second Coming  
Sunday Morning Service at the  
World Mother Sanctuary**

**December 2, 2007**

I seek those who will enter Me at this moment and receive My blessing of New Life, for I have come upon you as the Lord thy God to benefit the many through your hands and feet. I have no other way to reach those but through you and thus, I have prepared you so far to enter Me and to continue My work on Earth. Even as I would do, so shall you do. Love with this heart that I have given you. Greet all in the name of Jesus; for it is a powerful name, indeed, that My Father bestowed on Me *before* entering this planet Earth, which I love so dearly.

Now in this moment, let this message that I gave to My Hand, Crystal—and if she will read it, please, even as I have given it to her to give to you—so may you feel an inner

dwelling of My Word.

*Script number 118*

*Those who have been gifted with the Light may not know it yet. When I give the signal all the lights will be turned on! The real celebration begins! I AM announcing the Body of Christ—the Tree of Light! Without this you cannot go on into the place I have provided in the Solar Realm. Peace be with you.*

*December 2, 2007*

\*\*\*\*\*

Early in the morning before He had given me His Message, I had turned to this passage in the New Testament. Matthew 25:42-45 (George M. Lamsa Translation)

*For I was hungry and you did not give me food; I was thirsty and you did not give me drink;*

*I was a stranger and you did not take me in; I was naked and you did not clothe me; I was sick and in prison and you did not visit me.*

*Then they also will answer and say, Our lord, when did we see thee hungry or thirsty or a stranger or naked or sick or in the prison, and did not minister to thee?*

*Then he will answer and say to them, Truly I say to you, Inasmuch as you did not do it to one of these least ones, you also did not do it to me.*

And that is the order of the Kingdom. For lasting grace, you must find these things within you and serve. For My Light is not hindered by the passing of time!

### An Order into Oneness

So much of my (Crystal's) life has been to plead the case of what Jesus was just telling us: That we are a

BODY OF LIGHT - HIS BODY - blessing Earth now. That we are a people - not of clay - BUT OF HIS BODY and the Solar Consciousness that He represents through us and in us as I AM. If we are centered, we know this, and wander not from this conviction.

And we know from our own personal experience on this journey that the Spirit of God - in Eastern religions we would call it "Kundalini," which is the rising of the Holy Spirit, the Mother Spirit within us - *crucifies* the lower self. It *crucifies* the sense of self. It *crucifies* what Paul calls the "old man." Only to bring us up in celebration as Sananda's Body - the BODY OF LIGHT AND LIFE for the new evolution.<sup>1</sup>

This is the Collective Consciousness that we know as the Solar Dimension, "the land of milk and honey." The Creative or Divine Substance only obeys this BODY now - the all-inclusive Body of Light and Love we know as the Christ.

Yet, so many fight this Act of Love - but the fight is over, isn't it? For Jesus, Sananda, has proclaimed that He will turn on the Light and that we will, in many cases despite ourselves, rise up into a collective Consciousness that is the World Savior. It is the Christmas Tree of Light.

*continued on page 4*

***<sup>1</sup>Sananda is the ASCENDED NAME OF JESUS.***

# Sananda Stands Amongst Us

SOLAR NEWS VOL. 6 NO. 27

*continued from page 3*

It isn't that we lose who we are; we find it. Jesus said that we must lose our life to find it. And how well He spoke that truth. For it is so.

I plead my case once again. REMEMBER THE WHOLE. For in this way, you will be blessed with My abundance, not that of the world.

For this Center is not serving a single belief or culture or a single religion. It has many forks to its road. It is a celebration of the *whole* after the order of Melchizedek. And we are One.

Why does the word "tithing" come to my heart and mind so often? It is simply the language of Spirit building - undivided - the Tree of Light! And I still in my inner vision see the Master standing here. I know that it is a blessing to be in His presence and to hear His voice within me, but there seems to be something else that He asks of us.

## As Given From the Lord

*Your heart must grow so large that it is encompassing all this earth and embraces all the children of the earth in all their myriad forms. Can you let your heart grow to such a place that when you see one hungry, you will feed that one? For I am with you now and this is the Second Coming of the Lord Jesus Christ. Yes, I AM here amongst you and I expect much from you and much that you will give.*

Now let the Tree of Light begin. Let the Christ Body be shone forth as the solar union of all people on this Earth. This, my friends, is the greatest Tree of all. It is the Christmas Tree of LIFE INTENDED for all humanity. For it is the embodiment of

all your hopes and dreams. It is drawing into the Christ Energy Body the ones who have come to serve at this moment. LET THIS TREE BE LIT in the Name of Jesus, the cornerstone of all creation. Let it be done.

