

Return of the Light

For those of you who know the Way, you must show the Way to others, the many others who do not know the Way. There is a Consciousness waiting for you called "Home." And it is scanning the planet, much like a mighty spaceship seeking its own.

The Christ Body is unconditionally formed and is now mandating the *Law of the Promise* to the Land of Israel. Let me interpret this message so that we are not confused and caught in a religious dogma, as many are at this time.

Stay out of prophecy! By this I mean listen to the Christ within you, the clear and anointed Voice of Truth. Live in the present tense and exercise the living Presence or "I AM." When you do this, all dogma vanishes and the misinterpretation of Truth, as so-called "prophecy" engineered by lower, mortal mind, also has no meaning and no power. Govern rightly.

Now the "Land of Israel," as stated here, corresponds to those who love and serve God. Period! This means Moslem, Christian, Buddhist, Native American, Hindu, Aborigine, Metaphysician etc. *The Land of Israel is the Promised Land where Man and God are one, dwelling together in unconditional love.*

The "Christ within" is the place of your own awareness where you live with God, with the Universe, with the light. This is your original birthright returned to you *consciously*. Live the Presence as yourself through the Heart.

As you realize the Christ as yourself—the Second Coming is *you*—your Christ form becomes *your material body*. You become a light upon the hill. Your cells awaken to their original story and perform in the image and likeness of the One Sent. When this occurs, a seal is broken and man (consciousness) and God are one. They are seen as one. They are felt as one. And as this happens, the individual Christ presence—that has realized itself *as you*—joins with the Christ Body, the Solar Field of reality, as a God Cell *within that Body*.

The ingathering of the individual Christ (you) into the Body of Christ, or Solar Realm, assembles the 144,000 (not a number but a unit of Consciousness Vibration) *as the etheric energy field of the New World*. These Cells, acting as *one Unit* within the Body of Christ (initiated by Lord Jesus), know their duty and contribution to the whole. No Cell covets another's territory. Each God Cell can hear the Inner Voice of Truth and is a light unit unto itself. *This is the stabilized principle of the New World, the field we are entering now*. Consciousness returns to Light.

Overseeing the Ingathering and completion of the Body of Christ, the BODY OF THE SON OF GOD, is Lord Sananda, Acting Planetary Prince.

Rise to the task before you. Blessed are they who are ready and prepared to discard the cloak of the world and join in the Incoming Light of the radiant Son-Daughter.

For those who have come a long way to serve in this Hour, please be ready: for the time has arrived and the Hour is now.