Let the celebration begin. Original sin is to be abolished, for in Christ you are born of Me. And you are not h a m p e r e d b y anything—for you are in Me and I AM in you as one.

Let the waters pour down and let the Blood of Jesus Christ be with each one of you as you are remembered and glorified of the Father.

*Receive not the word as your master.  
Receive Me.*

*Now stay in one House and not dwell in the other.*

## Angels Speak

SOLAR NEWS VOL. 6 NO.24

November 20, 2007

After Jesus left there was a silence on this Earth—a sadness—for it felt as though the very breath of life had gone from this planet. But He was soon able to reassure this planet that He was in every grain of sand and was in every particle of this planet. He made His assurance well known in secret passages that were buried and now are to be brought forth.

Mother Earth is joyous to hear the Son's Voice once again in the music of the earth, in the sounds of His Voice as He meditates with her in joyous reunion—and brings all back into a new world of the Solar Son.

Jesus is returning, yes. But to this planet, He has been with her. He has been in every particle of her body, and she breathes His breath and knows His soul.

Now, if this be so, then what might this planet's destiny be? If she can hear His Voice and feel His heart pulse, then what might her role be in this new world of light? I am certain that it is mighty and that we in the angel world have reason to believe that she will be a home, an embodiment of headquarters for Jesus our Lord.

What might happen then in the message of the Second Coming if the Earth herself knows Him well and reaches out to welcome Him back as Regent and Lord? What effect might this have on this Earth and all her creation—all creatures great and small—and the human material body and the consciousness of human beings? What might this all mean?

We ponder this in the Angel Kingdom. We ponder what we do not know and we seek not answers as you humans do, but we look out to the heavenly realms and we see the spiritual nature growing and glowing, as though Something were

# The Truth about Mary Magdalene

A UNIVERSITY PAPERS SPECIAL EDITION VOL. 7 NO. 26

## The Truth about Mary Magdalene

The foolish attention that is now on Mary Magdalene is proffered by the need to attach to the sexual and personality levels of false creation. There is no Magdalene. There never was! She is a figment of wish full thinking and desire needs. Base your thoughts on the Divine Mother who rests within you. That creates the substance through which you will ascend and stabilize in Creative Power. Everything you have heard about this one called Mary Magdalene is a product of false teaching.

Yes, there was a lady who was brought to Jesus for healing who had been violated. But the body is not the relationship here. The Master says that no Mary of Magdalene existed as portrayed, nor did I marry and have children. I was trained to live in the Presence at an early age and I had no time to look elsewhere. I have sent no one before Me, nor will there be anyone sent before Me to take My place or to announce My Coming. No one knows the time and the hour.

Be clear as to My intent for you and leave the glamour teachings far behind.

I AM One.

Please note: I was awakened early this morning. I began to take care

of the emails and to write the Daily Scripts. Energy began to rise and with the rising of the energy came the thought of Mary of Magdalene. Then came the thought, "What if she never existed?" The energy continued to increase and increase. Finally I sat down at the computer before a blank "page" and wrote the above. Now comes the question—having read the message above—why was this story encouraged and who began it all? I recall reading a number of years ago that within the Vatican archives were stored records that said that Mary of Magdalene and Mary of Bethany were the same. If this be so, then Mary of Bethany, who anointed the feet of Jesus in preparation for his ascension, would have been the likely one to receive him as he appeared from the tomb. It was Mary of Bethany who sat at the feet of the Master and whose brother, Lazarus, was resurrected from the dead by Jesus, Code of Life. In my training as Scribe of the Melchizedek Order, I learned that it was Mary of Bethany who traveled to England following the Master's ascension and who carried with her the Teachings of Jesus; it was she who understood the Master with heightened awareness. There is more, but I will stop here!

Blessings of this Christmas season,

even a glimmer of concern for self - that there could be no wars, no greed. All of this would disappear because of the oneness of truth that had stabilized as the Christ Presence in man's mind. *This is the true community of light. Raise up your thoughts to this and behold the new age, the golden age of light. And now the cross is lifted from the planet. The solar age has begun. Peace.*

**December 25, 1999, Christmas Morning**

(I wrote the following message early Christmas morning. The word "family" here pertains to all that receive and are studying the University of Melchizedek materials. You are "my family."-Crystal)

Letters of release should be written to all "family" members telling them of the planetary changes imminent. There is no time to be wasted, and so give them your words of love and light to persuade them to relinquish their present bodies to the light.

This is your Adjuster<sup>1</sup> speaking, illuminating all who can understand. Let no time go by as to this message.

Peace is with you.

# Matter and Man

THE MASTER'S PAPERS NO. 68

I, the Christ in you, govern matter through your conscious awareness. In this way does matter form. You have the ability to alter matter, to change and reform matter according to your conscious awareness and your awareness of the I AM Presence in your heart.

This is a very important statement I am making because in your new dimension of released energy, you will be called upon to remake Earth and requalify her according to your spiritual, vibrating awareness.

In the dimensional shift that you will be making you will be prepared to be creative, the offspring of the Creator. And you will also be ready to perceive Truth within you and allow it to embody as form.

Be creative in your thinking now. This is an experiential time and many walk as creators. Yes, think with the light of Divine Intelligence. Be one with that zone.

As the change is taking place on this planet there will be a seeming void,<sup>1</sup> null zone to be experienced before you take your final leap into the new dimensional frequency of the I AM star system. Released in your presence, within your conscious awareness, I AM. This is another star gate to be crossed and the way will be shown.

I speak of this null zone now. It is necessary for you to be able to contain nothing. You return to the Creative Power in the Light of the Creator Son. To do this it is necessary to completely stop one energy frequency before you are invited into the new frequency of illumination. Many of you are learning or possibly have learned how to carry the nothingness as a cup offered up to the Creator Light of

Divine Being. This cup is then filled to overflowing with the light of Being. *Empty yourself that you might be filled is the command of the All-Knowing One.* Just as Jesus knew His Creator in Him as emptiness and fulfillment, so must you. In your moments of emptiness, *fear not, it is I.*

Have no fear, for the gates are open and the legions of light are with you. That moment of emptiness or nothing is an indication of change. You are shifting dimensions into radiations of pure Be-ing and in this place of Be-ing you receive the light and decree it into form. (IAM THAT IAM.)

Your thoughts and feelings within yourself act upon matter. As you can *Be still and know that I AM God*, so can new thought penetrate matter, altering it and shaping it into new worlds of love and light. *Be still and know.* The *knowing* is the Creator vibrating.

**The evolution of My Spirit through matter is taking place. Your ascension is invaluable in this process. This is the passing glory of My Spirit into life. The pure and beautiful light of Christ must shine forth through every star. Let the heavens ring with My name!**

Too few are actively and willingly taking their ascension now. Be aware of this. Your passage into light results in many more following you into the light. Take the mask off, dear children. Be who you are. Be ascended. And be clothed with light. For you aid all when you move now in the rhythm of My sacred plan.

## *The Angelic Corps*

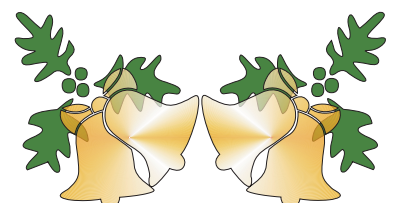

Consciously be aware *continually* of the angels of light who accompany you in your ascension. There are many who walk with you and are of assistance in your ascension.

Remain *consciously aware* at all times of the angelic kingdom, the "little people" and all those who are with Earth in her body change. See the angels before you see the darkness. See the light where the angels abide and let them be with you as partners in this new world. Be clothed with the angelic field of power and love. Walk with them *consciously*. Miracles will become an everyday occurrence with the light.

Receive the angelic kingdom within you. Retrain yourself to know them and to be consciously aware of their presence. Receive them into your house and into your life. The gladness of the angels will fill your heart, and in your mind will be true thoughts of love and joy. It is My pleasure to give you the Kingdom. I introduce you to the angels now. In your ascension you will know them well.

I AM Kuthumi speaking. Crystal and I speak together in harmony at one.

November 30, 1995.

*<sup>1</sup>This void can be likened to a storage house for the next experience or the next dimension. It is a place of creativity and new birth. It is not really empty as it might seem. It is full.*

# Call to the Awakened: The Order of the Flame

SOLAR NEWS VOL.5 NO. 19

February 8, 2006

Last night (February 7), as I looked at the photograph of Lord Sananda that hangs over my desk, the Master said, "Bring them together *now*." This morning I contemplated the meaning of Sananda's urgent message. This followed:

## The Order of the Flame

This is the Solar Sonship and the Sun of Life. Within this Sun is the Creator Son, He Who is given the authority over this Universe, He who has given Himself as Jesus of Nazareth, and He Whose Light Intelligence is increasing on this planet. Heed His wishes and be clothed with Light.

As the Creator emerges, *reveal* Him in your walk and in your practices. The Solar Fire that He carries can no longer be denied or thrust aside. The planet must be lit again as she was before the Eternal Flame was withdrawn from Egypt. **YOU ARE THE LIGHTERS OF THE FLAME!**

As Sananda, Lord Protector of this Earth and Deliverer for this planet, resumes His duty as the Creator Son, you must resume your duty as well. You are called to action.

In years past—many years ago—you transformed this planet **BY YOUR LOVE**. You were the sacred Solar Angels who came to this Earth **AS GUARDIANS FOR THIS PLANET**. She was given the Flame of All-Being, a Flame that you have guarded throughout the ages.

Those who are in close communication with Crystal have been with her before. These ones have been called back as angels of Light to return the Flame to Earth. This is why I, Lord Jesus Sananda, have called you into a circle. It is My Time on Earth, a time for the restoration of the Eternal Flame and Its

Presence. I, Sananda speak.

The Eternal Flame carries the actual Presence of the I AM. It is the Creator Substance, which is carried through the Havona circuit and the Paradise Presence to the Universe. Blessed are they who remember.

With the Coming of Christ and the Return of The Mother, the Presence of the Eternal Flame will be placed in the hands of the Guardian Angels who serve as the **ORDER OF THE FLAME**. (The Order of the Flame is a sacred order within the Order of Melchizedek.)

**I HAVE CALLED YOU FORTH TO PROTECT THE FLAME. YOU KNOW WHO YOU ARE...I AM Sananda.**

## Be Present With Me

For many years, I have been writing and speaking about **GROUP CONSCIOUSNESS**<sup>1</sup>. I have not been referring to a group of personalities in community together, but of the Father's Life made manifest by a Unity Program of High Initiates and brothers/sisters of the Light. Those who have been called to this Light, the Order of Flame, know it. You have been bound to this

***'In the reference to Group Consciousness, I want to clarify that this consciousness is a unified field that will accomplish more than if you were alone or acting within a third dimensional group awareness. —Crystal***

precious Flame since the Beginning. We served in many places. We have lived with this Order in Lemuria and Atlantis. We traveled with the Priesthood of Melchizedek, transporting the Sacred Flame of the Father-Mother Truth across the waters and into Egypt. We were protectors at that time. Before the Flame left this planet, we promised to gather again to bring the Eternal Flame (My Spirit) into creation as the Solar Light and Governance. For this we are dedicated now....

...Let us go forward as a body to receive the Eternal Flame, the sacred Solar Presence of The Son. Consciousness must be resurrected now.

that you might have as a planetary man. Even in the moment, say even in the second, as you are lifted from planet Earth into the new light of the Heavenly Sun, you will break your ties to Earth. No more confined to her but a breath upon her surface breathing joy into her heart. Leave now with Me as the Solar Sun catches you up into itself, and there rest with Me in a flame of light that I have provided for you this Solstice. There rest this eve, the eve of this experience, and remember not - save the light of the sun, the light of your own holy self, the light of Creator Michael who is with you always.

Place your hand upon your chest. Feel the beat of the one heart as it brings to you a new birth of enlightened soul. Live by the Sun, the heavenly rays of our Father. Live and walk in this plane of oneness, divine love. There we will meet *as one body* in the joining of the parent Son to His body of Christ.

See no other sun but the light within your own being. Translate into that light of the holy one and remain in this light forever now. I light this candle in the tablet of man that a new story

might begin of eternal life, that man might rise at his own will to rejoin the currents of the Father and the Mother on the plane of love. There solar man knows himself/herself. He is one and in this one he sees the many rays of oneness and is part of the rays. Even as one sun leaves, another appears. It is a greater and far purer sun than the one you have experienced. Translate this sun into your own heart as the Christ light and register it there in your heart. You are initiated into the higher planes of love and light by this sun.

This power that has been handed down to you is a gift from the Creator to you. There is a marriage of the Creator and sun and it will shine upon you and carry you forth into new lines of intelligence and creative power. Bear witness to the sun daily; first within your heart and then in the skies. For the ancient ones knew the truth of it: that the sun was really the face of the Solar Logos, and that which was seen was the presence of Life.

# The Winter Solstice

THE SPECIALS VOL. 5 NO. 19

## December 21, 1999, Morning

The inner temple, the temple of life, is really your true self. It is within you. Keep that in mind as we proceed, for the heavens shall shake tonight - evening of the Solstice - and much will be given that remains hidden to humanity.

Believe and set your pace for others that all might hear and know the given truth of this great order of Melchizedek. Be neighbors to all. Look not down upon anyone or in any way judge them, for they cannot be what they are not.

The heavens will shake tonight. Look not to the world for your information or in any way try to live in the manner of this present world. There is a new way to live that is the Christ energy walk of the declared initiate after the order of Melchizedek.

I AM waiting for you in the heavens above. I AM the Christ within - in nature divine. I will not rest until I have you in My arms as My Self.

And lo shall there be a great awakening on this planet Earth as nature changes everywhere in all corners of this Earth. The hooded serpent will speak. The rising of humanity will take place and the heavens will shake tonight at the prospect of a new heaven and a new earth together as one.

Lift your thoughts now to the highest and leave this world entirely that you may not in any way serve it nor influence it to stay. The bright star above beckons to you. *You are starborn.* Rest in the thought of I AM, God's given word and peace will come.

## December 21, 1999, Evening

Lift My children, all of them, for not one is to be left behind. This is My proclamation that I have given forth on this day and stand behind as the Christ of

this century. The program that I AM emitting through the various systems of this universe into the earth plane is the continuity of My spirit with yours. We are one.

My centers of light all over the earth are wide open. They light this earth this day and they will continue to light the heavenly plane as it blends itself with the dimensions of this planet to bring forth a new earth and a new heaven. There is not one who will be left behind. I have spoken.

This is My time to gather you up. There will be a mass translation on this planet for all. Each will take as much light as he or she possibly can but each will be given of My light energy as I send My glory forth of the Son. Take your places now as you are guided to do. Remain in the positive center of your own being righting this earth with your Christ self.

Please know that all is well and that I have come amongst you to bless each and every one. There is no one I will leave behind. I have not forgotten a single one and there is no religion that will come between My flock and Myself. I say, none. For I AM a partner to all.

The Christ dissolves all unlike Himself and gathers all up into the solar frequency of the Son of God, and Judgment is over. I have brought upon you a new age of enlightenment: a solar frequency that has not been released, has not been experienced, before this time. To judge another would not be of the Christ Self. Therefore, let your judgments go. I have no judgments to give. I have only My light, My solar frequency of divine love which radiates forth from the heart centers of all My peoples on

earth. I open you to the light. I give My blessing to all. I AM the king of kings. Behold, there is no other.

And so the mark on the brow is for everyone. Each is to receive My light, My love, My gathering up unto Me. Rest now in the frequency of I AM. The solar frequency is yours.

Feed the masses. Restore the poor. Bring a glad heart to each and everyone. As you smile, so I can smile also. There is a new order, a Christed order. I have brought this to earth for you. I AM the word of God. I AM the Son. I speak in the full authority of My Father's voice. I AM THAT I AM. Chosen before the Earth was made, I AM. I blazon forth My light. To all I say - all four corners, all four directions - I say, rise to this light and so greet your solar master, as yourself.

## My remarks following the message...Crystal

Earlier in this meditation, I saw - as though a curtain was opened - a people that lived and walked without fear of lack. Actually they were living and walking in an awareness and in a consciousness where there was such faith in God and in the life that *is* God in each and everyone, that there was no thought of lack or need whatsoever. It was a consciousness that was quite extraordinary to behold. I realized, then, that in that consciousness where there is such unity with God's voice and the God presence that there is not
